**IV. SUPERINTENDENT'S REPORT**

- Recognition:
  - Theatre Arts – Kennedy Center American College Theatre Festival: The Santa Monica College production of “Cesar and Ruben” has been selected for the prestigious 2012 Kennedy Center/American College Theatre Festival’s regional competition. It is one of eleven plays selected from 178 productions at 49 colleges judged throughout the western region.
  - Chamber of Commerce Award: The Santa Monica Chamber of Commerce has selected Santa Monica College for the 2012 Economic Excellence Award, which will be presented during the annual *State of The City* event to be held January 26<sup>th</sup>. SMC was cited for its large workforce, its job training programs and its top-quality education.
- Updates:
  - Winter Session Enrollment: Winter session classes started January 3, 2012 with enrollment as expected. Spring enrollment is very robust, course offerings are at the same level as spring 2011, and classes are about 92 percent filled so far. A more detailed spring enrollment report will be presented at the Board of Trustees meeting in February.
  - State Budget: Following are highlights for community colleges of the Governor’s Initial Budget Proposal:
    - No reduction in apportionment (dependent on passing of temporary tax initiative)
    - No growth monies, COLA, or categorical program restoration
    - Categorical programs will be funded in a “flexible” block grant
    - Funding increases start in 2013-14 (dependent on passing of temporary tax initiative)
    - If tax measures do not pass, mid-year “trigger cuts” of \$260 million will be implemented. SMC’s share would be approximately \$5 million.
  - District Audit: The 2010-2011 audit report was clean and unqualified for the third year and will be presented to the Board of Trustees at the meeting on February 7, 2012. Representatives of the audit firm will be present at the meeting to answer questions. Fiscal services staff was commended for their excellent work. Board Chair Margaret Quiñones-Perez announced that a Board of Trustees task force has been formed to review the audit with the auditors and share highlights with the Board at the February meeting. Trustee Rob Rader agreed to serve as chair and Trustee Louise Jaffe volunteered to also serve on the audit task force.

MAJOR ITEMS OF BUSINESS

**RECOMMENDATION NO. 1**

**SUBJECT:                    NEW FACULTY POSITIONS, FALL 2012**

**REQUESTED ACTION:**    It is recommended that the Board of Trustees approve the following new faculty positions for Fall 2012:

- Communication
- Dance
- English – Developmental/Transfer
- ESL
- Geology
- Interior Architectural Design
- Korean
- Medical Lab Technician
- Nursing
- Photography

**SUMMARY:**                    Over the past five years, 54 new faculty members have been added to the full-time staff. Despite the College’s budget challenges, the commitment to hiring new faculty members continues to be a major priority. The Academic Senate Joint New Faculty Position Ranking Committee is to be commended for their hard work and thoughtful recommendations.

**INFORMATION ITEM G**

**SUBJECT: UPDATE: BRAND STRATEGY/SMC VISUAL IDENTITY PROJECT**

SUBMITTED BY: Superintendent/President

**SUMMARY:** In March of last year, the Office of the Superintendent/President, in coordination with senior staff from Enrollment Development and from Institutional Communications, began a review of District branding. With Board approval, in May 2011, the District retained AdamsMorioka, a design firm of the highest quality, to provide their services for SMC brand explanation, creative strategy, and implementation of a comprehensive visual identity system. In doing so, the Board took notice of the following:

- The College now competes in an intensely competitive marketplace for fee-paying international and out-of-state students. The current state budget crisis has heightened competition.
- With the passage of AB 2297 in 2010, the College can price its offering to fee-paying students as “added value,” with the potential for improved revenue.
- The College participates in an incredibly active and proliferating digital media landscape, but lacks the visual identity system necessary to communicate its brand efficiently.
- The College has a number of enterprises and programs with separate identities that can benefit from a visual system that contains elements that can improve coordination and cross-branding.
- The College requires a visual identity system that can accommodate new enterprises.

