BP 2315 CLOSED SESSIONS

Closed sessions of the Board of Trustees shall only be held as permitted by applicable legal provisions including, but not limited to, the Ralph M. Brown Act, California Government Code, and California Education Code.

Closed sessions, with one exception, are called only during or following a regular or special Board of Trustees meeting. Before or after going into closed session, the Board shall include in the agenda or announce publicly the reasons for the closed session (e.g., to “discuss personnel issues and litigation”) and identify the statutory authority for the closed session (e.g., “Government Code Sections 54957 (personnel) and 54956.9(a)(b) and (c) (litigation).”) If the litigation relates to pending litigation the name or number of the case must be given.

The exception noted in the above paragraph is that contained in Government Code Section 3549.1(d). A closed session may be scheduled by the public college employer for the purpose of discussion with the public college employer’s representative on collective bargaining items that are within the scope of representation under Government Code Section 3543.2, and for the purposes of instructing the designated representative on the Board’s position concerning such items.

Closed sessions, with the exception of those for the purpose set forth above regarding items under the scope of representation, must be held in connection with an item appearing on the agenda, either at regular or special meetings, and must be held at the location of regularly scheduled meetings.

Matters discussed shall be kept confidential, unless a majority of Board members present in the closed session agree not to hold such matters confidential.

Closed sessions, according to law, may be held for the following reasons:

Real Estate Negotiations (Government Code Section 54956.8)

To discuss the purchase, sale, exchange, or lease of real property by or for the local agency. The purpose is to grant authority to the negotiator on price and terms of payment.
Pending Litigation (Government Code Section 54956.9)

To seek the advice of counsel on pending litigation, as defined by law. Pending litigation when discussion in open session concerning those matters would prejudice the position of the District in the litigation. Litigation is pending when any of the following circumstances exist:

(a) Proceedings before a court, administrative body, hearing officer, or arbitrator to which the District is a party, have been formally initiated.

(b) Legal counsel determines based on existing facts that there is a significant exposure to litigation.

(c) When deciding whether to litigate, closed session is proper.

The Board must indicate the authority for the closed session and, when known, the title of the case.

Personnel (Government Code Section 54957)

Consideration of the appointment, employment, evaluation of performance, discipline, or dismissal of an employee (Government Code Section 54957). The Board shall publicly report at a next public meeting the action taken and the roll call vote thereon in a prior closed session relative to the matter in this section.

To hear complaints or charges against an employee by another person or employee, unless the accused public employee requests that the complaints or charges be heard in an open session. The employee shall be given at least 24 hours written notice of the closed session.

Public Security (Government Code Section 54957)

For consideration of matters affecting the national security.

For discussion with attorney general, district attorney, sheriff, or chief of police, or their respective deputies on matters posing a threat to the security of public buildings, public services, or facilities. (Government Code Section 54957)

Labor Negotiations (Government Code Section 54957.6)

To review the District's position regarding labor negotiations and give instructions to the District's designated negotiator.
For discussion with a representative of the public college employer for the purposes of considering collective bargaining items considered within the scope of representation under Government Code Section 3543.2, and for the purpose of instructing the designated representative concerning the governing board’s position on those items.

For discussion of a state conciliator (mediator) who has intervened as authorized by law in matters affecting employer/employee relations.

**Student Discipline (Education Code Section 72122)**

For the consideration of the suspension of, or other disciplinary action or any other action in connection with any student, if a public hearing would lead to the giving out of information concerning students which would be violation of state or federal law regarding the privacy of student records, a student may request to have the hearing conducted in public in accordance with the procedures set forth in Education Code Section 72122. The final action of the Board shall be taken at a public meeting.

**Honorary Degrees (Education Code Section 72122)**

To consider the conferring of an honorary degree.

**Anonymous Donor (Education Code Section 72122)**

To consider gifts from a donor who wants to remain anonymous.

**Tort Liability Claims (Government Code Section 54956.95)**

To consider tort liability claims as part of the District’s membership in any joint powers agency formed for purposes of insurance pooling.

**Audit Report from the Bureau of State Audits (Government Code Section 54956.75)**

To consider the Board’s response to a confidential final draft audit report from the Bureau of State Audits.

The agenda for each regular or special meeting shall contain information regarding whether a closed session will be held and shall identify the topics to be discussed in any closed session in the manner required by law.

After any closed session, the Board shall reconvene in open session before adjourning and shall announce any actions taken in closed session and the vote or abstention of every member present in accordance with the provisions of Government Code Section 54957.1.
All matters discussed or disclosed during a lawfully held closed session and all notes, minutes, records, or recordings made of such a closed session are confidential and shall remain confidential unless and until required to be disclosed by action of the Board or by law.

