B. Update on Strategic Planning Process: As in previous strategic planning cycles, DPAC constituency leaders each appointed members to serve on the 2016-2017 Strategic Planning Task Force. Subsequently, a smaller representative group reviewed the proposals and forwarded its recommendation to the Superintendent/President for consideration. The Superintendent/President concurred with the subcommittee’s unanimous recommendation of the Collaborative Brain Trust (CBT) as it was the most comprehensive in thoroughly addressing every aspect of the Request for Proposal. Further, reference checks with former CBT clients requesting similar services were extremely positive with high praise for the company. A recommendation will be on the agenda for the Board of Trustees to approve at its meeting on November 1, 2016.
