Written requests for disability-related modifications or accommodations, including for auxiliary aids or services that are needed in order to participate in the Board meeting are to be directed to the Office of the Superintendent/President as soon in advance of the meeting as possible.

# PUBLIC PARTICIPATION Addressing the Board of Trustees

Members of the public may address the Board of Trustees by oral presentation **concerning any subject that lies within the jurisdiction of the Board of Trustees** provided the requirements and procedures herein set forth are observed:

I. Individuals wishing to speak to the Board at a Board of Trustees meeting during Public Comments or regarding item(s) on the agenda must complete an information card with name, address, name of organization (if applicable) and the topic or item on which comment is to be made.

Five minutes is allotted to each speaker per topic. If there are more than four speakers on any topic or item, the Board reserves the option of limiting the time for each speaker. A speaker's time may not be transferred to another speaker.

Each speaker is limited to one presentation per specific agenda item before the Board, and to one presentation per Board meeting on non-agenda items.

#### General Public Comments and Consent Agenda

- The card to speak during Public Comments or on a Consent Agenda item must be submitted to the recording secretary at the meeting **before** the Board reaches the Public Comments section in the agenda.
- Five minutes is allotted to each speaker per topic for general public comments or per item in the Consent Agenda. The speaker must adhere to the topic. Individuals wishing to speak during Public Comments or on a specific item on the Consent Agenda will be called upon during Public Comments.

#### Major Items of Business

- The card to speak during Major Items of Business must be submitted to the recording secretary at the meeting **before** the Board reaches that specific item in the Major Items of Business in the agenda.
- Five minutes is allotted to each speaker per item in Major Items of Business. The speaker must adhere to the topic. Individuals wishing to speak on a specific item in Major Items of Business will be called upon at the time that the Board reaches that item in the agenda.

Exceptions: This time allotment does not apply to individuals who address the Board at the invitation or request of the Board or the Superintendent

2. Any person who disrupts, disturbs, or otherwise impedes the orderly conduct of any meeting of the Board of Trustees by uttering loud, threatening, or abusive language or engaging in disorderly conduct shall, at the discretion of the presiding officer or majority of the Board, be requested to be orderly and silent and/or removed from the meeting.

No action may be taken on items of business not appearing on the agenda

#### **INFORMATION ITEM G**

SUBJECT: FACILITIES MASTER PLAN UPDATE

SUBMITTED BY: Superintendent/President

SUMMARY: The report will be presented by Marty Borko from the architecture and planning firm Gensler.

The Facilities Master Plan was last updated in 1998. The plan consisted of a set of goals and objectives for future facility needs. With the passage of Measure U in 2002 and Measure S in 2004 the funding necessary to start the implementation of the 1998 plan was made available. The plan detailed several major projects that have since been completed including the Municipal Pool, Replacement of Parking Structure B and below grade Auto Court, Replacement of Liberal Arts Building (Humanities and Social Science), Library Expansion, and Campus Quad. Still in progress from the 1998 plan is the Student Services Complex.

With the planning starting for a 2008 bond issue, Gensler was brought on in May of 2008 to start the master planning process for the next set of projects. The need for many of the projects developed for Measure AA were already well defined. In fact some projects were "carryovers" that could not be fully funded from the previous bond issues due to a period of rapid inflation of construction costs.

Gensler assisted the college in developing a group of projects into a master plan for the next 5 to 10 years of construction. At the same time Gensler is working with the District's environmental consultants concurrently to prepare documents for the Final Environmental Impact Report.

A number of master plan meetings, presentations and town halls have been held including presentations to the DPAC and the DPAC Facilities committees. One campus-wide meeting was dedicated to the subject of sustainability. Three separate community meetings were also held.

The full draft Facilities Master Plan is available at <a href="https://www.smc.edu/facilities-masterplan">www.smc.edu/facilities-masterplan</a>, Appendix I under the EIR.

A detailed staff report along with the final Facilities Master Plan and the Environmental Impact Report will be presented to the Board for approval at the meeting on August 3, 2010. The EIR will include responses that were submitted by community members.

#### **RECOMMENDATION NO. 1**

SUBJECT: COOPERATIVE WORK EXPERIENCE EDUCATION PLAN

SUBMITTED BY: Superintendent/President

<u>REQUESTED ACTION</u>: It is recommended that the Board of Trustees approve the Cooperative

Work Experience Education Plan for the Santa Monica Community

College District.

The Board of Trustees for Santa Monica Community College District, acting under the authority of the California Education and Administrative Codes and Regulations adopted by the Board of Governors of California Community Colleges pertaining to cooperative education in Community College, does hereby adopt the Cooperative Work Experience Education Plan for the Santa Monica Community College District.

In addition, the Board of Trustees authorizes and directs Superintendent/President Chui L. Tsang to forward copies of this adopted plan over his signature to the Chancellor's office for approval and entitlement for the District to receive appropriate state funds for aid in operation of the cooperative education plan.

FUNDING SOURCE: State Funds

SUMMARY: The Cooperative Work Experience Education is a District-initiated an

District-controlled program of education consisting of (I) general work experience education which is intended to assist students in acquiring desirable work habits, attitudes and career awareness; and (2) occupational work experience education extending classroom based occupational learning at an on-the-job learning station relating to the

students' educational or occupational goal.

The District shall provide sufficient services for initiating and maintaining on-the-job learning stations, coordinating the program, supervising students and providing guidance services. In addition, the District shall be responsible for maintaining student records, consultation(s) in person with the employer and evaluating with the employer the student's learning

experience.

Through Cooperative Work Experience, a productive union is achieved blending educational preparation and practical work experience. On-the-job learning which is related to classroom instruction is an ideal means of mastering academic subjects for many students. It gives the academic part of education real meaning.

Cooperative Work Experience (aka "internship" and "work based learning") provides on-the-job training to students at Santa Monica College. Any college department, allied campus and counseling divisions may offer internship classes in which students gain first-hand experience working in a chosen field or a field of general interest.

The District has had a Cooperative Work Experience Education Plan in place, but changes in Title 5 regulations now require official approval by the Board of Trustees. The Plan is included in Appendix A.

