*Unanimously approved with one abstention (Eve Adler).*

IV. **Superintendent/President’s Response to DPAC Recommendations.** Dr. Jeffery reviewed the DPAC Scope and Function and 2018-2019 Action Plans that were forwarded to her and approved them with the exception of two revisions, as follows:

**Board Policy 2515**  
DPAC is the College’s primary planning body. It is the responsibility of DPAC to facilitate the District’s long-term planning efforts, including the assessment of the College’s planning process. Every five years, DPAC develops recommendations for new Strategic Initiatives and reviews the Vision, Mission and Goals. DPAC also develops annual action plans that support the five-year strategic initiatives and objectives.

*(Board Policy 2515 will be removed from the DPAC Scope and Function until it is approved by the Board of Trustees.)*

**Action Plan 10**  
Make steady progress toward the 75-25 benchmark for full-time instructional and non-instructional faculty.  
Consider the 75-25 full-time faculty hiring recommendations created by the 75-25 task force and approved by DPAC and assess progress made toward the 75-25 benchmark.
There was concern expressed about the change in wording since it doesn’t indicate “an intent” to hire more full-time faculty. Additionally, it was felt that the word “consider” is not really an action. There was an inquiry about how to document disagreement with the Superintendent/President’s decision. A concern was raised about DPAC’s ability to respond to her decisions, and a discussion ensued regarding DPAC’s scope and function as an advisory committee. Chair Rodriguez suggested moving forward with the document and that individuals independently share their concerns with the Superintendent/President.

V. Agenda

1. Schedule of Topics for DPAC Meetings, 2018-2019: The draft schedule includes reports to be provided by groups working on the 2018-2019 Action Plans.