Notices of special meetings must be delivered and received at least 24 hours in advance, either personally or by mail, to each member of the Board of Trustees, local newspapers of general circulation, and radio or television stations requesting such notices, and posted in appropriate areas for faculty, staff, students and the public. The notice shall specify the time and place of the special meeting and the business to be transacted. No business other than that included in the notice may be transacted or discussed.

Special meetings shall be open to the public in the same manner as are regular and adjourned meetings. The only exception to this requirement occurs when the Board of Trustees meets in closed session, in which case the statutes which apply to closed sessions will become effective.

Emergency Meetings
Emergency meetings may be called by the Chair of the Board when prompt action is needed because of actual or threatened disruption of public facilities under such circumstances as are permitted by the Brown Act, including work stoppage, crippling disasters, and other activity that severely impairs public health or safety. No closed session shall be conducted during an emergency meeting, except as provided for in the Brown Act to discuss a dire emergency.

The Superintendent/President shall be responsible to ensure that notice of such meetings is provided to the local news media as required by law.

BP 2340 AGENDAS

The Superintendent/President, as Secretary of the Board of Trustees, shall prepare an agenda for each regular meeting of the Board of Trustees. The agenda shall be reviewed in advance by the Board Chair at regularly scheduled agenda review meetings. The Chair may include the Vice-Chair in the agenda review meetings.

Any member of the Board of Trustees may call the Board Chair and/or the Superintendent/President and request any item to be placed on the agenda no later than one week before the meeting of the Board of Trustees.

An agenda shall be posted adjacent to the place of meeting as well as on the District’s internet website at least 72 hours prior to the meeting time for regular meetings. The agenda shall include a brief description of each item of business to be transacted or discussed at the meeting. If requested, the agenda shall be provided in appropriate alternative formats so as to be accessible to persons with a disability.

No business may be acted on or discussed which is not on the agenda, except when one or more of the following apply:

- a majority decides there is an “emergency situation” as defined for emergency meetings;
- two-thirds of the members (or all members if less than two-thirds are present) determine there is a need for immediate action and the need to take action came to the attention of the Board subsequent to the agenda being posted;
- an item appeared on the agenda of and was continued from a meeting held not more than five days earlier.

The order of business may be changed by consent of the Board of Trustees.

The Superintendent/President shall establish administrative regulations that provide for public access to agenda information and reasonable annual fees for the service.
Members of the public may place matters directly related to the business of the District on an agenda for a board meeting by submitting a written summary of the item to the Superintendent/President. The written summary must be signed by the initiator. The Board reserves the right to consider and take action in closed session on items submitted by members of the public as permitted or required by law.

Members of the public may request to place matters on the agenda for meetings of the Board of Trustees according to the following provisions:

1. Such requested agenda item shall be related to the business of the District.

2. The item shall be submitted to the Superintendent/President's Office two weeks prior to the time a regularly scheduled Board meeting is to commence. Individuals who wish to place an item on the agenda should complete a form available in the Superintendent/President's Office which includes name, address, subject of agenda item, rationale for agenda item, and a contact telephone number.

3. If the item submitted is presented for Board consideration, a summary of the item shall be placed on the agenda during Communication and Public Comments.

The Board of Trustees shall provide opportunities for members of the general public to participate in the business of the Board.

Members of the public may bring matters directly related to the business of the District to the attention of the Board in one of three ways:

1. There will be a time at each regularly scheduled Board meeting for the general public to make comments to the Board:
   a. Items not on the agenda, during Public Comments.
   b. Items on the agenda, at the time the Board reaches the item on the agenda

   Members wishing to comment on such items shall submit a written request at the beginning of the meeting to the Recording Secretary to the Board of Trustees that provides his/her name and organizational affiliation, if any. No action may be taken by the Board on items not on the agenda.

BP 2350  SPEAKERS

Persons may speak to the Board of Trustees either on an agenda item or on other matters of interest to the public that are within the subject matter jurisdiction of the Board.

Oral presentations relating to a matter on the agenda, including those on the consent agenda, shall be heard before a vote is called on the item.

Persons wishing to speak to matters not on the agenda shall do so at the time designated at the meeting for public comment.

Those wishing to speak to the Board are subject to the following:

- The Chair of the Board may rule members of the public out of order if their remarks do not pertain to matters that are within the subject matter jurisdiction of the Board of Trustees or if their remarks are unduly repetitive.

- Non-scheduled substitutes may not speak in place of scheduled speakers unless alternates have been submitted on the original request.

