The agenda for the next DPAC meeting on November 28, 2018 will include the following:

1. Schedule of topics for DPAC meetings, 2018-2019

The agenda for the DPAC meeting on December 12, 2018 will include the following:

1. The Institutional Effectiveness Committee will facilitate a discussion on the process for local District goal setting 2018-2019 required by the Chancellor's Office.
Recommendations for transition of College Services Planning Committee

The DPAC- College Services Planning Subcommittee would like to recommend that the oversight of duties, charges, and complaints of and to the existing College Services Planning Subcommittee be transitioned to the leadership over the areas and/or to the Santa Monica College’s Safety Committee, when appropriate.

The committee recommends that the current Safety Committee be expanded to include instructional and counseling faculty, students, and individuals from Disabled Students Programs and Services, Grounds, Maintenance, Risk Management, and Facilities. This committee will then become a working group to address the safety concerns from the District. All other concerns related to College Services should be transitioned to the following managers:

SMC Safety Committee (Meets 3rd Wednesday of the Month 10am in the Skybox)

Recommendations:

- Expand the charge of the committee.
- Expand membership
- Discuss concerns related to safety and campus environment
- Use LiveSafe Application to communicate with college community
ARTICLE 5 - CSEA Contract

SAFETY CONDITIONS OF EMPLOYMENT

5.1 The District and the exclusive representative shall cooperate in the objective of eliminating accidents and health hazards under State and Federal law. The District, exclusive representative, and members of the bargaining unit recognize their obligations and/or rights under existing federal and state laws with respect to safety and health matters. Members of the bargaining unit are encouraged to report alleged violations of such State and Federal law to the safety and health committee and will not be retaliated against by the District for reporting any such concerns. A claim of retaliation under this section shall be subject to the grievance procedure but shall not be subject to the arbitration provision set for in Article 10, Section 10.2.6.

5.2 The District shall maintain a safety and health committee and an emergency preparedness committee. The exclusive representative shall have the right to appoint a total of four representatives from the bargaining unit to the safety and health committee and two representatives to the emergency preparedness committee. The safety and health committee and the emergency preparedness committee shall hold regular meetings and may issue such reports as deemed necessary by the respective committee.

5.3 The safety and health committee shall advise and recommend to the District improvements and/or maintenance of the safety and health conditions for members of the bargaining unit. The safety and health committee shall meet at least six times each year. Minutes of all meetings and reports issued from these committees shall be distributed to committee representatives and the CSEA President. In addition, a notebook of all such minutes and reports shall be maintained in the Office of the Risk Manager and shall be available for inspection to all who request to see them.

5.4 The District shall provide appropriate safety guidelines for those employees who handle toxic materials which are used on campus.

5.5 The District shall provide all necessary and appropriate training in order to meet and fulfill the requirements set forth by all applicable laws and shall provide employees with required safety equipment. CSEA acknowledges that attendance at any such training shall be mandatory for its members. In addition, the District shall provide training in safety and emergency response.

5.6 The District will conduct at least one evacuation drill each fiscal year. Such evacuation drill shall be conducted between the hours of 7 a.m. and 10 p.m. during the business work week (Monday through Friday.)

5.7 The parties agree that the safety and health committee is advisory in nature and may make recommendations to the appropriate district administrator regarding any unsafe practices which are identified by the safety and health committee. If, after safety and health committee review, the safety and health committee submits to the District written concerns regarding safety or health issues, the District shall respond in writing within ten working days regarding the concerns of the committee.

5.8 Unit members who are members of the safety and health committee or the emergency preparedness committee shall be permitted to attend such committee meetings during their regular duty hours without loss of compensation. Unit members shall also be granted released time to prepare for safety and health or emergency preparedness committee meetings in accordance with Article 16.

5.9 If the District Superintendent/President or his/her designee orders the campus evacuated or any part thereof evacuated in response to an emergency, unit members shall not suffer a loss of pay during the period of such evacuation but shall remain available for immediate return to work after clearance for return to the work station for the remainder of their work shifts.
I. Update from DPAC

- DPAC is structured for planning
- This committee has moved away from planning to become a problem solving committee
  - Charge changed over time
  - People came to report complaints
- Integration of teams for planning function
  - Funding and staffing looked at as a whole
  - Look at areas and execute recommendations
  - Reviewed and follow-through
  - Priority make recommendations
- Safety committee
  - To fill the void and make sure that complaints are still heard and follow through on; this function should be transferred to the safety committee
  - Right now, the committee hears safety concerns only
    - Expansion could now include:
      - Improvements
      - Aesthetics
      - Date to day operations
      - Safety and health concerns
      - Expand charge; be more useful; avenue to raise issues; reports to DPAC about status
- Student success
  - Can organize projects
  - Randomly addressed
  - Add faculty; students
    - Include voices; student-oriented
- Risk Manager being hired
  - Will oversee safety-related issues
- Live Safe app (Market to College Community)
  - Can be used to address safety concerns related to facilities, campus climate, and cleanliness.
  - Take picture and send to facilities
  - Have created signs for the backs of restroom doors
  - Using the app to contact Police or Facilities
  - Use students to help market
- Final recommendation: Move this committee’s responsibilities to the appropriate Vice President and Safety committee when appropriate.
  - Expand
  - Add students
  - Meet 2 times per month
- Live Safe
- Look at composition of constituencies
