SMC IN FOCUS

Stories of transformation and new possibilities from Santa Monica College's bi-monthly newsletter.

NEVER TOO LATE

Ana Mora survived an abusive relationship and substance use, and gained a fresh start in life at Santa Monica College.

POST-GAME STRATEGY

From hoops to standard deviations, Kant and stellate ganglia, outstanding Corsair Dexter Mack has a proven gameplan for personal success.

FOSTERING FUTURES

As former foster youth, Sabrina Conner and Shirel Omid have faced numerous hardships, which they are overcoming through their own resilience and support at Santa Monica College.

NO LOOKING BACK FOR MA'ISHA REID

This dedicated student services specialist and SMC alum deferred her dreams for decades. But she has zero regrets, and stands on the cusp of a brand-new chapter of her life.

BRAGGING RIGHTS

An opera, advocacy for arthrogryposis, taking a trick horse onto national TV, awards, helping and feeding students, boundary-breaking dance.

SOARING IN THE UNKNOWN

Ivy Ng, an Asian-Latina from Ecuador, came to SMC with trepidations about the unfamiliar. Through grit and determination, she found courage to flourish in the unknown.

OTHER SMC PROGRAMS

In addition to its academic and transfer preparation programs, Santa Monica College offers the community a variety of other programs and services that support career preparation and lifelong learning.

NONCREDIT INITIATIVES/PROGRAMS

If you are planning to re-enter the workforce, prepare for college, or improve your English. SMC offers free noncredit certificate programs in multiple modalities and with a variety of supportive services to help you plan your next chapter.

- Short-term vocational and workforce preparation courses and certificates
- English as a second language (ESL)
- Chromebook loans

Visit smc.edu/noncredit or call 310-434-3399 for details.

SMC COMMUNITY EDUCATION

- More than 450 low-cost classes, seminars, and workshops each semester
- Classes in everything from watercolor techniques to writing to piano
- Professional certificate and continuing education programs

To enroll, visit commed.smc.edu. For questions, please email us at commed@smc.edu or call 310-434-3400.

SMC EMERITUS/NONCREDIT OLDER ADULT PROGRAM

Free noncredit adult education courses — in Health and Conditioning, Art, Music, Writing, Literature, Theater, Computers and Software, Current Events, and more — specifically oriented to the interests of older adults. All currently offered online and on ground, along with free art and literary events and receptions. To enroll, see smc.edu/emeritus. For questions, please call 310-434-4306.

WORKFORCE & ECONOMIC DEVELOPMENT

SMC's Workforce and Economic Development Office (W&ED) helps develop the skilled workforce the region needs to compete successfully in today's global market.

- Customized training programs and services
- Pre-employment training in basic and job-specific skills
- Post-employment training to upgrade employee skill levels
- Concurrent employment training to update and expand employee professional and managerial skills

For more information, see smc.edu/workforcedevelopment or call 310-434-4199.

FINANCIAL AID

Students who need financial help to pursue their education should see the information on page 62 or visit the Financial Aid website at smc.edu/financialaid.

SMC STUDENT EMAIL

Santa Monica College uses Google Gmail to provide each SMC student with a FREE email address. Go to smc.edu/google for more information. CHECK YOUR GMAIL ACCOUNT OFTEN, as this is where SMC will send all official communication from the College to you. SMC email addresses may be restricted at the College's discretion at anytime.

PARKING & TRANSPORTATION

For parking, maps, and transportation information, please see page 64 or go to smc.edu/transportation for the latest details. Use commute.smc.edu to find the best way to get to campus.

ALCOHOL, SMOKING, & DRUGS

California state law prohibits the use, sale, possession, or being on campus under the influence of alcohol or of any controlled substance. (Cal. Ed. Code §§ 76032-76033). Smoking — including the use of e-cigarettes or vaporizers — is also not permitted at Santa Monica College, except in outdoor areas designated as smoking areas.

ENROLLMENT BY WEB

Monday – Sunday: 4 a.m. to 10 p.m.

Web (Corsair Connect): smc.edu/cc

WHO MAY ENROLL

You may enroll at Santa Monica College if you:

- Have graduated from high school, *or*
- Are 18 years of age or older, *or*
- Possess either (1) a high school diploma from a U.S. regionally accredited high school or from a foreign high school; or (2) a GED, a California Proficiency Program (CPP) Official Score Report, a California High School Certificate of Proficiency (CHSPE), or the equivalent (e.g., a HiSET score report; a TASC [Test Assessing Secondary Completion] score report), *or*
- Are 16 years of age or older and submit California Proficiency Program (CPP) Official Score Report or an official “Student Score Report” for passing the California High School Proficiency Examination (CHSPE) or equivalent, *or*
- Are a qualifying younger student who has completed 8th grade, and is participating in SMC’s Concurrent Enrollment program (see smc.edu/hsce for details), and
- You meet the residency requirements (see page 59), and can profit from the program.

