## PUBLIC PARTICIPATION

### ADDRESSING THE BOARD OF TRUSTEES DURING A ZOOM WEBINAR

During the COVID-19 (Coronavirus) Global Pandemic, the Board of Trustees has determined in accordance with Government Code Section 54953 that as a result of the ongoing emergency that meeting in person would present imminent risks to the health and safety of the attendees at public meetings.

The Zoom webinar format used by the Board of Trustees Zoom meetings ensure public participation and provide an opportunity for the public to directly address the legislative body.

Public participation can occur in one of two ways. Members of the public can submit written comments to be read during the public meeting or they may speak during the Zoom meeting. All public comments will be subject to the general rules set forth below.

MAJOR ITEMS OF BUSINESS

**RECOMMENDATION NO. 24**

**SUBJECT:**                                 **RESOLUTION: SEXUAL ASSAULT AWARENESS MONTH**

**SUBMITTED BY:**                         Superintendent/President

**REQUESTED ACTION:**                 It is recommended that the Board of Trustees adopt the following resolution in support of the goals and ideals of Sexual Assault Awareness Month and, declare April as “Sexual Assault Awareness Month” and April 27, 2022 as “Denim Day” at the Santa Monica Community College District.

WHEREAS, April is nationally recognized as “Sexual Assault Awareness Month,” and Peace Over Violence has declared April 27, 2022 as “Denim Day” in Los Angeles County; and

WHEREAS, both events are intended to draw attention to the fact that sexual assault and sexual violence, including rape, domestic violence, dating violence and stalking remains a serious issue in our society; and

WHEREAS, harmful attitudes about rape, other forms of sexual violence, and abuse of power allow these crimes to persist and allow victims/survivors to be re-victimized; and

WHEREAS, systems of oppression give greater social power to some people over others based on race, religion, age, ethnicity, ability, gender, gender identity, sexual orientation, and social and economic groups in the United States; and

WHEREAS, every 68 seconds, someone in the United States, is sexually assaulted, approximately 1 in 5 women have experienced completed or attempted rape during their lifetime; and

WHEREAS, according to the United States Department of Justice, individuals between the ages of 18 to 24 are at significant risk of sexual assault, whether they are in college or not, and individuals under the age of 18 account for about 44% of all reported assaults; and

WHEREAS, for female college students aged 18 to 24 are 3 times more likely to be sexually assaulted than women in general, while female non-students are 4 times more likely; and

WHEREAS, for males aged 18 to 24, the risk is higher (5 times) among college students than non-students, men make up 17% of all college student victims, and about 4% of non-student victims; and,

WHEREAS, sexual violence disproportionately impacts Black, Indigenous People of Color (BIPOC) and LGBTQ+ communities; and

WHEREAS, women and men with disabilities have a greater risk of experiencing sexual violence and rape than those without a disability. The CDC’s National Intimate Partner and Sexual Violence Survey (NISVS) found that 2 in 5 female victims of rape have a disability, and nearly 1 in 4 male victims who experienced sexual violence have a disability at the time of the victimization; and

WHEREAS, NISVS found 18% of Asian or Pacific Islander women reported experiencing rape, physical violence, and/or stalking by an intimate partner in their lifetime, as compared to 48% of American Indians or Alaska Native women, 45% of Black women, 34% of Hispanic women, and 37% of White women; and

WHEREAS, NISVS found within the LGBTQ+ community, transgender people and bisexual women face the most alarming rates of sexual violence. Association of American Universities (AAU), Report on the AAU Campus Climate Survey on Sexual Assault and Sexual Misconduct found 21% of TGQN (transgender, genderqueer, nonconforming) college students have been sexually assaulted, compared to 18% of non-TGQN women, and 4% of non-TGQN men. The assaults are higher for LGBTQ+ people of color; and

WHEREAS, while 80% of rapes are reported by women who identify as white, sexual violence disproportionately impacts women of color, sexual minority women (i.e., bisexual, lesbian, queer), trans women, and women with disabilities, and routinely goes unreported and thus under-addressed; and

WHEREAS, survivors of sex trafficking are exploited through force, fraud, or coercion for the purposes of commercial sex. Any person under age 18 who performs a commercial sex act is considered a victim, regardless of whether force, fraud, or coercion was present. It is the fastest growing criminal enterprise of the 21st century, an estimated \$150 billion industry. Victims are women and girls, as well as men and boys, from all races, ethnicities, sexual orientations, gender identities, and income levels. Victims are trapped and controlled through sexual assault, threats, isolation, shaming, and debt. Though the National Human Trafficking Hotline identified over 45,000 victims between 2007 and 2019, it routinely goes unreported and thus under-addressed; and

WHEREAS, in addition to the immediate physical and emotional costs, sexual violence has associated consequences that may include post-traumatic stress disorder, substance abuse, depression, homelessness, safety concerns, eating disorders, and suicide. According to the Department of Justice, 38% of victims of sexual violence also experience increased work or school problems; and

WHEREAS, the impact Coronavirus will continue with new variants, and members of our community will continue to live and work remotely, those groups are vulnerable and more at risk. People who are experiencing violence in their relationships particularly women and children who live with domestic violence have no escape from their abusers. Though the National Domestic Violence Hotline found reports of domestic violence increased by 9%, shame, fear of reporting, lack of shelters, and being exposed to COVID 19 has impacted victims of domestic violence coming forward; and

WHEREAS, now more than ever, screens and technology connect us with romantic partners, friends and family, co-workers, and strangers alike. For too long, sexual harassment, cyberbullying, sexual abuse, and exploitation have come to be expected as typical and unavoidable behaviors online; and

WHEREAS, all forms of sexual violence are unacceptable, whether committed by a stranger, family member, or acquaintance of the victim; and

WHEREAS, “Sexual Assault Awareness Month” and “Denim Day” were also instituted to call attention to misconceptions and misinformation about rape and other forms of sexual assault, and the problem that many in society remain disturbingly uninformed with respect to issues of sexual assault including forcible rape; and

WHEREAS, “Sexual Assault Awareness Month” and “Denim Day” provides a special opportunity to educate the people of the United States about sexual violence and to encourage the prevention of sexual assault, the improved treatment of its victims, and the prosecution of its perpetrators; and

WHEREAS, free, confidential help is available to all victims/survivors of sexual violence through such organizations as the Rape Treatment Center at UCLA Santa Monica Medical Center, Peace Over Violence, the Peoples Concern, Center for the Pacific Asian Family, National Sexual Assault Hotline (RAINN), National Human Trafficking Hotline and more than 1,000 sexual assault service providers across the nation; and

WHEREAS, with proper education on this matter, there is compelling evidence that we can be successful in reducing incidents of this alarming and psychologically damaging crime; and

WHEREAS, working towards a future without sexual violence means that advocates, survivors, allies and communities need to respond to a complex and layered reality that centers the needs of those survivors most marginalized, silenced and unseen.

NOW, THEREFORE BE IT RESOLVED that Santa Monica Community College District does support the goals and ideals of "Sexual Assault Awareness Month," and hereby proclaims the month of April 2022 as "Sexual Assault Awareness Month," and designates April 27, 2022, as "Denim Day," the District also:

- Recognizes that activism has increased public awareness and safety, and supports law enforcement in their hard work to bring cases to justice that results in the successful prosecution and incarceration of its perpetrators, and
- Urges everyone to wear denim on April 27, 2022 to help communicate the message that there is "no excuse and never an invitation to rape."
