MAJOR ITEMS OF BUSINESS

INFORMATION ITEM G

**SUBJECT:                    ACCOUNTABILITY REPORTING FOR COMMUNITY COLLEGES**

**SUBMITTED BY:**            Superintendent/President

**SUMMARY:**                Executive Vice-President Randal Lawson and Caroline Sheldon, Dean of Institutional Research, will present an overview of the Accounting Reporting for Community Colleges (ARCC).

Accountability Reporting in the Community Colleges (ARCC) contains seven measures of student progress and achievement as they relate to the broad mission of the California Community Colleges to support transfer, degree and certificate completion, and basic skills. The measures developed for ARCC reflect a refinement of some of the measures from previous accountability initiatives, such as the Partnership for Excellence (PFE), as well as an expansive consultation process with education scholars and community college practitioners from the field.

The legislation for Accountability Reporting in the Community Colleges (ARCC) requires that a college's local Board of Trustees annually review the college's ARCC report. No action is required by the Board; review of the narrative, and the selection of material contained in Appendix A, fulfills this legislative requirement.

RECOMMENDATION NO. 2

**SUBJECT:                SUPPORT OF MEASURE R**

**SUBMITTED BY:**       Trustees Nancy Greenstein and Louise Jaffe

**ACTION:**                It is recommended that the Board of Trustees support Measure R on the November 4, 2008 ballot.

**SUMMARY:**            In July 2008, the Metro Board of Directors authorized placing a half-cent sales tax before voters to fund transportation projects within Los Angeles County. Measure R is expected to provide the local resources to finance new transportation projects and accelerate those already in process. Over 30 years, it is projected to generate \$40 billion for congestion relief projects. Measure R alone does not fully fund all projects. The expenditure plan identifies additional funding sources. It is estimated to cost residents an average of \$25 per person each year.

Agreement with RENZO ZECCHETTO ARCHITECTS for the Madison East Wing Seismic Upgrade project for \$33,000 plus reimbursable expenses.

Funding Source: Measure U

Comment: The completion of the renovations to the Madison East Wing of the existing building at the Madison Campus (now the Santa Monica College Performing Arts Campus) were suspended after the Division of State Architect discovered that the seismic upgrades required due to the 1933 Long Beach Earthquake were never completed. Now that the new construction and major renovations at the Santa Monica College Performing Arts Campus are finished, including the Music Renovation and the new Broad Stage, this code required upgrade can be completed. By using the architect of record for the Santa Monica College Performing Arts Campus, this project can be completed more efficiently.

BOARD POLICY

**RECOMMENDATION NO. 18**

**SUBJECT:**                   **SECOND READING AND APPROVAL**  
**BOARD POLICY SECTION 1511,**  
**MEETINGS OF THE BOARD OF TRUSTEES**

**SUBMITTED BY:**           Superintendent/President

**REQUESTED ACTION:**      It is recommended that the Board of Trustees conduct a second reading and approve Board Policy Section 1511 – Meetings of the Board of Trustees, Regular Meetings.

**BP 1511 Regular Meetings**

Regular meetings of the Board of Trustees shall be held in accordance with the adopted annual schedule of meetings unless changed by the Board in a subsequent regular meeting.

All regular meetings of the Board shall be held within the boundaries of the District except in cases where the Board is meeting with another local agency or is meeting with its attorney to discuss pending litigation if the attorney's office is outside the District.

All regular meetings of the Board shall be open to the public, be accessible to persons with disabilities, and otherwise comply with Brown Act provisions, except as required or permitted by law.

Reference:      Education Code Section 72000  
                      Government Code Sections 54950-54963, 54961

*Reviewed and Adopted: 5/1/2000*  
*Revised 12/2005*

**COMMENT:**                   The proposed revision to Board Policy Section 1511 would allow flexibility for the Board to adjust its meeting schedule without having to revise the policy. The Board meets requirements of the Education Code to fix the time and place for regular meetings by adopting its annual schedule of meetings, so it is not necessary to include the specific day in the policy.
