V. Agenda

A. Accreditation Mid-Term Report: The report has been prepared for submission to the Board of Trustees at its meeting on March 5th and is due to the Accrediting Commission on March 15th. Of the nine recommendations from the Accrediting team, eight have been completed and the ninth will be completed this semester. 57 self-initiated plans were identified in the study of which 42 have been completed, two have not been addressed and the remaining ones are in process. At this mid-point between comprehensive visits, almost everything has been completed.

B. Board of Trustees Study Session on Basic Skills and Student Success: The Board invited faculty, staff and students to participate in the Study Session held on February 19, 2013. The purpose of the Study Session was discussion and the exchange of ideas. The Board was interested in hearing what the college is doing in the area of Basic Skills and student success.

C. Spring 2013 Enrollment: The spring schedule is 1.6 percent smaller than last year; enrollment is about 1.25 to 2.25 percent behind last year. The AC College winter 2013 program generated about $1.6 million for the general fund. Because of a softening of enrollment throughout the state, staff is working on outreach and marketing efforts to get ahead of the game.
