Board Policy 2250

The Board recognizes the District Planning and Advisory Council as the body primarily responsible for making recommendations to the Superintendent/President on matters that are not otherwise the primary responsibility of the Academic Senate (BP 2210), Classified Staff (BP 2220), Associated Students (BP 2230) or the Management Association (BP 2240). Issues include, but are not limited to, District budget, facilities, human resources, instruction, student services and technology planning. Discussion of these issues by the Council will not supplant the collective bargaining process.

DPAC is the College’s primary planning body and coordinates institutional planning. It is the responsibility of DPAC to develop the annual Master Plan for Education Update and oversee the long-term planning efforts of reviewing the Vision, Mission, Values, and Goals, assessing the College’s planning process, and developing new Strategic Initiatives every five years.

The District Planning and Advisory Council shall comprise representatives of the faculty (Academic Senate and Faculty Association), classified staff, students (Associated Students) and management (Administration/Management Association), who shall mutually agree upon the numbers, privileges, and obligations of Council members. The District Planning and Advisory Council shall establish its own procedures in conformity with the law.

**DPAC Members:**

- Academic Senate President (or designee)
- Faculty Association President (or designee)

The Vice-Chair shall be elected by a majority vote of DPAC members (8 votes) in June to serve a one-year term for the following fiscal year.

Note: The Vice Chair shall not come from the same constituency group as the Chair of DPAC. If the Superintendent/President selects a faculty person for Chair then the Vice Chair must come from a constituency group other than faculty.
Responsibilities of the DPAC Chair and Vice-Chair

DPAC Recommendations to the Superintendent/President

It is the charge of DPAC to make recommendations to the Superintendent/President. It is the responsibility of the Chair and Vice-Chair to convey DPAC’s recommendations to the Superintendent/President. The Superintendent/President or designee will respond to DPAC recommendations either in writing or through a report from the Chair at a subsequent DPAC meeting. The Superintendent/President’s responses will be reflected in the DPAC minutes.
Institutional Planning

The institutional planning process—both long-term and annual—is coordinated by DPAC. Every five years, DPAC oversees the review of the College’s Vision, Mission, and Goals statements, conducts an evaluation of all aspects of the institutional planning process, and identifies long-term strategic initiatives to inform the annual identification of institutional objectives.

The annual Master Plan for Education Update is also the responsibility of DPAC. The process starts in Spring and concludes in Fall and includes the development of responses to the previous year’s Institutional Objectives including the status of completion for each objective.

In preparation for formulating new institutional objectives each year, DPAC reviews a number of major planning documents, including, but not limited to:

- Program Review Planning Summary
- Institutional Dashboard/Institutional Effectiveness Annual Report
- Responses to previous year’s Institutional Objectives
- College Priorities and Strategic Initiatives
- Board of Trustees Goals and Priorities
- Academic Senate Objectives
- Accreditation Recommendations and Self-Evaluation Planning Agenda

Criteria for Institutional Objectives

Purpose
Each year the Santa Monica College District Planning and Advisory Council (DPAC) identifies institutional objectives to be included in the annual Master Plan for Education Update. These annual institutional objectives are developed in response to the output of multiple planning processes and identify measurable benchmarks for institutional improvement.

Institutional objectives:
- align with college priorities: strategic initiatives, college goals, ILOs
- highlight the overarching issue being addressed
- support student learning and success

Guidelines for Writing Institutional Objectives
Institutional objectives should generally emerge from the various planning reports and documents submitted to DPAC. Words like across the college or across the campus, institutional or institutionalize are frequently used in the objectives.

Institutional objectives should:
- address an identified institutional priority, not an issue specific to a particular departmental/organizational unit
- frame the issue to be addressed clearly and comprehensively
- generally apply to more than a single departmental/operational unit
- be timely and measurable
- be achievable within a year; if an objective will take longer to achieve it should be broken into multiple consecutive objectives (ex. analyze, develop a plan, implement first steps etc.)
- not address something the College is already doing or committed to doing
- already have some level of support to be achievable (ex. other individual, groups, units) in order to demonstrate that they will be achievable
The resulting annual Master Plan for Education update document identifies linkages among the various components of the overall institutional planning process, provides an estimated cost and funding source (with a descriptive budget narrative) for each institutional objective; describes methods to accomplish each specific objective; and lists anticipated outcomes for each objective.

**Agenda Setting Meetings**
The Council of Presidents shall set DPAC agendas. The Council of Presidents shall comprise the presidents of each constituency.

**Planning Subcommittees:**
1. Budget Planning
2. College Services Planning
3. Facilities Planning
4. Human Resources Planning
5. Technology Planning

Meetings of the DPAC Planning Subcommittees are subject to the provisions of the Brown Act.

Each of the five Planning Subcommittees shall comprise four representatives of each constituency group or two representatives of each sub-constituency group.
- Faculty (2 Academic Senate/2 Faculty Association)
- Classified (4 CSEA)
- Managers (2 Administration/2 Management Association)
- Students (4 Associated Students)

The members of DPAC shall determine the scope and function of the five Planning Subcommittees. In other words, DPAC is to provide direction for the five Planning Subcommittees.

**Quorum**
A quorum will consist of a simple majority of appointed subcommittee members, or designee.

**Planning Subcommittees Co-Chairs**

One Co-Chair named by the Superintendent/President
The Superintendent/President may name any Santa Monica College employee or student as this co-chair and is not held to any particular constituency.

One Co-Chair elected by the planning subcommittee
This co-chair shall be selected from within the subcommittee membership by September 30th of each year.

Note: Chairs shall not come from the same constituency group. If the Superintendent/President selects a faculty person for chair then the other chair must come from a constituency group other than faculty.

Additional Note: All Co-Chairs (or designees) of the Planning Subcommittees are expected to attend all DPAC meetings

**Responsibilities of the Planning Subcommittees Co-Chairs**

  - All planning subcommittees shall meet at least once a month at a fixed time and location and report to the District Planning and Advisory Council on a monthly basis.
