**SANTA MONICA COMMUNITY COLLEGE DISTRICT
BOARD OF TRUSTEES
REGULAR MEETING
MONDAY,
SEPTEMBER 8, 2008**

Santa Monica College
1900 Pico Boulevard
Santa Monica, California

5:30 p.m. – Call to Order
Closed Session

6:30 p.m. – Public Meeting
Board Room (Business Building Room 117)

*The complete agenda may be accessed on the
Santa Monica College website:*

<http://www.smc.edu/admin/trustees/meetings/>

Any disclosable public records related to an open session item on the agenda and distributed to the Board of Trustees less than 72 hours prior to the meeting are available for public inspection in the office of the Superintendent/President, 2714 Pico Boulevard, Santa Monica, during normal business hours.

Written requests for disability-related modifications or accommodations, including for auxiliary aids or services that are needed in order to participate in the Board meeting are to be directed to the Office of the Superintendent/President as soon in advance of the meeting as possible.

PUBLIC PARTICIPATION
ADDRESSING THE BOARD OF TRUSTEES

Members of the public may address the Board of Trustees by oral presentation **concerning any subject that lies within the jurisdiction of the Board of Trustees** provided the requirements and procedures herein set forth are observed:

- I. Individuals wishing to speak to the Board at a Board of Trustees meeting during Public Comments or regarding item(s) on the agenda must complete an information card with name, address, name of organization (if applicable) and the topic or item on which comment is to be made.

Five minutes is allotted to each speaker per topic. If there are more than four speakers on any topic or item, the Board reserves the option of limiting the time for each speaker. A speaker's time may not be transferred to another speaker.

Each speaker is limited to one presentation per specific agenda item before the Board, and to one presentation per Board meeting on non-agenda items.

General Public Comments and Consent Agenda

- The card to speak during Public Comments or on a Consent Agenda item must be submitted to the recording secretary at the meeting **before** the Board reaches the Public Comments section in the agenda.
- Five minutes is allotted to each speaker per topic for general public comments or per item in the Consent Agenda. The speaker must adhere to the topic. Individuals wishing to speak during Public Comments or on a specific item on the Consent Agenda will be called upon during Public Comments.

Major Items of Business

- The card to speak during Major Items of Business must be submitted to the recording secretary at the meeting **before** the Board reaches that specific item in the Major Items of Business in the agenda.
- Five minutes is allotted to each speaker per item in Major Items of Business. The speaker must adhere to the topic. Individuals wishing to speak on a specific item in Major Items of Business will be called upon at the time that the Board reaches that item in the agenda.

Exceptions: This time allotment does not apply to individuals who address the Board at the invitation or request of the Board or the Superintendent

2. Any person who disrupts, disturbs, or otherwise impedes the orderly conduct of any meeting of the Board of Trustees by uttering loud, threatening, or abusive language or engaging in disorderly conduct shall, at the discretion of the presiding officer or majority of the Board, be requested to be orderly and silent and/or removed from the meeting.

No action may be taken on items of business not appearing on the agenda

NOES:

The 2008-2009 Adopted Budget features a change in presentation to incorporate the potential expenditures related to filling approved vacant positions. In the prior fiscal year, the Adopted Budget did not include in the major line item budget projected costs of vacancies or their related benefit costs; instead they were represented in the Designated Reserve section. For fiscal year 2008-2009, such costs have been included in the major line item budget to represent the potential expenditures when filling vacant positions during the course of the fiscal year. As the year progresses a new line will be added to the major line item budget called "Vacancy Savings". This line will represent the savings to the District during the year generated by unfilled vacancies.

The 2007-2008 fiscal year closed with an Unrestricted General Fund ending balance estimated at \$18,797,976 or 14.48%. The Adopted Budget for 2008-2009 projects an ending Unrestricted General Fund Balance of \$9,674,791 or 6.93%.

It is important to note that, due to the late adoption of the State budget, the California Community College Chancellor's Office has yet to distribute accurate budgetary information. While the District feels reasonably comfortable with its projections, there may need to be significant revisions once the CCCCCO releases its budgetary information.