Santa Monica Community College District	July 6, 2010	

#### **INFORMATION ITEM H**

SUBJECT: OVERVIEW OF 2009-2010 GRANT-FUNDED PROJECTS

SUBMITTED BY: Superintendent/President

**SUMMARY:** 

The 2009-2010 academic year was a closeout year for several of SMC's large federally funded grants, including the Title V Institutional Grant, administered by Roberto Gonzalez as part of the Student Success Initiative, and the Title V Cooperative Grant with El Camino College to improve teacher education programming. Both of these grants formally ended September 30, 2009. However, despite the loss of this revenue, in 2009-2010, SMC still managed approximately \$5.5 million in 28 grant projects funded by local, state, and federal agencies. This total includes any project that is proposal driven, performance or outcome-based, and competitive. It does not include such categorically-funded programs as EOPS or Disabled Students Programs and Services. It also does not include VTEA, Tech Prep, or the various fee-for-service workforce training contracts awarded to Workforce and Economic Development.

In 2009-2010, the college received 6 new awards, valued at about \$3 million in new money, with \$1.5 million to benefit 2009-2010 directly. These projects were developed and written by the Grants Office and the TRIO Program. In total, the college submitted 16 proposals to support the 2009-2010 academic year, achieving a success rate of 37.5 percent. However, as in years past, one of the goals of the Grants Office is to increase private grant making, and as such, 4 of these 16 proposals were to private entities. Unfortunately, none of these applications was funded. As such, the public grant success rate was 50 percent. Private grants are much more difficult to obtain and generally smaller. However, they are less restrictive and will allow the college to support smaller, more targeted initiatives.

All of the 2009-2010 grant funded projects address the Board of Trustees' Goal I: Educational Advancement and Quality. The list provides an overview of each of the 2009-2010 grant-funded projects as they relate to the various outcomes within Goal #1. Corresponding Institutional Learning Outcomes and/or Strategic Initiatives, as well as the annual award total and the funding source, are also listed.

**SUBJECT:** FIRST READING – BOARD POLICY SECTIONS 3120 AND 3121

SUBMITTED BY: Superintendent/President

REQUESTED ACTION: It is recommended that the Board of Trustees conduct a first reading of

the following Board Policy Sections:

Section 3000 – Human Resources

<u>Article 3100 – General Provisions All Personnel</u> 3120 - Equal Employment Opportunity (new)

3121 - Diversity (new)

COMMENT: The proposed new Board Policy sections 3120, Equal Employment

Opportunity, and 3121, Diversity, replace former outdated Board Policy section 3120, Diversity/Affirmative Action. These policies were developed by the DPAC Human Resources Planning Subcommittee, approved by DPAC, and reviewed and approved by senior

administrative staff.

MOTION MADE BY: SECONDED BY:

STUDENT ADVISORY:

AYES: NOES:

#### ARTICLE 3100 GENERAL PROVISIONS ALL PERSONNEL

#### BP 3120 Diversity/Affirmative Action

The Santa Monica Community College District believes that academic quality, evidenced in both teaching and learning, demonstrated by the instructional, library, counseling, and support staff members, and an administration dedicated to quality in teaching and learning, must be the goal of the college as an academic institution. In accomplishing this goal of quality teaching and learning, the college must have a diverse staff and student body reflective of our pluralistic society, for such diversity is an essential component of the learning environment. Diversity within the academic environment provides daily opportunity to foster cultural awareness, knowledge, and sensitivity, to challenge ingrained stereotypes, and to promote mutual understanding and respect. Lessons concerning democratic principles and the richness that ethnic and cultural diversity bring to our national heritage can best be taught by the presence of a diverse staff and student body working toward a common goal.

AB 1725 sets as a goal that by the year 2005, the faculty and staff of the California Community Colleges shall reflect proportionately the state's adult population. Realization of these goals will require the creative imagination, unflagging commitment, and uncompromising effort of every member of the Santa Monica College community, beginning with the Board of Trustees and the Superintendent/President and continuing throughout the administration, faculty, and staff.

The District is committed to a work and learning environment conducive to open discussion and free of intimidation, harassment, or unlawful discrimination, whether purposeful or inadvertent. The Board commits the District to vigorous affirmative action in all aspects of its employment program, including recruitment, selection, assignment, retention, promotion, and transfer, and with respect to all position classifications.

With reference to equal opportunity, the Board also assures that all employees and applicants for employment will be treated equally regardless of race, color, religion, gender, national origin, age, disability, status as a Vietnam-era veteran, sexual orientation, or marital status.

The Board of Trustees, in approving the Diversity/Affirmative Action policy, assumes overall responsibility for the success or failure of the District's effort to achieve its diversity/affirmative action goals. The Board delegates to the Superintendent/President the responsibility for implementing this policy consistent with all applicable provisions of the Education Code and Title 5.

Reviewed and Adopted: 7/9/2001

#### **BP 3120** Equal Employment Opportunity (new)

The Santa Monica Community College District is committed to the principles of equal employment opportunity and will implement a comprehensive program to put those principles into practice. All qualified applicants for employment and employees shall have full and equal access to employment opportunity. No person shall be subjected to discrimination in any program or activity of the District on the basis of ethnic group identification, race, color, national origin, religion, age, gender, disability, ancestry, sexual orientation, language, accent, citizenship status, transgender, parental status, marital status, economic status, veteran status, or medical condition. No person shall be subject to discrimination on the basis of these perceived characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

The Board commits the District to vigorous equal employment opportunity in all aspects of its academic and classified employment programs, including recruitment, selection, assignment, retention, promotion, and transfer. The District will strive to achieve a workforce that reflects the diversity of the state's adult population and is welcoming to men, women, persons with disabilities and individuals from all ethnic and other groups as specified in the preceding paragraph to ensure the District provides an inclusive educational environment. Such an environment fosters cooperation, acceptance, democracy and free expression of ideas.

The Board of Trustees shall approve the Equal Employment Opportunity Plan, and assume overall responsibility for the success or failure of the Plan. The Board delegates to the Superintendent/President the responsibility for implementing this policy consistent with all applicable provisions of the Education Code and Title 5. The Equal Employment Opportunity Plan will be maintained to ensure principles that conform to federal and state laws.

