### **AR 4111.2 Classroom Assistance for Students with Disabilities**

Any person attending a class must be officially enrolled, with the following exceptions.

A note-taker, classroom aide, sign language interpreter, real time captionist, or other assistant may be present in the classroom to assist a student who has been approved by DSPS for an academic adjustment.

Some students with disabilities employ personal assistants to manage a variety of tasks such as mobility and other personal needs. A personal assistant may accompany a qualified student with a disability to classes and other student activities, if a formal request has been approved by the SMC Disabled Student Programs and Services (DSPS). All such assistants must be registered with the DSPS. The DSPS will notify the instructor of the approval.

The assistant may provide all accommodations approved by DSPS on a case-by-case basis. The student is independently responsible for content on all evaluated course work. The personal assistant is bound by the Rules for Student Conduct. (AR 4410)