GENERAL FUND

General Fund Unrestricted Revenues (01.0)

These are the only funds available for the general operations of the College. All other funds are restricted.

Federal Revenue

The federal revenue levels for 2008-2009 are projected at the 2007-2008 rate adjusted for projected increases in financial aid, as notification has not been received regarding all of the 2008-2009 funding.

State Revenue

During the 2007-2008 fiscal year the District went into stabilization. This essentially means that the District reported to the State a loss of credit FTES (Full Time Equivalent Students) from the prior fiscal year. Under stabilization, the District was given a one year window to make up the lost FTES without losing funding. During the 2007-2008 fiscal year the District exceeded the projected 2007-2008 FTES restoration of 500 FTES by generating 873.27 of the 1,741.31 FTES needed to bring the District back to the FTES level prior to stabilization. This adopted budget includes projected FTES restoration in 2008-2009 of 450 FTES, bringing the District much closer to full restoration than was projected in the 2007-2008 adopted budget.

The state funding formula is based on the combination of property taxes, enrollment fees and principal apportionment funds added together to equal the estimated State General Revenue. The figures in the adopted budget are based on preliminary information from the Chancellor's Office adjusted by the District's projections. If actual receipts of either property taxes or enrollment fees differ from projections, principal apportionment funding will be adjusted to keep the formula constant.

The State Lottery revenues are paid each year according to the annual enrollment figures. The projected growth in enrollment will result in an increase of Lottery related revenue.

In the revenue account titled "Other State Revenue" the District has placed the estimated 2008-2009 revenue for part-time faculty compensation, health insurance, and office hours.

Local revenue figures reflect the preliminary projection of property taxes of \$10,478,051. This is a combination of property tax shift, homeowner's exemption, secured taxes, unsecured taxes, supplemental taxes, RDA pass through and prior years' taxes. The non-resident tuition line item includes both revenue generated from non-resident tuition and revenue from special Intensive ESL classes for international students. The revenue generated by the capital surcharge for non-resident students is shown in Fund 40.0.

General Fund Unrestricted Expenditures (01.0)

The expenditure projections reflect appropriate step, column and longevity increases for all qualified employees. They also include the incorporation of costs related to any contractual increases and filling of vacant positions as noted. (These are included in the budget under the new lines titled "Vacant Positions" and "Benefits Related to Vacant Positions")

The expenditure budget also reflects increases in hourly instruction and non-instruction expenditures to reflect the District's efforts to achieve increased FTES. There are also increased operational expenditures associated with the opening of new facilities.

The Contracts/Services line item in the adopted budget include: Rents/Leases (i.e. Madison Site, Swimming Pool, Big Blue Bus) 20%, Other Contract Services (i.e. Pest Control, Elevator Maintenance) 18%, Advertising (targeted to increase FTES) 12%, Repairs and Maintenance of Equipment/Facilities 11%, Bank Fees and Bad Debt 7%, Postage and Delivery Services 6%, Legal Services (including Personnel Commission) 6%, Conferences and Training 5%, Consultants 4%, Off Campus Printing 4%, LACOE Contracts (i.e. PeopleSoft, HRS) 2%, Memberships and Dues 1%, Audit 1%, and Other Services (i.e. Software Licensing, Mileage, Professional Growth, Fingerprinting, Board Meetings, Field Trips) 3%.

RESTRICTED FUNDS

General Fund Restricted (01.3)

This fund represents restricted funding that is received by the District from Federal, State and Local sources. The restricted lottery revenue is by law allocated to the purchase of instructional materials. All grants that do not end by June 30, 2009 will be carried over to the 2009-2010 budget.

When received, new grants will be presented to the Board of Trustees for approval and the District's budget will be augmented to reflect the increase.

Special Reserve Fund (40.0) Capital

This fund is also known as the Capital Expenditures Fund. State funding for capital projects and required expenditure matches to State funding for scheduled maintenance/physical plant and special repair projects and architectural barrier removal are reflected in this fund. The non-resident capital charge is also a revenue source to this fund. These funds are used for capital outlay related projects, including the installment payments for the AET Certificate of Participation and any District required expenditure matches for scheduled maintenance/physical plant and special repair projects and architectural barrier removal.