Reference: Education Code 87100, et seq., Title 5, 53000, et seq.

Approved by DPAC: 2/10/10

#### **BP 3121 Diversity** (new)

The Santa Monica Community College District is committed to building an inclusive and diverse environment. Diversity within the college environment provides opportunity to foster mutual awareness, knowledge, and sensitivity, to challenge ingrained stereotypes, and to promote mutual understanding and respect. Achieving these goals will require the creative imagination, unflagging commitment, and uncompromising effort of every member of the college community. The District is committed to a work and learning environment conducive to open discussion and the free exchange of ideas. Global awareness and exploring the diversity of the local communities served by the college are both important components of the College's commitment to diversity. Promoting and celebrating diversity will inspire innovative ideas, practical solutions, and team-building as we recognize our shared goal of professional and educational excellence.

#### RECOMMENDATION NO. 5 2010-2011 ANNUAL CONTRACTS AND CONSULTANTS

Requested Action: Approval/Renewal of the following annual contracts for the period of July 1, 2010 through June 30, 2011, unless otherwise indicated.

The District's 2009-2010 efforts to reduce expenditures for contracts and consultants were successful in achieving a projected expenditure reduction of over 10 percent as compared to 2008-2009. Wherever possible, individual contract amounts for 2010-2011 continue to reflect the 15 percent reductions implemented in 2009-2010. (This budget category includes certain fixed expenses, such as lease payments, for which this strategy is not appropriate.) The goal for 2010-2011 is to contain expenditures in this category to the 2009-2010 level despite the rising costs of some services.

#### 12-D AGREEMENTS FOR STUDENT SERVICES ENTRY GARDEN

 Agreement with YARROW COLLINS and the Santa Monica College Associated Students for consulting work for the Student Services Entry Garden for \$3,600 plus reimbursable expenses.

Funding Source: Associated Students

Comment: The Associated Students has proposed a "Culture Garden" to

showcase sustainable farming methods on campus. They have selected this consultant to assist them with developing a concept for sustainable farming. The consultant will create a two-year plan for the implementation and maintenance of the garden, including drawings of how the garden will look, the materials to be used, types of items grown, and the tools the students will use. The plan will also include a process for garden supervision and creation of a monthly

implementation timelines with weekly progress reports.

 Agreement with MELÉNDREZ landscape architects for programming, planning, working drawings and construction administration for the Student Services Entry Garden for \$24,500 plus reimbursable expenses.

Funding Source: Measure S

Comment: The District has offered to assist the Associated Students, through the

regular planning and construction process, to fast track the design and provide construction plans for the Student Services Entry Garden developed by the students and their consultant Yarrow Collins (#I above). The project is large enough to be considered a public works project. Meléndrez landscape architects are responsible for the design of the Campus Quad, Bundy Campus landscaping and are currently working on the Student Services landscaping, which borders

this site.

#### <u>RECOMMENDATION NO. 14</u> <u>RESOLUTION – ASSIGNMENT OF DELINQUENT TAXES</u>

Requested Action: Adoption of Resolution

Requested by: Christopher M. Bonvenuto, Director of Fiscal Services

Approved by: Robert Isomoto, Vice President of Business and Administration

RESOLUTION OF THE BOARD OF TRUSTEES OF THE SANTA MONICA COMMUNITY COLLEGE DISTRICT APPROVING ASSIGNMENT OF DELINQUENT TAX RECEIVABLES TO THE CALIFORNIA STATEWIDE DELINQUENT TAX FINANCE AUTHORITY FOR THE FISCAL YEARS ENDING JUNE 30 IN EACH OF THE YEARS 2011 THROUGH 2013, AND AUTHORIZING EXECUTION AND DELIVERY OF RELATED DOCUMENTS AND ACTIONS

WHEREAS, under Section 6516.6 of the Government Code of the State of California (the "Law"), a school district, community college district or other educational agency is authorized to sell and assign to a joint powers authority any or all of its right, title, and interest in and to the enforcement and collection of delinquent and uncollected property taxes, assessments, and other receivables that have been levied by or on behalf of the school agency for collection on the secured, unsecured, or supplemental property tax rolls in accordance with such terms and conditions as are set forth in an agreement with the joint powers authority; and

**WHEREAS**, the California Statewide Delinquent Tax Finance Authority (the "Authority") has been formed as a joint powers authority for the purpose of purchasing delinquent ad valorem property taxes in accordance with the Law upon terms and conditions which are acceptable to school agencies; and

WHEREAS, under the Law the amount of property tax receipts to be reported in a fiscal year for a school agency for revenue limit purposes is equal to 100% of the school agency's allocable share of the taxes distributed to it for the fiscal year, and any additional amounts will not be reported and will be provided directly to the school agency; and

WHEREAS, the Authority has requested the District to sell its delinquent ad valorem property tax receivables (the "Tax Receivables") to the Authority for the fiscal years ending June 30 in each of the years 2011 through 2013 (the "Covered Fiscal Years") at a purchase price equal to 108.5% of the amount of Tax Receivables which have been levied; and

**WHEREAS**, the Authority has made arrangements to issue and sell a certificate of participation for each fiscal year, representing a participation interest in all of the Tax Receivables received from the District and from other participating school agencies in the County of Los Angeles for such fiscal year, which certificate of participation will be sold to a designee of Plymouth Park Tax Services, LLC, a Delaware limited liability company ("Plymouth"); and

**WHEREAS**, the Board wishes at this time to approve the foregoing financing plan and authorize the execution and delivery of all related documents and actions;

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Trustees of the Santa Monica Community College District as follows:

**Section I.** Approval of Financing Plan; Sale of Tax Receivables to Authority. The Board hereby approves the financing plan presented to the Board at the meeting at which this Resolution is adopted, and as generally described in the recitals of this Resolution. The Board hereby approves and authorizes the sale of the Tax Receivables to Authority for each of the Covered Fiscal Years.