CHSPE NOTICE: The California Department of Education has replaced the California High School Certificate of Proficiency (CHSPE) with the California Proficiency Program (CPP). However, Santa Monica College will continue to accept valid CHSPE score reports issued to students.

PLEASE NOTE:

All official communication from Santa Monica College will be sent to you at your SMC student email address (last name_first name@student.smc.edu). You can check your student email account by logging into Corsair Connect at smc.edu/cc and clicking on “SMC Email” in the menu on the left. Be sure to check your SMC student email often!

APPLYING FOR ADMISSION

Continuing students do **NOT** have to reapply for admission. If you have never attended Santa Monica College (**new student**), or have been away for two or more consecutive semesters (**returning student**), you must first:

- File an application for admission online (go to smc.edu/apply, click on “New Students,” then click on “Apply to SMC” to get started);
- At least four weeks before the start of the session, **arrange for transcripts** of previous college work (or high school work, if no college work was completed) **to be sent directly to the Admissions Office**. Copies issued to a student (even if in a sealed envelope) will NOT be accepted.

You will be emailed an admission letter. Please review it for information on resident status for tuition/fee purposes, any outstanding admission issues, orientation, placement, education planning/counseling, and enrollment.

All regularly admitted first-time SMC students are required to complete the math and English placement process (or the ESL placement process), complete the online college orientation, and prepare an education plan (see smc.edu/myedplan for details). Once done, you will be able to enroll for classes through Corsair Connect at smc.edu/cc on the date and time of your enrollment.

International Students

Santa Monica College defines an “international student” as a student attending the College while in F-1 or F-2 visa status. The international student application is available online (go to smc.edu/iapp). Please visit smc.edu/international for additional information about the application process and deadline dates, tuition and fees, and support services for F-1 and F-2 students. For the winter 2025 session, applications for out-of-country applicants must be submitted by November 15, 2024; and applications for in-country applicants who already have an F-1 or F-2 visa must be submitted by December 1, 2024.

- If you have F-1 status from another school, you may enroll at SMC on a limited basis. Please consult with the International Education Center.
- If you have another type of visa status (not F-1 or F-2), you may enroll through the Admissions Office. However, if you are currently on a B visa, you cannot enroll until you change status to a visa with education privileges. Please contact the International Education Center for details.

Veterans

Santa Monica College is approved as an institution for higher learning for veterans and veterans’ dependents entitled to education assistance from the Veterans Administration (VA). SMC cooperates with the VA in helping veterans, and offers academic, career, and transfer counseling, as well as priority enrollment, tutoring, and other services to support veterans in achieving their education goals.

If you wish to attend SMC under one of the veterans’ assistance bills, please see the information and instructions at smc.edu/vet or consult a counselor in the Veterans Success Center.

Eligible nonresident veterans may qualify to pay resident fees. Consult with a Veterans Success Center counselor or with the Admissions and Records Office for details.

Students with Disabilities

If you wish to use the special counseling services provided through the Center for Students with Disabilities, call 310-434-4265. See page 53 for more information.

Printed SMC materials are available in alternate media upon request. To request publications in alternate formats for disability accommodation, send email to DSCcontact@smc.edu or call 310-434-4265. This Schedule of Classes is also available online (see smc.edu/schedules).

Dismissed Students

If you were dismissed from a previous college, OR were dismissed from Santa Monica College AND have been away from SMC for two consecutive semesters (one year) or longer, you are required take certain steps to qualify for readmission. Go to smc.edu/apply and click on the “Returning Students” link for details.

If you have been dismissed from SMC *more than once*, you will be required to take a break from attending SMC for up to a maximum of one year.

For further information, please see an SMC counselor.

ENGLISH, ESL, AND MATH PLACEMENT

Assembly Bill 1705 requires California Community Colleges to help students enroll in and complete transfer-level coursework in English or ESL and math, which is within one year for English and math, and within three years if the student starts with ESL. You will be placed in **English (or ESL)** and **math** based on either your prior work or a guided self-placement, depending on when and where you completed your prior work.