In the 2007-2008 fiscal year the District received the last payment related to the Redevelopment Agreement with the City of Santa Monica-Redevelopment Agency for the Humanities and Social Sciences (Liberal Arts Replacement) Project. The line item titled "Local Income – Redevelopment" is presented in this budget as reference to 2007-2008 activity only.

All capital expenditures and revenue in the Special Reserve Fund, as well as Fund 41.0, Fund 42.1, Fund 42.2, and 42.3 reflect the total expenditure allocation and the total revenue for all projects, and are not limited to the current year, thus resulting in a zero ending balance. Money in these funds may not be transferred into the general fund.

Earthquake Fund (41.0)

This fund reflects the FEMA and OES funding received and expended as a result of the damage incurred at Santa Monica College due to the 1994 Northridge Earthquake. These funds are for the Humanities and Social Sciences (Liberal Arts Replacement) Project, the District's last earthquake project.

Bond Fund Measure U (42.2)

This fund reflects the revenue from the sale of bonds approved through Measure U and the interest earned in the fund. The expenditures in this fund relate to the College construction plan approved under Measure U.

Bond Fund Measure S (42.3)

This fund reflects the revenue from the sale of bonds approved through Measure S and the interest earned in the fund. The expenditures in this fund relate to the College construction plan approved under Measure S.

Bond Interest and Redemption Fund (48.0)

This fund is administered by the Los Angeles County Treasurer's Office and reflects the receipt of property tax revenue due to voted indebtedness for bond issues and the payment of interest on those bonds plus the redemption of the bonds that mature within the 2008-2009 fiscal year. This information is provided by the Los Angeles County Treasurer's Office through the Los Angeles County Office of Education.

Student Financial Aid Fund (74.0)

This fund consists of all student financial aid programs (PELL, SEOG, EOPS and Cal Grants). Transfer line items reflect a transfer from the Unrestricted General Fund to meet the match requirements of the individual grant programs.

Auxiliary Operations

This budget reflects the revenue and expenditures of the auxiliary operations of the District, namely the Bookstore, the food and vending concessions, and college expenditures in programs such as Athletics, Music, Theatre Arts, the *Corsair* student newspaper and transportation.

CONCLUSION

This is the recommended budget for adoption. It reflects the best information currently available. It is expected that changes will occur during the year. Some changes will be the result of revised state revenue, and others will be internal adjustments resulting from new or updated information.

K.	Revenues Over(Under) Expenditures (I.3 - J.3)	3,508,607	2,837,380	2,837,380	
L.	Adjusted Fund Balance, Beginning	15,960,596	15,960,596	15,960,596	
L.1	Fund Balance, Ending (C. + L.2)	19,469,203	18,797,976	18,797,976	
M.	Percentage of GF Fund Balance to GF Expenditures (L.1 / J.3)	15.8%	14.5%		

V. Has the district settled any employee contracts during this quarter? **NO**

If yes, complete the following: (If multi-year settlement, provide information for all years covered.)

Contract Period Settled	Management	Academic	Classified

(Specify) YYYY-YY			Permanent		Temporary			
	Total Cost Increase	% *	Total Cost Increase	% *	Total Cost Increase	% *	Total Cost Increase	% *
a. SALARIES:								
Year 1:								
Year 2:								
Year 3:								
b. BENEFITS:								
Year 1:								
Year 2:								
Year 3:								

* As specified in Collective Bargaining Agreement or other Employment Contract

c. Provide an explanation on how the district intends to fund the salary and benefit increases, and also identify the revenue source/object code.

VI. Did the district have significant events for the quarter (include incurrence of long-term debt, settlement of audit findings or legal suits, significant differences in budgeted revenues or expenditures, borrowing of funds (TRANS), issuance of COPs, etc.)? NO

If yes, list events and their financial ramifications. (Enter explanation below, include additional pages if needed.)

VII. Does the district have significant fiscal problems that must be addressed? This year? NO
Next year? YES

If yes, what are the problems and what actions will be taken? (Enter explanation below, include additional pages if needed.)

