IV. Agenda

Public Comments: Eileen Rabach, Gail Livings, Christina Preciado, Bob Massey (related to agenda item B)

A. Fall 2014 Enrollment Update: At first census last Tuesday, FTES is down 1.19 percent and headcount is up 1.17 percent from this time last year. There will be some movement with the start of eight and twelve-week classes. Whatever shortfall there may be will be compensated by adjusting winter course offerings.
B. Federal Recommendation on Campus Climate Survey: During public comments, representatives of the Women/Gender Work Group addressed DPAC regarding the federal recommendation for schools to conduct a campus climate survey by 2016 to determine the prevalence of sexual assault on campus. Senate Bill 967 is now on the Governor’s desk which addresses many of the same issues. Senior staff had discussed the topic and it was announced at DPAC that Dr. Tsang will be appointing a Presidential Task Force to study and address issues of student life including those in pending federal and state legislation, such as these. The District will be working with the Chancellor’s Office and CCLC for clear guidance on the requirements. Information on best practices will also be gathered from the UC and others so that the college can set benchmarks. The task force will be appointed by the Superintendent/President in the near future. It was requested that the Women/Gender Work Group be invited to the next DPAC meeting to report on what it has done so far.

C. Draft DPAC Charter and Organization: The DPAC Charter and Organization for 2014-2015 was reviewed. Student representatives are still needed on DPAC subcommittees. DPAC subcommittee Chairs/Co-Chairs were reminded that agendas for meetings need to be posted in a place accessible to the public. Agendas (mandatory) and minutes need to be posted on the DPAC website.

VI. Adjournment: 3:35 p.m.

Meeting schedule through June, 2015 (second and fourth Wednesdays each month at 3 p.m.)
