BP 7330 TUBERCULOSIS RISK ASSESSMENT

All newly hired academic or classified employees must show that within the past 60 days they have submitted to a tuberculosis risk assessment and, if risk factors are present, been examined to determine that they are free from active tuberculosis. If risk factors were present at the tuberculosis risk assessment, and an examination occurs, after the examination the employee shall provide the District with a certificate from the employee's examining physician showing that the employee was examined and found to be free from active tuberculosis.

All employees shall be required to undergo a tuberculosis risk assessment within four years of employment and every four years thereafter, to determine if they are free from tuberculosis.