If you have graduated from a United States high school or earned a GED® in the United States:

- You will be placed using multiple measures that include your high school GPA, courses, and grades reported on your CCCApply admission application.
- **You may check your placement once you have activated your Corsair Connect account at smc.edu/cc.** Just log in, click the “Placement” badge (under the “Success Steps” card), and review your placement. If you do not see courses listed, your SMC admission application is missing some necessary information. Follow the instructions on the screen, enter the information requested. Once done, you will see your placement.

If you did not graduate from a United States high school or did not receive their GED® in the United States, or graduated high school in another country:

- You will be placed using “guided self-placement,” a set of online tools that help evaluate how prepared you are with the skills you are expected to have before starting a particular math, English, or credit ESL class. To be guided to the best class for your needs, it is important that you read everything presented to you carefully, and that you answer honestly.
- To access the guided self-placement tools, log on to Corsair Connect at smc.edu/cc. Then click the “Placement” badge (under the “Success Steps” card) and follow the instructions on the screen.

Plan on completing your English and math placements together. You may take each guided self-placement only one time.

Please note: The math self-placement presents six (6) options based on your academic and career path (major) or the course you are interested in taking. If you are not sure which option to choose, check with a counselor. You may take any of the math guided self-placements only one time.

About Your English, ESL, and Math Placements

For English, depending on your placement, you will start in one of two ways: (a) directly in English 1, a transfer-level course; or (b) directly in English 1 paired with English 28, a supporting course. In some instances, you may also be encouraged to take another reading or grammar supporting course. See page 25 for the English Course Sequence.

Some students may need to be placed in selected ESL courses. Depending on your placement, you will start with one of the following courses: ESL 10G and ESL 10W, ESL 11A, ESL 19A, ESL 19B, or English 1. ESL 19A, ESL 19B, and English 1 are CSU/UC transferable courses. See page 25 for the English Course Sequence and page 27 for the ESL Course Sequence.

For math, depending on your placement, you will start in one of two ways: (a) directly in a transfer-level math course, or (b) directly in a transfer-level math course paired with one supporting course. According to AB 1705, students may not be required to repeat courses they completed in high school with a C- or higher grade. If your English or math placement in Corsair Connect places you into a class you already completed, please meet with a counselor to discuss your case. A counselor may issue you a waiver and place you into the appropriate course for your program of study. See page 37 for the Mathematics Course Sequence.

Assembly Bill 1805 permits students to view annual placement statistics for English, ESL, and mathematics. These are available at smc.edu/successcenter.

Other Placement Services

Santa Monica College will continue to offer limited assessment services for the Chemistry 10 challenge exam and math proficiency for graduation. You must have already applied for SMC admission, and must present a valid government-issued photo identification (e.g., driver license, passport, military ID). Test preparation materials are available online at smc.edu/successcenter.

The Success & Engagement Center (formerly the Assessment Center) is located in Student Services Center S145. The Center offers limited testing services on a walk-in, first-arrival basis. Please check our website (smc.edu/successcenter) or call 310-434-8040 for up-to-date information on office and testing hours.

Is Placement Required?

Completing the placement process in English or ESL and in math is **mandatory** if you are:

- A first-time college student enrolling in more than six units during your first semester at SMC; or
- A continuing student who has not completed the placement process; or
- Enrolling in an English, ESL, or math course for the first time (even if not a first-time college student); or
- Enrolling in courses with required English or math preparation (prerequisites).

Based upon your placement results, you will receive an English, ESL, or math placement recommendation.

Placement Exemptions & Placement and Prerequisite Waivers

You may be exempt from the placement requirement and may also be granted placement and prerequisite waivers — as well as credit — for selected English, ESL, math, and chemistry courses under specific circumstances. Please see our webpage (smc.edu/waivers) for an overview, then consult with a counselor in General Counseling & Transfer Services for details.

Please note: Although you may be exempt from the placement process, you still must successfully complete — or receive waivers for — any prerequisite courses that are required for classes in English (or ESL), math, Anatomy 1, Biology 21/22/23, Chemistry 11/12/21/22/24, Film 31/32/33/34, Microbiology 1, Nursing 17, Physics 7/9/22/23/24, and Physiology 3 (among other courses). For further information, please consult with a counselor in General Counseling & Transfer Services.

ABOUT YOUR TRANSFER UNITS

Many students use Santa Monica College as the freshman and sophomore years of a four-year college plan. SMC is a leader in transferring students to their junior year at four-year colleges and universities, including the UC and CSU systems. Each of these institutions has a list of courses that must be completed to:

- satisfy general education requirements,
- satisfy lower-division pre-major requirements, and
- satisfy elective requirements.

How credit for an SMC course transfers to your future school depends on how that school will accept the course, and how clearly defined your transfer goal is.

