### Cost and Financial Aid

USC practices need-blind admission. A student's ability to pay has no bearing on his or her admission.

USC is committed to meeting every student's USC-determined financial need through a combination of need-based grants, Federal Work-Study, and loans.

Two thirds of the incoming class received financial assistance.

International students are not eligible to receive federal or USC need-based financial aid. AB 540 students may be eligible to receive a Cal Grant.