In October 2011, AdamsMorioka reported to the Board on its findings and recommendations regarding brand strategy. As expected, the research confirmed that Santa Monica College begins with strong assets, and that there is widespread agreement on what these assets are. A prepared document provided the results of the research and discovery process, including interviews and comparisons. The research captured current perceptions, and identified how best to editorially position SMC, setting it apart from cohort institutions and setting it on a path with aspirational institutions. The document provided a recommended brand platform.

The brand strategy has been expanded based on additional interviews conducted in November 2011. A final report entitled “Go. Boldly. Inspiring a Stronger Brand for Santa Monica College” was prepared in December 2011 and is now available. The report provides the College with recommendations regarding visual identity.

Implementation of these recommendations will begin shortly. With the intent to conserve resources, the first efforts will be digital (electronic business forms, electronic letterhead, and web site for example) and paper materials will be updated as new materials are ordered. Signage will be incorporated into the upcoming building projects reflective of the new identity.

Presenting for AdamsMorioka were the principals, Sean Adams and Noreen Morioka.

MAJOR ITEMS OF BUSINESS

**RECOMMENDATION NO. 2**

**SUBJECT:** **2012-2013 NONRESIDENT TUITION RATE**

**SUBMITTED BY:** Superintendent/President

**REQUESTED ACTION:** It is recommended that the Board of Trustees adopt and establish the 2012-2013 nonresident tuition rate as follows:

- a. Non-resident tuition rate shall be \$230 per semester unit.
- b. The capital outlay recovery surcharge shall be \$19 per semester unit

**BACKGROUND:** Education Code Section (ECS) 76140 requires each district governing board to establish the nonresident tuition fee not later than February 1 for the succeeding fiscal year. Seven options are provided for calculation of the non-resident tuition rate, as represented in the following chart.

Option 1	Statewide Average Cost Calculation	\$179
Option 2	District Average Cost Calculation	\$179
Option 3	Average Cost Calculation for District with 10% or more noncredit FTES	N/A
Option 4	Contiguous District (proposed fees not yet reported)	N/A
Option 5	No more than District Average Cost, no less than Statewide Average Cost	N/A
Option 6	Highest Statewide Average Statewide Average Cost Calculation 2006-2007 through 2011-2012	\$190
Option 7	No more than 12 Comparable States' Average Tuition	\$331 Maximum

Options 6 and 7 were established as a result of the recent approval of AB 2297 (Brownley). For 2012-2013, the lowest possible nonresident tuition rate for SMC is \$179 per semester unit, and the highest possible nonresident tuition rate is \$331 per semester unit. Option 7 was used to determine SMC's 2012-2013 nonresident tuition rate of \$230 per semester unit. (This represents an increase of \$13 from the 2011-2012 rate of \$217 per semester unit.)

Education Code Section 76141 also authorizes districts to charge a capital outlay recovery surcharge so that districts may recover a prorated share of their capital outlay expenditures. (The recommended capital outlay recovery surcharge for 2012-2013 constitutes a \$3 per unit decrease from the 2011-2012 capital surcharge.)

Using the new Option 7 enables SMC to calculate the tuition rate in conjunction with the capital outlay surcharge (which fluctuates from year to year) so that the focus can be upon the total cost for students rather than its individual components. The total of the recommended nonresident tuition rate and capital surcharge represents a net increase in the cost of attendance of 4.2 percent per semester unit. When added to the \$10 increase in state enrollment fee, the total combined fee for non-resident students goes from \$275 to \$295 per semester unit; a net increase in the total cost of attendance of \$20 (7.3 percent) per semester unit.