**Section 2. Approval of Financing Documents**. In order to implement the financing plan approved under Section I, the Board hereby approves each of the following agreements, to be entered into for each of the Covered Fiscal Years:

- <u>Future Tax Receivables Sales Agreement</u> to be entered into among the Authority, Plymouth, and the District, under which the District agrees to sell its Tax Receivables to the Authority in each Covered Fiscal Year, in substantially the form on file with the Secretary.
- <u>Purchase and Sale Agreement</u> to be entered into between the Authority and the
  District with respect to the Tax Receivables, in substantially the form used on
  previous financings between the Authority and the District.

Each of the foregoing agreements is approved in substantially the respective forms on file with the Clerk of the Board, together with any changes therein or modifications thereof as may be approved by the President/Superintendent, Executive Vice President and/or Vice President of Business and Administration and the execution and delivery of each agreement by the District shall be conclusive evidence of the approval of all changes and modifications to said agreement. The Board hereby authorizes the delivery and performance of each of the foregoing agreements.

Section 3. Official Actions. The President/Superintendent, Executive Vice President and/or Vice President of Business and Administration, are hereby authorized and directed, for and in the name and on behalf of the District, to do any and all things and take any and all actions, including execution and delivery of any and all assignments, certificates, requisitions, agreements, notices, consents, instruments of conveyance, warrants and other documents, which they, or any of them, may deem necessary or advisable in order to consummate the sale of the Tax Receivables to the Authority for each Covered Fiscal Year. Whenever in this resolution any officer of the District is authorized to execute or countersign any document or take any action, such execution, countersigning or action may be taken on behalf of such officer by any person designated by such officer to act on his or her behalf if such officer is absent or unavailable.

**Section 4. Effective Date**. This resolution shall take effect from and after the date of approval and adoption thereof.

Comment:

The California Statewide Delinquent Tax Finance Authority consists of 95 K-14 Districts that have joined together to assign and sell delinquent taxes and assessments, as allowed under Government Code Section 6516.6, at an 8.5% premium. Since 2002 the District has received \$437,655 in unrestricted revenue by participating in the California Statewide Delinquent Tax Finance Authority JPA.

#### (2) Specific description of (§55251):

(a) District responsibilities (§55251):

Background: Title 5 criteria and requirements District Services. (§55255).

- (a) The district shall provide sufficient services for initiating and maintaining on-the-job learning stations, coordinating the program, and supervising students. The supervision of students shall be outlined in a learning agreement coordinated by the college district under a state-approved plan. The employer and the qualified Community College Instructor/Coordinator shall share responsibility for on-the-job supervision, which shall include but not be limited to:
  - (1) Instructor/Coordinator consultation in person with employers or designated representatives to discuss students' educational growth on the job.
  - (2) Written evaluation of students' progress in meeting planned on-the-job learning objectives.
  - (3) Consultation with students in person to discuss students' educational growth on the job.
- (b) The district shall provide the above services at least once each quarter or semester for each student enrolled in the Cooperative Work Experience Education. Qualified adjunct faculty may be hired from other institutions to develop the learning contracts and make the "in-person" consultation for a student that is out of a college's geographical region, state, or in another country. For legally indentured apprentices, the requirements of this section may be delegated to the Joint Apprenticeship Committee in order to avoid duplication of supervisory services. The responsibility for compliance with Education Code and title 5 Cooperative Work Experience Education requirements remains with the college.

  (c) In certain limited situations that will be defined in guidelines issued by the Chancellor, the district may substitute approved alternatives to "in person" consultations. The guidelines will specify the types of alternatives which districts may approve and the circumstances under which they may be used. In establishing and maintaining guidelines on such alternatives, the Chancellor shall consult with, and rely primarily on the advice and judgment of, the statewide Academic Senate and shall provide a reasonable opportunity for comment by other statewide and regional representative groups.
- □ District will comply with these requirements.

Optional: Additional comments or narrative on District Services, if any.

Alternatives to the in-person site visit are permitted in limited circumstances including 1) The worksite is a trusted, reliable entity with a proven track record, 2) The student and supervisor are repeating the work experience and the process is clear and understood by each participant, 3) Distance, when hiring adjunct faculty for ad hoc work experience education is not feasible. Efforts will be made to make permanent arrangements for distant locales for sites that are regularly used for work experience education. 4) Emergency and security of the instructor, supervisor, or student, 5) Work hours of student or supervisor and different from the instructor's, 6) Student and supervisor are working in virtual offices.

Program coordinators will be careful in approving out-of-state or out-of-country work sites that insurance and liability issues are addressed.

#### (a) District responsibilities

Background: Title 5 criteria and requirements

Records. (§55256).

- (a) The district shall maintain records which shall include at least the following::
  - (1) The type and units of Cooperative Work Experience Education in which each student is enrolled, where the student is employed, the type of job held and a statement signed and dated by an academic employee which sets forth the basis determining whether the student is qualified for Occupational or General Work Experience.
  - (2) A record of the work permit issued, if applicable, signed by the designated issuing agent.
  - (3) The employer's or designated representative's statement of student hours worked and evaluation of performance on the agreed-upon learning objectives. Work hours may be verified either by weekly or monthly time sheets or by a summary statement at the end of the enrollment period.
  - (4) New or expanded on-the-job measurable learning objectives which serve as part of the basis for determining the student's grade, signed by academic personnel, the employer or designated representative, and the student.
  - (1) Instructor/Coordinator consultation in person with employers or designated representatives to discuss students' educational growth on the job.
  - (2) Written evaluation of students' progress in meeting planned on-the-job learning objectives.
  - (3) Consultation with students in person to discuss students' educational growth on the job.
- (b) Records must be maintained which are signed and dated by academic personnel documenting:
  - (1) Consultation(s) in person with the employer or designated representative.
  - (2) Personal consultation(s) with the student.
  - (3) Evaluation of the student's achievement of the on-the-job learning objectives.
  - (4) The final grade.
- □ District will comply with these requirements.

NOTE: The Chancellor's Office interprets the lack of a plural option under "type ... of Cooperative Work Experience Education..." to prohibit a student from concurrently enrolling in multiple "types" of Cooperative Work Experience Education.