- Employees who are members of a bargaining unit represented by an exclusive bargaining agent may address the Board under this policy, but may not attempt to negotiate terms and conditions of their employment. This policy does not prohibit any employee from addressing a collective bargaining proposal pursuant to the public notice requirements of Government Code Section 3547 and the policies of this Board implementing that section.

Addressing the Board of Trustees

Regular Meetings of the Board of Trustees
Members of the public may address the Board of Trustees by oral presentation concerning any subject that lies within the jurisdiction of the Board of Trustees provided the requirements and procedures herein set forth are observed.
Special Meetings of the Board of Trustees
Members of the public may address the Board of Trustees by oral presentation on any item included on the agenda for consideration by the Board of Trustees, provided the requirements and procedures herein set forth are observed.

Procedure for Addressing the Board of Trustees

1. Individuals wishing to speak to the Board at a Board of Trustees meeting during Public Comments or regarding item(s) on the agenda must complete an information card with name, address, name of organization (if applicable), and the topic or agenda item on which comment is to be made.

No member of the public may speak without being recognized by the Chair of the Board.

Generally, each speaker may be allowed a maximum of five minutes per topic. If there are more than four speakers on any topic or item, the Board reserves the option of limiting the time for each speaker. Each speaker is limited to one presentation per specific agenda item before the Board and to one presentation per meeting on non-agenda matters. A speaker’s time may not be transferred to another speaker.

General Public Comments and Consent Agenda

- The card to speak during Public Comments or on a Consent Agenda item must be submitted to the recording secretary at the meeting before the Board reaches the Public Comments section in the agenda.

- Five minutes may be allotted to each speaker per topic for general public comments or per item in the Consent Agenda. The speaker must adhere to the topic. Individuals wishing to speak during Public Comments or on a specific item on the Consent Agenda will be called upon during Public Comments.

Major Items of Business

- The card to speak during Major Items of Business must be submitted to the recording secretary at the meeting before the Board reaches that specific item in the Major Items of Business in the agenda.

- Five minutes may be allotted to each speaker per item in Major Items of Business. The speaker must adhere to the topic. Individuals wishing to speak on a specific item in Major Items of Business will be called upon at the time that the Board reaches that item in the agenda.

Exceptions: The time allotment does not apply to individuals who address the Board at the invitation or request of the Board or the Superintendent/President.
2. Any person who disrupts, disturbs, or otherwise impedes the orderly conduct of any meeting of the Board of Trustees by uttering loud, threatening, or abusive language or engaging in disorderly conduct shall, at the discretion of the presiding officer or majority of the Board, be requested to be orderly and silent and/or removed from the meeting. (See BP 2355 Decorum)

3. The Board of Trustees urges that charges and complaints against any District employee be submitted to the Board in writing. This allows the Board to more carefully examine the complaint and initiate an investigation when necessary. However, no one will be prevented from making a charge or complaint to the Board because they decline to do so in writing. If a complaint is made orally, the Board may request that the individual making the complaint provide additional information to facilitate an investigation. The Board may also afford the District employee, about whom a complaint is made, the opportunity to respond either orally or in writing at the same or subsequent meeting.

- Remarks or discussion in public meetings on charges or complaints which the Board has scheduled to consider in closed session.
- Profanity, obscenity, and other offensive language.
- Physical violence and/or threats of physical violence directed toward any person or property.

In the event that any meeting is willfully interrupted by the actions of one or more persons so as to render the orderly conduct of the meeting unfeasible, the person(s) may be removed from the meeting room.

Speakers who engage in such conduct may be removed from the podium and denied the opportunity to speak to the Board for the duration of the meeting.

If order cannot be restored by the removal in accordance with these rules of individuals who are willfully interrupting the meeting, the Board may order the meeting room cleared and may continue in session. The Board shall only consider matters appearing on the agenda. Representatives of the press or other news media, except those participating in the disturbance, shall be allowed to attend any session held pursuant to this rule.

BP 2410 BOARD POLICIES AND ADMINISTRATIVE REGULATIONS

The Board of Trustees shall be the policy-making body of the Santa Monica Community College District and shall establish general policies governing the operations of the college in accordance with its Vision, Mission, Supporting Goals, and Institutional Learning Outcomes. Implicit in the adoption of policies is the understanding that the Superintendent/President is delegated the authority to carry them out.

The Board of Trustees may adopt such policies as are authorized by law or determined by the Board to be necessary for the efficient operation of the District. Board policies are intended to be statements of intent by the Board on a specific issue within its subject matter jurisdiction.