As the District comes out of stabilization, it is projecting a decrease from the 2007-2008 base of 418.04 credit FTES in 2008-2009. (This is related to Summer 2006 borrowing/Compton Instructional Services Agreement.) This decrease in FTES and the current outlook for the System Budget in 2008-2009 (No COLA, limited funding) will require the District to draw down on its Reserves. Additionally due to the late adoption of the State budget and the related delay in apportionment payments coupled with the deferral of payments projected at the beginning of the calendar year the District will face serious cashflow issues. These cash flow issues will result in interfund borrowing and borrowing from the County Treasurer. The negative effect of this borrowing will be a significant drop in revenue generated from interest earned on cash. In 2008-2009 the reduction of revenue will be approximately \$568,000 from 2007-2008 levels.

MAJOR ITEMS OF BUSINESS

INFORMATION ITEM G

SUBJECT: **CAREER TECHNICAL EDUCATION**

SUBMITTED BY: Superintendent/President

SUMMARY: Vice-President of Academic Affairs Jeff Shimizu and Dean of Workforce Development/Occupational Education Chito Cajayon will present an overview of the following report on Santa Monica College Career Technical Education programs.

CAREER & TECHNICAL EDUCATION

Goal: Academic Advancement and Quality

- Improve student achievement /improve retention for all student populations
- Strengthen Vocational Program Offerings

Santa Monica College (SMC) is in a good position to address the changing dynamics of the Westside region. A positive business climate and a collaborative theme permeating throughout the region's educational system allow many opportunities for the college enabling it to be in alignment with the trends of business and industry.

Current Vocational Educational Menu

SMC is approved by the CA Chancellor's Office to offer 43 certificate and 31 degree programs. The following degree/certificate programs are offered through 9 vocational departments:

Area	Name of degree/certificate	Approx. # of students	AA degree	Certificate

Highlights

AET - Revised certificates in Digital Media (level I & 2), Digital Effects and Game Development have been revised to meet industry standards. New certificates in 3D Modeling and 3D Animation are currently in production.

Accounting – The Business Department has developed one of the few select programs statewide that offer a full online certificate program and the Professional Accountant Program which allows advanced students to sit for the CPA Board exam.

Business – Continues to be our largest major course of study with 8 degree/certificate options

ECE – Faculty are working on the Curriculum Alignment Project – CAP: Revising 8 ECE course outlines to align with the CAP course outlines. This will assist students to transfer to CSU and continue their education without having to repeat coursework.

Graphic Design – Increased student enrollments as a result of curriculum revisions and the addition of online courses beginning Spring 2008. The Department has instituted a Student Portfolio Review, Student survey, and tracking system for students moving into the industry. Currently working on a Web Design Certificate

Interior Architectural Design – SMC students and faculty continue to receive numerous industry awards. Course conversions to online platform have been submitted to the Curriculum Committee. A new Green Design course has been developed for review. The Department continues to expand the internship program and recruitment of top professionals in the field as adjunct faculty.

Logistics - The Business Department offered its new 3-unit logistics course in the Spring of 2008. There were 19 enrollments at the start of the class and 18 successfully completed at the end of the semester. SMC intends to build upon the success of this 3-unit course by developing more courses that align with the trends of the logistics industry. It hopes to be approved by the CA Chancellor's Office as a full program that offer a degree recognized throughout the industry. With a limited number in educational options throughout the Southern California region, SMC is poised to address this emerging area and should expect more enrollments in the future.

Nursing – 74 Graduates for 2007-8. The Department has increased new student enrollment by 20 for a total of 50 for Fall 2008. The generic program has been converted to an online platform. Attrition rate in

first semester nursing course for Spring 2008 (7.5%) compared to Fall 2007 (20%). Director of Grants and Health Science Department managing over 1.4 million in Nursing related grants.

Respiratory Therapy - Record enrollments for Fall 2008. Increased clinical program participation by 20% (62 students). The graduating class of June 2008 have a 96% pass rate on their CA License Board exams. All graduates have been offered employment.