Optional: Additional comments or narrative on Record Keeping, if any.

verification of the students progress in freeting the plainted on-the-job learning objectives and verification of hours worked will be completed by one of the following methods: at an in-person meeting, a telephone interview, a teleconference, an e-mail, partner with instructors from other colleges, videoconference, internet, or U.S. Postal Service.

### (b) Student responsibilities (§55251):

Background: Title 5 criteria and requirements

Student Qualifications (§55254).

In order to participate in Cooperative Work Experience Education students shall meet the following criteria:

- (a) Pursue a planned program of Cooperative Work Experience Education which, in the opinion of the Instructor/Coordinator, includes new or expanded responsibilities or learning opportunities beyond those experienced during previous employment.
- (b) Have on-the-job learning experiences that contribute to their occupational or education goals.
- (c) Have the approval of the academic personnel.
- (d) Meet the following condition if self-employed: Identify a person who is approved by academic personnel to serve as the designated employer representative. This representative shall agree in writing to accept the following employer responsibilities:
  - (1) Assist the student in identifying new or expanded on-the-job learning objectives.
  - (2) Assist in the evaluation of the student's identified on-the-job learning objectives.
  - (3) Validate hours worked.

Optional: Additional comments or narrative on Student responsibilities, if any.

No additional comments.

Records. (§55256).

- (a) The district shall maintain records which shall include at least the following:
  - (1) The type and units of Cooperative Work Experience Education in which each student is enrolled, where the student is employed, the type of job held and a statement signed and dated by an academic employee which sets forth the basis for determining whether the student is qualified for Occupational or General Work Experience.
  - (2) A record of the work permit issued, if applicable, signed by the designated issuing agent.
  - (3) The employer's or designated representative's statement of student hours worked and evaluation of performance on the agreed-upon learning objectives. Work hours may be verified either by weekly or monthly time sheets or by a summary statement at the end of the enrollment period.
  - (4) New or expanded on-the-job measurable learning objectives which serve as part of the basis for determining the student's grade, signed by academic personnel, the employer or designated representative, and the student.
- (b) Records must be maintained which are signed and dated by academic personnel documenting:
  - (1) Consultation(s) in person with the employer or designated representative.
  - (2) Personal consultation(s) with the student.
  - (3) Evaluation of the student's achievement of the on-the-job learning objectives.
  - (4) The final grade.

#### Job Learning Stations. (§55257)

Job learning stations shall meet the following criteria:

- (a) Employers or designated representatives agree with the intent and purposes of Cooperative Work Experience Education for students and are given a copy of each student's approved on-the-job learning objectives.
- (b) Job learning stations offer a reasonable probability of continuous work experience for students during the current work experience enrollment term.
- (c) Employers or designated representatives agree to provide adequate supervision, facilities, equipment, and materials at the learning stations to achieve on-the-job learning objectives.
- (d) Employers agree to comply with all appropriate federal and state employment regulations.
- □ District will comply with these requirements.

Optional: Additional comments or narrative on Employer responsibilities, if any.

#### (c) Employer responsibilities (§55251):

Background: Title 5 criteria and requirements

#### Consultation(s) in person with the employer. (§55255).

(b) The district shall provide the above services at least once each quarter or semester for each student enrolled in the Cooperative Work Experience Education. Qualified adjunct faculty may be hired from other institutions to develop the learning contracts and make the "in-person" consultation for a student that is out of a college's geographical region, state, or in another country. For legally indentured apprentices, the requirements of this section may be delegated to the Joint Apprenticeship Committee in order to avoid duplication of supervisory services. The responsibility for compliance with Education Code and title 5 Cooperative Work Experience Education requirements remains with the college.

(c) In certain limited situations that will be defined in guidelines issued by the Chancellor, the district may substitute approved alternatives to "in person" consultations. The guidelines will specify the types of alternatives which districts may approve and the circumstances under which they may be used. In establishing and maintaining guidelines on such alternatives, the Chancellor shall consult with, and rely primarily on the advice and judgment of, the statewide Academic Senate and shall provide a reasonable opportunity for comment by other statewide and regional representative groups.

The approved guidelines issued by the Chancellor for Districts to substitute approved alternatives to "in person" consultations is attached.

District will use alternatives to "Consultation(s) in person," as described in Title \$55255(c).

District will not use alternatives "Consultation(s) in person,", as described in Title §55255(c).
Comments on "Consultation(s) in person," if any, including criteria and limits on alternatives to "Consultation(s) in person."
Alternatives to the in-person site visit are permitted in limited circumstances including the following: 1) The worksite is a trusted, reliable entity with a proven track record, 2) The student and supervisor are repeating the work experience and the process is clear and understood by each participant, 3) Distance, when hiring adjunct faculty for ad hoc work experience education is not feasible. Efforts will be made to make permanent arrangements for distant locales for sites that are regularly used for work experience education. 4) Emergency and security of the instructor, supervisor, or student, 5) Work hours of student or supervisor and different from the instructor's, 6) Student and supervisor are working in virtual offices.

(4)	A description of <u>HOW</u> the district will (§55251)	

(	a	) Provide guidance services	(§55251)

Describe the specifics on how district will achieve this requirement.

Qualified district personnel will advise students throughout the CWEE program. Having found an internship opportunity, students will attend an Orientation meeting to learn the details about how the program works, the requirements, and how to set up measurable on-the-job learning objectives. Next, students will submit measurable learning objectives or new and expanded objectives and work with college staff and employers until final learning objectives are agreed upon by the college staff, the employer and each student. Once students are working on their internships, they communicate weekly online with the Internship Class instructor regarding the internship. Should students experience questions or concerns they are encouraged to discuss these matters with college CWEE faculty and
staff.

(b) Assign a sufficient number of qualified certificated personnel to direct the program (§55251):

Describe the specifics on how district will achieve this requirement.