The policies adopted by the Board of Trustees are consistent with the provisions of the law, but do not encompass all laws relating to the District’s activities. All District employees are expected to know of and observe all provisions of law pertinent to their job responsibilities.

The Board of Trustees shall determine the general scope and nature of the operation of the District, but shall not make specific administrative regulations, unless:

1. law requires the Board of Trustees to do so, or
2. a particular matter is of such magnitude that the Superintendent/President should not bear the responsibility alone and needs specific action of the Board of Trustees on such matter.

The Board of Trustees shall seek the recommendation of the Superintendent/President prior to adopting, amending, repealing, or suspending any policy. The formal adoption of policies shall be recorded in the minutes of the Board of Trustees. Only those written statements so adopted and so recorded shall be regarded as official Board policy.

Policies of the Board may be adopted, revised, added to, or amended at any regular Board meeting by a majority vote. Proposed changes or additions shall be introduced not less than one regular meeting prior to the meeting at which action is recommended.
However, revisions of a technical nature that do not affect the intent of the bylaws may be adopted, amended, or repealed at a meeting in which the proposal has been submitted in writing.

The Board of Trustees shall regularly assess its policies for effectiveness in fulfilling the District’s mission.

The bylaws and the policies of the Board of Trustees shall be subject to temporary suspension upon the affirmative vote of four or more members of the Board of Trustees.

Administrative regulations are to be issued by the Superintendent/President as statements of method to be used in implementing board policy. Such administrative regulations shall be consistent with the intent of board policy. Administrative regulations may be revised as deemed necessary by the Superintendent/President.

The Board of Trustees does not adopt administrative regulations unless specifically required to do so by law, or unless requested to do so by the Superintendent/President. Adoption and amendment of such adopted regulations shall be by the same procedure as that specified for policies.

The Board of Trustees reserves the right to review and suggest revisions of administrative regulations should they, in the judgment of the Board, be inconsistent with the policies adopted by the Board.

Copies of all board policies and administrative regulations shall be readily available to District employees through the Superintendent/President.

The Superintendent/President may delegate any powers and duties entrusted to him/her by the Board, but will be specifically responsible to the Board for the execution of such delegated powers and duties.

The Superintendent/President is empowered to reasonably interpret board policy. In situations where there is no board policy direction, the Superintendent/President shall have the power to act but such decisions shall be subject to review by the Board of Trustees. It is the duty of the Superintendent/President to inform the Board of such action and to recommend written board policy if one is required.

The Superintendent/President is expected to perform the duties contained in the Superintendent/President job description and fulfill other responsibilities as may be determined in annual goal-setting or evaluation sessions. The job description and goals and objectives for performance shall be developed by the Board in consultation with the Superintendent/President.

The Superintendent/President shall ensure that all relevant laws and regulations are complied with, and that required reports are submitted in timely fashion.

The Superintendent/President shall make available any information or give any report requested by the Board as a whole. Individual trustee requests for information shall be met if, in the opinion of the Superintendent/President, they are not unduly burdensome or disruptive to District operations.

The Superintendent/President shall act as the professional advisor to the Board in policy formation.

3. Provide for the membership of part-time faculty members in the Academic Senate.

   C. The committee chair shall be a faculty member appointed by the Academic Senate President after consultation with the Superintendent/President or designee.
   D. The committee secretary shall be an administrator appointed by the Superintendent/President or designee after consultation with the Academic Senate President.

F. The Academic Senate and the Superintendent/President shall mutually agree on the addition of any classified staff and students to the designated joint committees.

5. If, within one month, during the Fall and Spring semesters when the Academic Senate is in session, either party fails to ratify the policy development and implementation recommendation, the Academic Senate President and the Superintendent/President shall decide, within ten working days from the date, which of the following options shall be used to resolve the impasse.

A. Send the recommendations back to the committee of origin and direct them to develop a new recommendation.

B. The Academic Senate and the Superintendent/President shall both delegate their ratification authority to the committee of origin and the committee's final recommendation shall become the recommendation on the issue.

C. The Academic Senate President and the Superintendent/President shall resolve the issue independent of the committee of origin.

6. The Senate reserves the right, after consultation with the administration, to present its concerns and recommendations directly to the Board and the Board shall respond to the Senate.

Nothing in this Board policy shall be construed to impinge upon the due process rights of faculty, nor to detract from any negotiated agreements between collective bargaining representatives and the Board of Trustees.
It is the intent of the Board of Trustees to respect agreements between the Academic Senate and the Faculty Association as to how they will consult, collaborate, share, or delegate among themselves the responsibilities that are or may be delegated to the Academic Senate pursuant to these recognitions.