SIGGRAPH – Dean Katharine Muller organized conference participation in August 2008. 26 faculty and 19 student volunteers handed out 2800 brochures on Digital Programs at SMC. 500 student contacts were established.

Strengths

SMC is constantly procuring local, state and federal grants to add support to the CTE development process. This strength enables the college to work closely with business and industry and create the necessary partnerships to ensure a strong support mechanism from external educational sources. More and more, grants are being aligned to address emerging trends as they relate to career and technical education. The development and deployment of the logistics course is an example of these efforts - with more courses in a range of occupational disciplines anticipated in the future.

Emerging Trends

For the Westside region, there are trends which have transcending qualities that affect many types of jobs in a variety of industries. Any effort to create career and technical education courses need to be in alignment with such trends in order to better prepare students for their future jobs and careers. The following gives an indication to the factors that exist in the local region – with some having a direct affect on the way businesses operate:

- The Environmental Movement – more and more jobs are being recognized as having a connection with the environmental movement.
- Expanding Digital Skill Sets – more jobs are requiring a combination of digital skills as part of the normal day-to-day job duty.
- Allied Health Care – the aging population will continually need a bigger workforce in the provision of specialized health services.
- Multi-Media/Arts – many software applications are constantly being made available to allow the end-user’s creativity to thrive.

Westside Region Market Analysis/Industry Scan

The Westside region hosts a variety of industries. Based on City of Santa Monica labor market information data, the top five industries include the following:

1. Professional, technical, and scientific
2. Healthcare and Social Assistance
3. Retail Trade
4. Information
5. Arts, Recreation, and Entertainment

Plans to Expand/Enhance Career & Technical Education – Future Courses

To ensure SMC’s status as a premier institute of higher learning, efforts to broaden its menu of career and technical education are needed. Course offerings that align with the trends of business and industry and cater to the diverse schedules of the college’s customers (including the working professional) will be best received. To accomplish this objective, SMC will consider the following:

EXPAND EDUCATION MENU TOWARDS EMERGING TOPICS

Beginning in 2008, new topics in vocational education will be pursued that include, but are not limited to, the following:

• Solar Technology	• Allied Healthcare (medical/technology)
• Digital Media (Creative Industries)	• Financial Management/Insurance
• Sustainable Design	• Advanced Transportation / Alternative Fuels

DEVELOP A NON-CREDIT VOCATIONAL EDUCATION MENU

SMC currently does not offer vocational non-credit courses - only English-as-a Second Language courses. A closer look at this area needs to be made in order to address the local community’s need for more short-term and cost-effective training options. Such courses can be the ‘feeder-mechanism’ for the college’s credit-based vocational departments - assisting many economically-disadvantaged individuals in accessing affordable skills training activities. The following list describes the initial non-credit course topics that relate to college’s Career and Technical Education strategy:

- Job-Readiness and Workforce Preparation
- Front Desk Representative/Administrative Assistant
- Shipping/Receiving
- Customer Service/Reservation Clerk

NOTE: SMC’s vocational departments will be encouraged to provide input as to the development of all future non-credit vocational education topics. This will ensure their complementary role to the credit-based course menu and eliminate concerns relative to competition and duplication.

Conclusion

Santa Monica College needs to continue expanding and enhancing its educational service to address the needs of all students. This includes people seeking to obtain affordable education in order to transfer credits to the four-year university level as well as those in need of new skills just to become competitive in today’s job market. Both cohorts of students need to have the fullest array in options – short-term, non-credit vocational, certificate, and credit-based courses.

Santa Monica College Automotive Program

Overview

Santa Monica College (SMC) has developed a partnership with Lexus/Toyota in order to deploy an automotive program that aligns with the emerging trends of the automotive industry. Through this partnership, the college will have access to Lexus/Toyota facilities in order to conduct an initial list of automotive courses.

The following initial courses have been approved through SMC's standard process and are designed to develop the foundational skills of people wishing to enter the automotive industry or expand existing skills to meet emerging trends:

- AUTO 40 Automotive Maintenance and Operation (3 units)
- AUTO 45 Automotive Braking Systems (3 units)
- AUTO 46 Automotive Electrical Systems (3 units)
- AUTO 50 Hybrid Technology (3 units-under development)

Industry Partnership Strategy

Due to facility constraints, the college has reached out to the local community and obtained support directly from a sponsoring company (Lexus/Toyota). By doing so, SMC will be able to meet the educational training needs of the Westside region's automotive sector while assisting people wishing to transition in to another career.