The college has assigned a qualified certificated faculty member as well as classified staff to operate the CWEE program. The certificated faculty member manages the online CWEE class, makes the site visits, and handles the grading process. A classified staff member assists students in finding internship opportunities, handles the Internship Orientations, the enrollment process, and provides assistance in helping students create new or expanded learning objectives, monitor students' compliance with CWEE regulations and handles other paperwork and computer recordkeeping. Other classified staff members and student workers provide general information about CWEE to students, oversee the creation and updating of internship opportunity booklets and make databases of CWEE students and employers.

(d) Evaluate with employer, student's learning experiences (§55251):

Describe the specifics on how district will achieve this requirement.

Qualified district certificated faculty will stay in touch with employers and obtain written evaluation of student progress in meeting planned on-the-job learning objectives and verifying that students have met work hour requirements. The certificated faculty will also conduct an in-person consultation with employers at least once each semester to discuss students' educational growth on the job and progress on completing the planned measurable learning objectives. Alternatives to this in-person consultation will be allowed in limited circumstances. Students will be awarded a grade (either pass/no pass, or graded a-f depending on current district policy).

(e) Describe basis for awarding grade and credit (§55251)

Background: Title 5 criteria and requirements

Work Experience Credit. (§55255.5).

- (a) One student contact hour is counted for each unit of work experience credit in which a student is enrolled during any census period. In no case shall duplicate student contact hours be counted for any classroom instruction and Cooperative Work Experience Education. The maximum contact hours counted for a student shall not exceed the maximum number of Cooperative Work Experience Education units for which the student may be granted credit as described in section 55253.
- (b) The learning experience and the identified on-the-job learning objectives shall be sufficient to support the units to be awarded.
- (c) The following formula will be used to determine the number of units to be awarded:
  - (1) Each 75 hours of paid work equals one semester credit or 50 hours equals one quarter credit.
  - (2) Each 60 hours of non-paid work equals one semester credit or 40 hours equals one quarter credit.
- District will comply with these requirements.

Comments on basis for awarding grade and credit, if any.

#### (1) Initiate and maintain learning stations (§55251)

#### Background: Title 5 criteria and requirements

(§55250) Any program of Cooperative Work Experience Education conducted by the governing board of a community college district pursuant to this article and claimed for apportionment pursuant to sections 58051 and 58009.5 shall conform to a plan adopted by the district. The plan adopted by the district shall set forth a systematic design of Cooperative Work Experience Education whereby students, while enrolled in college, will gain realistic learning experiences through work. This plan shall be submitted to and approved by the Chancellor.

#### **Work Experience Outside of District**. (§55250.6).

The governing board of any community college district may provide for the establishment and supervision of work experience education programs providing part-time jobs for students in areas outside the district

#### Wages and Workers' Compensation. (§55250.7).

The governing board of any community college district providing work-experience and work-study education may provide for employment under such program of students in part-time jobs by any public or private employer. Such districts may pay wages to persons receiving such training, except that no payments may be to or for private employers. Districts may provide workers' compensation insurance for students in work experience as may be necessary.

#### Job Learning Stations. (§55257)

Job learning stations shall meet the following criteria:

- (a) Employers or designated representatives agree with the intent and purposes of Cooperative Work Experience Education for students and are given a copy of each student's approved on-the-job learning objectives.
- (b) Job learning stations offer a reasonable probability of continuous work experience for students during the current work experience enrollment term.
- (c) Employers or designated representatives agree to provide adequate supervision, facilities, equipment, and materials at the learning stations to achieve on-the-job learning objectives.
- (d) Employers agree to comply with all appropriate federal and state employment regulations.

Describe the specifics on how district will achieve this requirement.

#### Work Experience Outside of the District (55250.6)

The district may offer out of district work experience education. Credit for these out of the area work experiences may be offered on an occasional basis.

#### Wages and Worker's Compensation (55250.7)

Santa Monica College agrees to be considered the employer for internship or CWEE students working on an upaid basis with public or private employers. The college will provide adequate protection through Worker's Compensation and/or liability insurance as required by law.

#### Job Learning Stations (55257)

Employers will be asked to sign a student learning agreement form that confirms approval of on-the-job learning objectives, agree to provide adequate supervision and support to ensure that students receive appropriate educational benefit from the experience and agree to operate without regard to race, age, sex, religion, color, national origin or handicap.

Assist Students in Finding Work Based Learning Experiences: The CWEE program is marketed to students at the college. Students are encouraged to use district services to find worthwhile work based learning experiences. The district offers information, advice and guidance to help students identify valuable work based learning experiences. District personnel assists students with job search techniques and guidance as they seek out worthwhile workbased learning experiences and compete with other students to obtain these coveted positions.

Conduct the Enrollment Process: Having found an internship opportunity, students attend a 1-hour Orientation to learn how the program works, requirements, and how to set up measurable on-the-job learning objectives. Students are asked to submit new or expanded measurable learning objectives and work with college staff and employers until final learning objectives are agreed upon by the student, college staff, and the employer. Supervise Students Through the Semester: Once students have begun their internships, they will use an online computer platform to keep up weekly communications with the class instructor regarding the internship. Should students experience questions or concerns they are encouraged to discuss these matters with the college CWEE faculty and staff. Students are expected to complete class assignments and submit a short reflective paper toward the end of the work based learning experience.

#### **APPENDIX B**

#### **INFORMATION ITEM H**

#### SUBJECT: 2009-2010 GRANTED FUNDED PROJECTS

The 2009-2010 academic year was a closeout year for several of SMC's large federally funded grants, including the Title V Institutional Grant, administered by Roberto Gonzalez as part of the Student Success Initiative, and the Title V Cooperative Grant with El Camino College to improve teacher education programming. Both of these grants formally ended September 30, 2009. However, despite the loss of this revenue, in 2009-2010, SMC still managed approximately \$5.5 million in 28 grant projects funded by local, state, and federal agencies. This total includes any project that is proposal driven, performance or outcome-based, and competitive. It does not include such categorically-funded programs as EOPS or Disabled Students Programs and Services. It also does not include VTEA, Tech Prep, or the various fee-for-service workforce training contracts awarded to Workforce and Economic Development.

