IV. **Reports**

A. **Planning Subcommittees**
   - **Budget Planning**: Bob Isomoto and Howard Stahl, Co-Chairs. The Budget Update was presented as part of the agenda (see V. Agenda (A)).

   - **College Services Planning**: Al Vasquez and Chiomi Ojini, Co-Chairs. The subcommittee received the results of the college services survey. A summary is being developed and a final version will be presented to DPAC on June 5th. The subcommittee is meeting with campus food service vendors.
Facilities Planning: Greg Brown and Lee Peterson, Co-Chairs: The subcommittee has been reviewing and discussing what happened with the construction bids for the Student Services/ Administration Building. The decision on how to move ahead on this project will have a cascade effect on all other construction projects. The Facilities Department will be focusing on the Student Services/Administration Building and will evaluate the schedule of other projects. Staff are also working on the five-year construction plan to be submitted to the State. The moves of Human Resources, the Personnel Commission and Fiscal Services will be delayed.

Human Resources Planning: Sherri Lee Lewis and Patricia Burson, Co-Chairs: The Whistleblower Board Policy and Administrative Regulation had been previously presented to DPAC, but was pulled from agenda to be returned to the subcommittee for further discussion. It was clarified that the draft policy and administrative regulation should not be forwarded to the Academic Senate Personnel Policies Committee and that the Human Resources Planning Subcommittee is empowered to review, receive input, revise and make a recommendation to DPAC.

Technology Planning: Matt Hotsinpiller and Bob Dammer, Co-Chairs: No report.

B. Academic Senate Joint Committees

Curriculum: Guido Davis Del Piccolo, Chair and Georgia Lorenz, Vice-Chair: The committee approved (1) the MLT associate degree, (2) two new Cosmetology courses, and (3) Introduction to Linguistics.

Program Review: Mary Colavito, Chair and Katharine Muller, Vice-Chair: The Committee reviewed the last two-year program review submittals from career technical programs and continues working on the Curricunet template for program review.

Student Affairs: Beatriz Magallon, Chair, and Denise Kinsella, Vice-Chair: The Committee is working on several administrative regulations – concurrent enrollment forming a club, probation and residency requirements.

Institutional Effectiveness: Christine Schultz, Chair and Hannah Lawler, Vice-Chair: The Committee approved the fifth Institutional Learning Outcome.

C. ACUPCC: No report.

D. Associated Students: The Associated Students passed two resolutions at its last meeting; (1) for the college to waive out-of-state tuition for veterans, (2) for the college to offer a self-defense class not exclusively for women (either co-ed or for men). The A.S. funded a new water fill-up station for the Cayton Center and continues to support the Big Blue Bus contract.

V. Agenda

A. Budget Update: The tentative 2013-2014 budget was presented. Bob Isomoto provided budget highlights based on the May Revision, including projected revenues, expenditures and fund balance for 2013-2014. He added that the Board of Trustees had requested staff to come up with a plan to address the OPEB unfunded liability ($88 million) in the tentative budget. Faculty Association and CSEA representatives from the Budget Committee expressed concerns about (1) the District initiating a plan for addressing the OPEB liability without input from the Budget Committee and (2) that the tentative budget includes that plan.
B. Master Plan for Education Update – Develop Institutional Objectives for 2013-2014: DPAC reviewed the recommendations made by the Program Review Committee to start the process of developing the Master Plan for Education 2013-2014 Update. The review of the recommendations will continue and be completed at the next DPAC meeting.

C. Emergency Preparedness: This discussion resulted from concern related to the situation that occurred last week with the student who made threatening calls. Campus Police and other College personnel are reviewing the College’s response to the incident to further improve communication and coordination of similar incidents in the future. It was agreed that terms need to be clearly defined, for example, what does “lockdown” actually mean; different actions and communication are needed for different situations; and training is necessary. Staff are encouraged to provide their experiences and suggestions to Mike Tuitasi and Al Vasquez to assist with the evaluation of the District’s response to this particular incident and to develop a plan for training.