College Commitment and Supportive Resources

SMC is committed to supporting this partnership and has procured/set-aside VTEA funds in order to facilitate the start-up of the training activities and cover the costs of the initial training aides and equipment. With support from business/industry, coming primarily in the form of facilities, the college can begin offering the course(s) listed above as soon as Spring of 2009.

Santa Monica College personnel will also leverage support from its categorically-funded projects to inform frontline counselors and other faculty in the region's high school system. This will promote the new courses and help increase the potential for student enrollments.

At the end of Spring 2010, SMC will assess whether the initial courses (per semester) have reached SMC's enrollment goals and re-evaluate the topic of a dedicated automotive program. The college will determine if enough students successfully enrolled and completed the course(s) – solidifying the need for a separate and distinct program. Should the courses meet expected enrollment goals and be deemed viable as a Career and Technical Education program, SMC will review all its options taking into consideration the following:

- Consider possible leasing options which have the capacity to meet total program requirements
- Consider college campus locations that have the capacity to meet industry trends
- Consider other industry-related locations as an alternative to those of the Lexus/Toyota facilities

SMC hopes that this pilot effort, as supported by business and industry, will provide the educational service that addresses the short- and long-term needs of the Westside automotive sector. Furthermore, the college hopes to continually refine its course offerings in order to stay abreast of the industry's emerging trends.

Operational Strategy

SMC will offer company-located courses in accordance with the following details:

- Evenings (6:00 – 10:30 p.m.) (Faculty set-up will begin at 6 pm; classes will be held from 7-10 pm; cleanup from 10-10:30 pm.)
- Monday through Friday
- Facilities: designated auto-lifts/bays

SMC instructors will be responsible for all course set-ups ensuring the safe and secure maintenance of all SMC property. Instructors will also ensure all facilities provided by partner companies (including any rented parking spaces) will be maintained in accordance with pre-established standards. Risk to students and faculty will be assumed by the college in accordance with standard risk management policies.

Anticipated Outcomes

By deploying these courses in partnership with Lexus/Toyota, SMC will be able to meet industry's need for qualified skilled workers while allowing the college to benefit from a well-recognized automotive corporation.

Specifically, these courses will be able to achieve the following:

- Allow convenient access by incumbent workers to the education and training needed to meet industry trends (i.e., hybrid technology, alternative fuels, etc.)
- Develop the skills of new workers who are interested in working within the automotive industry

MAJOR ITEMS OF BUSINESS

RECOMMENDATION NO. 4

SUBJECT: **APPOINTMENT TO CITIZENS' BOND OVERSIGHT COMMITTEE**

SUBMITTED BY: Trustee Nancy Greenstein

REQUESTED ACTION: It is recommended that the Board of Trustees approve the appointment of Luis Suarez as the student representative to the Citizens' Bond Oversight Committee for 2008-09.

SUMMARY: The bylaws state that the Citizens' Bond Oversight Committee shall consist of a minimum of seven (7) members appointed by the Board of Trustees as required by Government Code Sections 54950-54962 and Education Code Sections 15278, 15280 and 15282, with at least:

Category

1. one representative of the business community within the District
2. one person active in a senior citizens' organization
3. one person active in a bona fide taxpayers' organization
4. one student who is currently enrolled at SMC
5. one person active in the support and organization of the District
6. additional appointees to represent the communities of Santa Monica and Malibu

MAJOR ITEMS OF BUSINESS

RECOMMENDATION NO. 5

SUBJECT: SECOND READING AND APPROVAL – BOARD POLICY SECTION 6255, DELEGATION TO ENTER INTO AND AMEND CONTRACTS

SUBMITTED BY: Superintendent/President

REQUESTED ACTION: It is recommended that the Board of Trustees conduct a second reading and approve Board Policy Section 6255 – Delegation to Enter Into and Amend Contracts, are presented for a second reading and approval.