In 2009-2010, the college received 6 new awards, valued at about \$3 million in new money, with \$1.5 million to benefit 2009-2010 directly. These projects were developed and written by the Grants Office and the TRIO Program. In total, the college submitted 16 proposals to support the 2009-2010 academic year, achieving a success rate of 37.5 percent. However, as in years past, one of the goals of the Grants Office is to increase private grant making, and as such, 4 of these 16 proposals were to private entities. Unfortunately, none of these applications was funded. As such, the public grant success rate was 50 percent. Private grants are much more difficult to obtain and generally smaller. However, they are less restrictive and will allow the college to support smaller, more targeted initiatives.

All of the 2009-2010 grant funded projects address the Board of Trustees' Goal I: Educational Advancement and Quality. The following list provides an overview of each of the 2009-2010 grant-funded projects as they relate to the various outcomes within Goal #1. Corresponding Institutional Learning Outcomes and/or Strategic Initiatives, as well as the annual award total and the funding source, are also listed. It should be noted that many of these grants support more than one of these outcomes; for the purposes of this report, projects are listed under their primary area of emphasis. (For grants that were funded in previous years, the 2009-2010 award amount and/or remaining funds is listed.)

### Improve Student Achievement, with particular emphasis on Basic Skills and Student Retention

Basic Skills (these grants also support ILO #1 and #2 and the Basic Skills Strategic Initiative)

• Title V Math/English Cooperative Grant with El Camino College (\$700,000—shared with ECC, U.S. Dept. of ED): The purpose of this grant is to increase student success in precollege math and English classes by improving instructional quality, student support resources, and faculty collaboration. (It will continue in 2010-2011.)

CAHSEE Project (\$180,000—Chancellor's Office): This project provides academic assistance
to high school students from the Classes of 2007 and 2008 who have not yet passed the
CAHSEE with the hope that they will pass the CAHSEE and obtain their high school diploma.
(These funds are carry-over funds from two previously funded grants. These grants ended
June 30, 2010.)

#### Student Retention -General

- **New for 2009/2010** Scholarships for Disadvantaged Students (\$6,931—U.S. Department of Health and Human Services, including a traditional award and an ARRA award): This student assistance grant provides scholarship support to low-income, educationally disadvantaged students enrolled full-time in the Nursing Program. (This grant also supports the CTE Strategic Initiative. The grant ended June 2010.)
- Title V Institutional Grant (\$100,000—U.S. Dept. of ED): This grant focuses on the success of first-time college students. Key initiatives include the development and implementation of the Welcome Center, the First Year Experience (summer bridge program), and other student support resources. (This grant supports ILO #1 and #2 and ended Fall 2009.)
- Minority Biomedical Research Talent in Psychology (\$20,000—U.S. Department of Health and Human Services via a subcontract with the National Institute of General Medical Sciences and the American Psychological Association): Continuation of a previously funded partnership with American Psychological Association, CSU Dominguez Hills, and UCLA to increase the number of students of color interested in pursuing biomedical research careers in psychology and improve these students' rates of retention. (This project also supports ILO #2 and will end in Fall 2010.)

#### Student Retention/Special Populations—Asian/Pacific Islander Students

• New for 2009/2010 – Asian American and Native American Pacific Islander Serving Institutions Program (\$1,098,819, funded by the U.S. Department of Education): This 2 year grant will work to increase the retention, graduation, and transfer of underrepresented Asian/Pacific Islander students through additional supplementary instructional support, increased use of technology in the classroom, and faculty and staff professional development. In addition the goal of this program is to increase institutional capacity in general so that the college is better able to more efficiently and effectively serve all students for many years to come. To that end, this project will help develop and Alumni Association under the leadership of the Santa Monica College Foundation. (This project also supports ILO #I and 2. This grant will continue in 2010-2011.)

#### Student Retention/Special Populations—Low Income, First Generation Students

- Pico Partnership on the Move (\$153,750, funded by the City of Santa Monica): This continuing
  project provides instructional and student support assistance to low-income students from the
  Santa Monica-Malibu School District, specifically the Pico Neighborhood. (This project also
  supports ILO #1 and 2.)
- Student Support Services (\$260,181—U.S. Dept. of ED): This TRIO grant targets low income, first generation college students and provides them with the skills and resources that they need to successfully complete their SMC studies and transfer to a baccalaureate program. This grant was set to end in Fall 2009, but the Dept. of ED granted a one-year extension, while they establish a new application process for the 2010-2011 competition. The new SSS grant is pending. (This project supports ILO #1 and 2.)

#### Student Retention/Special Populations—High School Outreach/College Prep and Access

• Upward Bound (\$250,000—U.S. Dept. of ED): This TRIO grant targets low-income, potential first generation college students from Venice and Crenshaw high schools, providing academic assistance, college planning and assistance, and counseling/mentoring support. (This project supports ILO #I and 2. The grant will continue in 2010-2011.)

### Strengthen and Expand Workforce/Career Technical Education Programs (all of these grants support the CTE Strategic Initiative)

#### Multidisciplinary CTE Initiatives

- SB70 Career Technical Education Community Collaborative Project #I (\$100,000—Chancellor's Office): This grant will increase awareness of new, emerging, and viable career pathways, enhance understanding of industry trends among counselors and educators, create a pipeline of future workers, and initiate actions that will result in higher perceived values toward career technical education, focusing on Green Technology, New Energy/Environmental Technology, Logistics, Allied Health, Entertainment Technology, and Information Technology. (This grant also addresses ILO #4: Sustainability and ended Spring 2010.)
- SB70 Career Technical Education Community Collaborative Project #2 (\$399,890—Chancellor's Office): This grant will increase the effectiveness of CTE pathways from secondary to postsecondary systems, focusing on four key priorities: Increasing awareness of future career pathways, enhancing the understanding of industry trends, creating a pipeline of future workers, and initiating actions that result in higher perceived values toward CTE. This project will unite the region's educational and workforce development resources by focusing on six industry sectors, as well as Green initiatives and entrepreneurship, while enhancing student, teacher, and counselor knowledge of career technical education. (This grant also addresses ILO #4: Sustainability and will end Summer 2010.)

