| Recommendations for Institutional Support for Specific Programs | 1. Explore ways to serve the CalWORKS population without the onus of the reporting requirements linked to current funding contracts. (CalWORKS)  
2. Include “living campus signage” in the college signage plan, where appropriate, to explain the environmental and sustainable practices employed throughout the college. (Center for Environmental & Urban Studies)  
3. Support the need for additional technology resources to address the mandates of SB 1456. (Counseling)  
4. Develop a means for electronic capture of positive attendance and arranged hours to replace paper rosters for non-credit classes and reduce the possibility of incomplete data for FTES reporting. (ESL) *Note: this recommendation applies to all non-credit programs*  
5. Investigate the value of maintaining the SMC cable station. (Media & Reprographics Services)  
6. Explore discussions with UCLA, at a higher administrative level, regarding the large number of international students interested in committing to a Scholars transfer program. (Scholars) | #1-#5 In Progress  
#6 Refer to Academic Affairs |
| Recommendations Based on Overarching Trends | 7. Determine the efficacy centralizing the documentation of administrative program unit outcomes.  
8. Refine the ISIS SLO portal to allow programs to sort SLO data more specifically.  
9. Consider ways in which broad SLO information can be aggregated for utilization by appropriate planning bodies.  
10. Implement training in the new on-line program review process.  
11. Review the methods by which committees and planning bodies document processes and outcomes and make this information available. | #7 Refer to IEC

| Technology     | 12. **Ensure an appropriate level of technology and instructional equipment maintenance and support is included in the district budgeting process every year.  
13. **Include technology maintenance for CTE programs in the annual Technology Plan (CTEA funds cannot be used for maintenance).  
14. **Investigate methods for providing students access to laptops and mobile technology pre-loaded with program applications for reasonable purchase or lease.  
15. **Develop training and implement strategies for assisting programs to maintain a web and social media presence.  
16. Consider adding web and social media maintenance to job descriptions, where appropriate.  
17. Develop a plan for monitoring and oversight of updates to and links between all college social media sites.  
#14 In progress  
#15-#17 ?? |
| Curriculum     | 18. Identify a process for engaging the broader college community in dialogue focused on means to improve the success rates of Black and Hispanic students and identify research questions to inform this dialogue.  
I.O. Update former I.O and focus on student equity (referred to Georgia Lorenz) |
| Support Services | 19. **Identify proven effective practices implemented with target populations and evaluate scalability to the larger college population.  
20. Explore modifications and additions to the tutoring tracking system desired by the tutoring staff.  
21. Identify spaces that can be consistently allocated for SI sessions.  
22. Review and refine the parameters used to determine the impact of student and instructional support services on student success.  
#19 Include in I.O. #18  
#20-#21 I.O. for Learning Resources  
#22 Refer to IR |
| Budget         | 23. **Ensure an appropriate level of facilities maintenance and support is included in the district budgeting process every year.  
24. Assess older buildings expected to remain in use for the foreseeable future and upgrade where possible.  
25. **Investigate methods for assessing total cost of ownership.  
26. **Include in budget planning the additional staffing, training, and equipment needed to adequately maintain new buildings with more complex systems and increased square footage as they come on line.  
27. **Inventory ongoing contracts for services that are critical to maintain and identify as non-discretionary.  
#22 Refer to IR |
| Other          | 28. **Develop a marketing plan that includes targeted marketing such as to promote CTE programs.  
29. **Develop promotional pieces for aggregated types of programs (ex. arts programs) that can serve multiple programs in a variety of ways.  
30. Investigate development of an electronic positive attendance system.  
31. **Explore methods for capturing more accurate information on the reasons students enroll in specific courses.  
32. **Explore a broader institutional approach to creating databases for tracking student achievement and success after SMC. |