BP 6255 Delegation to Enter Into and Amend Contracts

The Superintendent/President is authorized by the Board of Trustees to:

- a. Contract for goods, services, equipment and rental of facilities, and accept grants as authorized by statutes for amounts of \$50,000 or less.
- b. Amend any contractual arrangement provided that changing the rate, period of time for the contract, and/or any other contractual term or condition does not result in a total expenditure of funds that would exceed \$50,000.
- c. Agree to binding arbitration if the Superintendent/President determines that it is an appropriate business decision to do so.
- d. All actions will be subject to Board approval and will be presented to the Board in summary format on a monthly basis for ratification.

Signatures on contracts are limited to those designated by the Superintendent/President and included on the annual Authorized Signature Resolution on file in the Los Angeles County Office of Education.

The Board of Trustees will periodically review this policy.

Reference: Education Code Sections 81655, 81656
Public Contract Code Section 20651

SUMMARY: This authorization is requested in order to implement contracts and payments in amounts of \$50,000 or less in a timely manner. Authorization includes, but is not limited to, acceptance of grants, payment of stipends, contracts for services and facilities. Revisions suggested at the first reading on July 7, 2008 have been incorporated.

Education Code Section 81655 states that the Board of Trustees may delegate the power to contract to the Superintendent/President and that such delegation of power may be limited as to time, money or subject matter. This policy is consistent with the practice of the City Manager of Santa Monica and the Los Angeles Community College District.

8-C MEMORANDUM OF UNDERSTANDING (MOU) FOR SANTA MONICA PRESCHOOL COLLABORATIVE, 2008-2009

Requested by: *Jenny Trickey, Director, Childcare Services*
Approved by: *Michael Tuitasi, Vice President, Academic Affairs*
Requested Action: *Approval/Ratification*

Participating Agencies: Santa Monica-Malibu Unified School District, (SMMUSD) and Santa Monica Community College District (SMCCD)

Services: The mission of the Santa Monica Preschool Collaborative is to provide staff for full day/full year child care and development services to approximately 84 Santa Monica area children under the age of six. Services will be delivered in two sites: John Adams Child Development Center and Washington West Preschool. SMMUSD will be the operational agent for the Collaborative and will be responsible for staffing, management and oversight of the centers.

Duration of MOU: July 1, 2008 – June 30, 2009

Funding Source: 2008-09 District Budget

Terms of MOU: The Program Advisory Committee composed of representatives of the SMMUSD and SMC will guide the Collaborative (the terms are the same as those for the 2007-08 agreement):

As a participating agency, SMMUSD will:

- With input from the Program Advisory Committee, will be responsible for recruiting, selection, training and supervising the staff at Adams and Washington West.
- work with SMC to establish Collaborative preschools at work study sites,
- work with SMC to offer an internship program and implement a Mentor program
- assume responsibility for daily operations of Adams and Washington West sites
- be responsible for meeting all requirements as set forth by the preschool services contract with the Department of Education
- identify and refer children, and offer priority enrollment to students, faculty and staff of SMC when there are vacancies
- be responsible for meeting all Head Start requirements
- provide teaching staff for 20 children for a 3.5-hour per day program, up to eleven months per year
- provide materials and supplies for children in the Head Start program

As a participating agency, SMCCD will:

- supervise practicum students from child development and early childhood education classes at all sites
- provide training on desired results and assist with professional development plans for teachers and assistants
- coordinate recruitment efforts with others members of the collaborative
- underwrite the Collaborative in an amount not to exceed \$200,000 annually to assure that SMMUSD expenses are covered to that limit.

