

MEMORANDUM OF UNDERSTANDING
December 15, 2015

The District and Faculty Association agree to the following:

For Winter 2016 only, the District will compensate two Interaction Design discipline faculty with a \$1500 stipend each for the review of up to 50 portfolios of Interaction Design bachelor degree program applicants and participation in one summary selection meeting.

Two Counseling faculty members will participate in the admissions process to compile student data related to admission criteria, review of the personal statements for up to 50 applicants, and participate in one summary selection meeting. The District will do one of the following:

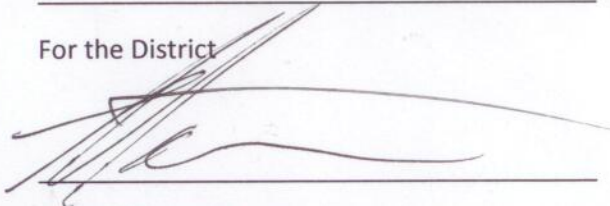

- a. Integrate this work into the Counselors' winter intersession and spring assignment or
- b. Compensate the Counselors with a stipend of \$800 each.

If the number of applications exceeds 50, the District will either:

- a. Prorate the stipends accordingly, which shall be compensated as provided above, or
- b. Add a discipline faculty member and counselor for each additional 25 applications.
