A meeting of the Santa Monica Community College District Planning and Advisory Council (DPAC) is scheduled to be held on Wednesday, **April 22, 2015** at 3:00 p.m. at Santa Monica College, Drescher Hall Room 300-E (the Loft), 1900 Pico Boulevard, Santa Monica, California.

I. Call to Order

II. Members

Teresita Rodriguez, Administration, Chair Designee  
Georgia Lorenz, Administration Representative  
Bob Dammer, Management Association President  
Katharine Muller, Management Association Representative  
Eve Adler, Academic Senate President, Vice-Chair  
Fran Chandler, Academic Senate Representative  
Mitra Moassessi, Faculty Association President  
Peter Morse, Faculty Association Representative  
Robert Hnilo, CSEA President  
CSEA Representative  
Ali Khan, Associated Students President  
Caitlin Corker, Associated Students Vice-President

III. Review of Minutes: April 8, 2015

IV. Reports

A. Response from Superintendent/President on DPAC recommendation approved on April 8, 2015:  
The Technology Planning Committee presented a Disaster Recovery/Business Continuity proposal (attached) to back up the college’s data center at a remote site in order to keep it operational in the event of a disaster. The estimated capital cost for equipment and professional services is $742,000; the estimated annual operational cost is $65,000. Motion was made by Georgia Lorenz, seconded by Courtney King to accept the proposal and forward it to the Superintendent/President for consideration. It was unanimously approved.

V. Agenda

*Public Comments*  
*Individuals may address the District Planning and Advisory Council (DPAC) concerning any subject that lies within the jurisdiction of DPAC by submitting an information card with name and topic on which comment is to be made. The Chair reserves the right to limit the time for each speaker.*

A. Institutional Effectiveness Report/Dashboard

VII. Council of Presidents Meeting
The Council of Presidents will set the agenda for the May 13, 2015 DPAC meeting.

TPC Vision Final 1.20.15
The technological transformation underway compels SMC to cultivate a college culture that empowers its faculty and staff and prepares its students to master the skills, knowledge and abilities required to excel in the digital world. The effective use of technology is a priority in every mission that the college performs and is an essential aspect of all current and future improvements to the college.

With the radical expansion in technology over the next 20 years, it is essential we cultivate a college culture that is ready to respond to this rapid transformation. SMC is the #1 community college and we should be a leader and innovator for technology at the community college level. As part of Technology Planning we believe we need a set of values and a vision to guide for planning and prioritization of technology across SMC. Given the 21st century technology trends, we are committed to making SMC a forward thinking leader, to planning how technology will improve our institution, and to making institutional decisions based on these technology needs.