RECOMMENDATION NO. 18 PURCHASING

Requested by: Keith Webster, Director, Purchasing
 Approved by: Randy Lawson, Executive Vice-President
 Requested Action: Approval/Ratification

18-A AWARD OF PURCHASE ORDERS

Establish purchase orders and authorize payments to all vendors upon delivery and acceptance of services or goods ordered. All purchases and payments are made in accordance with Education Code requirements and allocated to approved budgets. Lists of vendors on file in the Purchasing Department

July 1 – July 31, 2008 \$7,218,655.47

18-B DECLARATION AND DONATION OF SURPLUS COMPUTER EQUIPMENT AND VEHICLE

Requested by: Tom Corpus, Grounds and Landscape Supervisor
 Approved by: Randy Lawson, Executive Vice-President

- (1) Declare as surplus miscellaneous computers and monitors and authorize the District to donate the computers to the Riordan Foundation and SMMUSD because they have been determined to be of insufficient value to defray the cost to sell.

Comment: This action is in accordance with SMC Board Policy 6531 and Education Code section 81452.

18-C PURCHASING AGREEMENTS AND AUTHORIZATION OF PURCHASE ORDERS

Authorize the use of the following competitively bid purchase agreements and the award of purchase orders as follows:

- I. City of Los Angeles Department of Water and Power (LADWP) Bid #715; Contract # 715-01-7 with Metro Video Systems, Inc. for an amount not to exceed \$585,000 for video security equipment, installation and three years of preventative maintenance services for Campus Safety Project.

Funding Source: Measure U Bond Funds

Comment: This contract allows for public education entities in the State of California to place orders under these competitively bid contracts. Public Contracts Code Section 20652 allows the District to purchase through other public agencies without advertising for bid. There are significant cost savings to the district by joining in purchasing agreements with other agencies.

BOARD POLICY

RECOMMENDATION NO. 19

SUBJECT: **FIRST READING – BOARD POLICY SECTION 1511, MEETINGS OF THE BOARD OF TRUSTEES**

SUBMITTED BY: Superintendent/President

REQUESTED ACTION: It is recommended that the Board of Trustees conduct a first reading of Board Policy Section 1511 – Meetings of the Board of Trustees, Regular Meetings.

BP 1511 Regular Meetings

Regular meetings of the Board of Trustees shall be held in accordance with the adopted annual schedule of meetings unless changed by the Board in a subsequent regular meeting. The Board of Trustees shall annually adopt a calendar of regular meetings to be scheduled the second Monday of the month, unless indicated otherwise. When the second Monday falls on a legal holiday, or on a day observed as a legal holiday, the regular meeting shall be held on the next business day at the usual place and time unless the Board of Trustees formally votes to meet at some other time and/or place.

All regular meetings of the Board shall be held within the boundaries of the District except in cases where the Board is meeting with another local agency or is meeting with its attorney to discuss pending litigation if the attorney's office is outside the District.

All regular meetings of the Board shall be open to the public, be accessible to persons with disabilities, and otherwise comply with Brown Act provisions, except as required or permitted by law.

Reference: Education Code Section 72000
Government Code Sections 54950-54963, 54961

*Reviewed and Adopted: 5/1/2000
Revised 12/2005*

COMMENT: The proposed revision to Board Policy Section 1511 would allow flexibility for the Board to adjust its meeting schedule without having to revise the policy. The Board meets requirements of the Education Code to fix the time and place for regular meetings by adopting its annual schedule of meetings, so it is not necessary to include the specific day in the policy.

BOARD OF TRUSTEES

SANTA MONICA COMMUNITY COLLEGE DISTRICT

REGULAR MEETING

September 8, 2008

XI. BOARD COMMENTS AND REQUESTS**XII. ADJOURNMENT**

The meeting will be adjourned in memory of **Jean Evelyn Allan**, mother of SMC Life Science professor Douglas Allan; **Joe Robbins**, Emeritus College Band clarinet player; and **Frances Wofford**, SMC tutoring facilitator in the 1980's and mother of Lisa Battalia Welser, a counselor at SMC for 17 years.

The next regular meeting of the Santa Monica Community College District Board of Trustees will be held on **Tuesday, October 7, 2008** at 7 p.m. (5:30 p.m. if there is a closed session) in the Santa Monica College Board Room and Conference Center, Business Building Room 117, 1900 Pico Boulevard, Santa Monica, California.

The agenda for the next meeting will include the following:

- Report on ARCC (Accountability Reporting for Community Colleges)
- Adoption of Schedule of Board of Trustees Meetings, 2009