	Current	Proposed	Change
Nonresident Tuition	\$217	\$230	+\$13
Capital Outlay Surcharge	\$22	\$19	-\$3
State Enrollment Fee for Resident and Nonresident Students	\$36	\$46	+\$10
Total	\$275	\$295	+\$20

**RECOMMENDATION NO. 3**

**SUBJECT:**                               **INCREASE OF STUDENT HEALTH FEE**

**SUBMITTED BY:**                       Superintendent/President

**REQUESTED ACTION:**               It is recommended that the Board of Trustees approve an increase to the Student Health Fee as follows: \$2.00 per semester/intersession effective Summer semester 2012. Summer 2012 fees will increase from \$13 to \$15; Spring 2012 and Fall 2012 fees will increase from \$16 to \$18.

**SUMMARY:**   The Health Services staff provides cost effective primary health care services to currently enrolled students that have paid the California State mandated health fee. Emphasis is placed on health promotion and education through information dissemination; illness prevention and treatment through advocacy; and the mental and physical overall well being of the student by encompassing a holistic approach to empower the student in to making sound health care decisions.

The services provided to enrolled and health fee paid students include:

- Emergency/first aid treatment
- Medical care and intervention
- Nursing assessment and intervention
- Vital signs screening (blood pressure, temperature, respiration, oxygen saturation)
- Tuberculin (Mantoux) skin test
- Finger stick blood sugar check
- Over the counter (OTC) medication
- Immunization/Vaccinations at cost
- Blood Mobile Donation
- Health related pamphlets and literature
- Condoms
- HIV testing and counseling administered by Common Ground Clinic
- STD/STI screening and referrals to clinics
- Gynecological services and STD/STI screening (limited) conducted by Westside Family Health Clinic (WFHC)
- Information on optional student medical and dental insurance. Brochures available at the front counter in Health Services.

Education Code Section 76355 provides the governing board of a community college district the option of increasing the student health services fee by the same percentage as the increase in the Implicit Price Deflator for State and Local Government Purchase of Goods and Services. Whenever that calculation produces an increase of one dollar above the existing fee, the fee may be increased by \$1.00.

Based on calculations by the Financial, Economic, and Demographic Unit in the Department of Finance, the Implicit Price Deflator index has now increased enough since the last fee increase of 2007 to support a one dollar increase in the student health fees.

Effective with the Summer Session of 2012, districts may begin charging a maximum fee of \$18.00 per semester, \$15.00 for summer session, \$15.00 for each intersession of at least four weeks, or \$15.00 for each quarter.

The District proposes to increase in the Student Health Fee to meet the growing need and demand for Student Health and Psychological services.

YEAR	MAXIMUM ALLOWABLE FEE		SMC STUDENT HEALTH FEE	
	Fall/Spring	Winter/Summer	Fall/Spring	Winter/Summer
Fall 2007	\$17	\$14	\$14	\$11
Winter 2011	\$17	\$14	\$16	\$13
Summer 2012	\$18	\$15	\$18	\$15

*Approved by: Jeff Shimizu, Vice President, Academic Affairs*

**New Courses – Credit**

Anthropology 10: Forensic Anthropology

Entertainment Technology 33: Advanced Digital Compositing

Comment: This is an advanced animation course focusing on techniques such as color correction, digital paint, and camera projection. The development of this course is emblematic of the dynamic and responsive nature of SMC's Entertainment Technology program so that SMC students are prepared for and competitive in the workplace. An update on SMC's technology programs will be part of the February Board of Trustees meeting.

Graphic Design 75: Mobile Design I

Interior Architectural Design 29: Computer Skills for Interior Architectural Design

Mathematics 85: Arithmetic and Pre-Algebra

Comment: The Mathematics department created Math 85, which combines Math 81 and 84, to help students accelerate through the basic skills math sequence. Rather than taking two, 3 unit courses (81 and 84), students will have the option to take Math 85, a 5 unit course, and proceed directly to Math 31. This shortens the time to college level math by one semester. This change parallels the recently developed English 85 which combines English 81A and English 84W.

**Addition of Prerequisite**

Mathematics 31: Change of prerequisite from "Math 84" to "Math 84 or Math 85"