#### Green Technology

- Job Development Incentive Fund (\$150,000—California Chancellor's Office): The Office of Workforce and Economic Development will provide training and employment resources for unemployed and underemployed adults interested in careers in the environmental technology/green construction field. (This project also addresses ILO #4: Sustainability and will end Summer 2010.)
- Governor's 15% Fund (\$200,000--California Employment Development Department): Through this project, SMC will provide short-term, site specific workshops to train displaced workers for Green Technology construction jobs. (This project also addresses ILO #4: Sustainability and ended in Spring 2010.)
- SB70 Workforce Innovations Project Grant (\$249,908—California Chancellor's Office): This
  project will expand and enhance SMC's CTE curriculum for the next generation of
  environmental and energy technologies in advanced transportation that will be used to build
  hybrid, plug-in hybrid, and electric vehicles. (This project also addresses ILO #4:
  Sustainability and will end Summer 2010.)

#### Early Childhood Education/Education

NEW for 2009-2010 – Child Development Training Consortium Grant (\$10,000—state-funded): This ongoing project provides tuition, books, mentoring, and professional development activities for ECE students. (This grant also supports student retention and ILO #1. This grant will likely be renewed in 2010-2011.)

- Early Start Pathway (\$250,000, funded by Los Angeles Universal Preschool): The purpose of this project is to develop a 2+2+2 program in Early Childhood Education in partnership with SMMUSD and CSU Dominguez Hills with the intent to increase the number of qualified early childhood education professionals with a baccalaureate degree. (This grant ended June 30, 2010. Funding for 09/10 was initially set at \$400,000, but budget cuts within First 5 and LAUP reduced the award.)
- Copernicus Project (approx. \$25,000, funded by U.S. Dept. of ED through a partnership agreement with UC Riverside): This project works to identify prospective science teachers early in their educational careers, provide them with a solid foundation in both the sciences and best practice teaching strategies, and mentor them through their early years of teaching. (This grant ended September 2009.)

#### Health Sciences (including Nursing and Allied Health)

- **NEW for 2009/2010** Funds for Allied Health Training Programs (\$178,090 Governor's 15% Discretionary WIA Funds passed through the Chancellor's Office): This grant will expand the Respiratory Therapy Program by increasing enrollment capacity and providing targeted support to ensure student success. The grant will also help establish the Medical Lab Technician Program. (This grant will continue in 2010-2011.)
- **NEW for 2009/2010** Specialty Nursing Program (\$111,008 Chancellor's Office): SMC will work in conjunction with local health care providers and other institutions of higher education to offer a series of post-licensure courses for new, returning, and experienced nurses, as well as to recent graduates and second year nursing students, to provide skills in areas of specialty nursing, such as emergency room management, pediatrics, and geriatrics. (This grant will continue in 2010-2011.)
- Enrollment Growth for ADN to RN Programs (\$451,708—Chancellor's Office): This grant
  will help the Nursing Program significantly expand its enrollment capacity by adding faculty and
  counseling time. The award amount listed was initially approved by the Chancellor's Office
  but was reduced due to the budget crisis. (This grant also supports Student Retention and
  ended in June 2010.)
- ADN to MSN Collaborative (\$91,479—Chancellor's Office): This partnership effort with CSU Dominguez Hills will establish an ADN to MSN educational pathway that will assist recent graduates, as well as already employed nurses, to pursue a Master's Degree in Nursing with an emphasis on Nurse Education, thus addressing the a need for additional Nursing faculty throughout the country. (This grant ended June 2010.)
- Fostering Student Success (\$217,990—federal WIA funds passed through the Chancellor's Office): The purpose of this grant is to improve the retention and completion rates of the ADN Program by providing tutoring, counseling, and skills lab services, including simulation. (This 5 year grant concluded in June 2010.)
- Community-Based Job Training Grant (\$151,233 in carry over U.S. Dept. of Labor): The
  purpose of this grant is to increase institutional capacity to train registered nurses by putting
  the LVN to ADN Program online and by providing additional services to support faculty and
  students. (This grant ended Fall 2009. SMC received a no-cost extension in 08/09 in order to
  complete grant objectives and expend the remaining funds.)

#### <u>Entrepreneurship</u>

- Small Business Development Center (\$300,000—Chancellor's Office/Small Business Administration): This project provides small business development services, such as business planning development, financial planning, workshops, and other individual assistance to new and emerging small business owners in west Los Angeles County. (This grant will continue in 2010-2011.)
- SB 70 Youth Entrepreneur Grant (\$50,000—Chancellor's Office): The purpose of this grant is to address the misconceptions that many youth have regarding career technical education and increase awareness of and aspiration for self-employment as a legitimate career path providing reliable living wages. (This grant ended in Winter 2010.)

### Infuse Global Citizenship into Student Learning (these grants support ILO #3 and the Global Citizenship Strategic Initiative)

- **NEW for 2009-2010** Undergraduate International Studies and Foreign Language (\$88,500 U.S. Department of Education): Through this project, SMC will further the efforts of the Global Citizenship Initiative, including the development of a Global Studies degree, creation of study abroad trips to Turkey and China, and increased campus involvement in activities that highlight the world's cultures and languages. (It will continue in 2010-2011.)
- World Water Forum College Grant (\$2,000, from the Metropolitan Water District of Southern California): This grant will increase the awareness of the campus community for the need for water conservation and management through student-developed public service announcements, highlighting the diversity of perspectives within the SMC community by including international students in grant activities. (This grant also supports ILO # 4 and ended in 2009-2010.)

#### **Expand Performing Arts Center Program Offerings**

SMC did not receive any grants through the Grants Office in support of the Performing Arts Center, although the Grants Office is working with the Theater Arts Department to pursue alternative funding streams to support Theater offerings and instructional capacity.

#### **Use Data to Measure Institutional Effectiveness**

SMC did not receive any grants to support Institutional Research directly. However, the Grants Office is pursuing strategies for ensuring that grant funded projects are able to support grant-related research needs. Currently the majority of funded grants include a research component, and funds are set-aside to support that research either through the use of external consultants (including adjunct faculty) or internally through the Office of Institutional Research. One of the grants currently pending for the 2010-2011 academic year will fund a part-time research position.
