- Superintendent/President’s Response to DPAC Recommendations: Following are two recommendations approved by DPAC on June 8th that were forwarded to the Superintendent/President for consideration.

  A. The Budget Planning Subcommittee forwarded the following recommendations approved on June 1, 2016. DPAC approved the recommendations with a vote of 6 ayes, 2 noes and requested that they be forwarded to the Superintendent/President for consideration.

  In an effort to increase budget transparency, the DPAC Budget Committee recommends to DPAC that the Student ID Fee’s name be changed to the General Fund Fee or the College Services Fee or some other name that more accurately matches the fee’s purpose.

  **Superintendent’s Response: Consider**
  Staff will be reviewing categories of student fees approved by the Chancellor’s Office and determine what is legally acceptable.

  2. The Budget Committee recommends to DPAC that the IEPI Indicator for Fund Balance have a stated goal of 5% and that the Budget Committee continue to review this goal moving forward.

  **Superintendent’s Response: Not approved**
  One of the primary roles of the Board of Trustees is to ensure the financial stability of the institution. At its June meeting, the Board of Trustees adopted a 7.5% goal. Therefore, the DPAC recommendation does not align with the Board’s goal and is denied.