You can look up transfer information yourself (go to assist.org for details), but you will find it much easier to talk to a counselor in the Counseling Department. To schedule an appointment with a counselor, please call 310-434-4210.

STUDENT-ATHLETES PLEASE NOTE: *If you plan to transfer with an athletic scholarship*, please see an athletic counselor for a list of requirements and to arrange for continuous counseling while enrolled at SMC.

ACCESSIBILITY ADVISORY

SMC will relocate classes to accommodate individual students with specific disability-related access needs. To initiate this process, please contact the Center for Students with Disabilities at 310-434-4265 (voice) or 310-434-4272 (fax).

The path of travel from the public bus stops on Centinela to the Bundy and Airport Arts campuses is a steep grade that may be inaccessible for some with mobility limitations. However, the Sunset Ride — an accessible public bus line — which transfers from Big Blue Bus Line #14, stops inside the Bundy Campus.

In addition, the following have access restrictions:

- Art building: Accessible restrooms require an access key; go to the Center for Students with Disabilities (Student Services Center S155) or call 310-434-4265.
- Access keys are required for elevators when classes are not in session in the Business, Art, and Student Activities buildings, as well as for the Gym basement elevator.

Enrollment

IMPORTANT: All enrollment transactions take place online via Corsair Connect (smc.edu/cc). You may enroll in any class with space available **until the evening before the second class meeting** if the class is less than 90% full. Beginning the day of the **second** class meeting, you must have an Instructor Authorization Code for each class you wish to enroll in, even if the class has space available. EXCEPTIONS: (1) The enrollment deadline for *online, hybrid, or Arranged Hours classes* is the Sunday evening prior to the week the course begins; (2) for *classes meeting once per week and courses with a lab*, you may enroll until 10 p.m. the

DATES AND DEADLINES

NEW AND RETURNING STUDENTS

WINTER 2025 SCHEDULE OF CLASSES

Go to smc.edu/searchclasses to find schedule information — including changes, cancellations, and additions — for all open enrollment semesters.

Apply today at smc.edu/apply

Enrollment starts in early November.

Winter classes begin Monday, Jan 6, 2025.

night before the first class meeting. If the class is full, you will need an Instructor Authorization Code.

Please note: If a class is closed and the term has not started, please keep trying, as the class will re-open if space becomes available. Join the open seat class notification list or the wait list (see relevant sections below). For more information about the enrollment process, please see smc.edu/enroll.

ENROLLMENT BY WEB

You may enroll by web on or after the enrollment date and time listed for you. You can enroll from any computer in the Admissions Office lobby. You may also enroll from home if you have Internet access.

1. Go to smc.edu/cc
2. Enter your username and your password
3. Follow the instructions provided.

To confirm that the classes you selected have been added, click on “Student Records” under Home & Profile in the menu on the left, then click “View Enrollment Transaction Receipt.” If the receipt is correct, print out a copy. **You must have this printout to contest any discrepancies.**

You may also **add** or **drop** classes by web. If you decide NOT to attend a course you have enrolled in, it is YOUR responsibility to officially withdraw from it. See withdrawal information on page 56.

For payment information, see the PAYMENT POLICY section.

ABOUT PRIORITY ENROLLMENT

You are STRONGLY encouraged to enroll as close to your assigned date and time as possible, since students who come after you in priority will quickly fill the classes you need if you wait too long.

State and local regulations, combined with other factors, determine the order in which your enrollment date and time are assigned. It is important complete the SMC placement process, online orientation, and education plan requirements as soon as possible — especially if you are pursuing a degree, certificate, or transfer, or you are a first-time college student — because the sooner you do so, the sooner you will receive your enrollment appointment.

LOSS OF ENROLLMENT PRIORITY

You may lose your priority enrollment status if you do not complete SMC’s online orientation (see smc.edu/orientation), placement process (go to smc.edu/cc and click the “Placement” tab), or an abbreviated education plan if you are a new or first-time-in-college student, or a comprehensive education plan if you are a student who will have either earned 15 degree-applicable units by the end of the term or will have completed a third semester (whichever comes first; see the information at smc.edu/myedplan). You will also lose priority enrollment if you are on academic or progress probation for two consecutive semesters/terms, or you accumulate excessive units, or you are found responsible for violating provisions of the SMC Rules for Student Conduct, such as holding or selling seats in a class. For more information, please refer to smc.edu/admissions (click on “Policies and Procedures Index” under the Policies section).

OPEN SEAT NOTIFICATION

If you wish to take a course, but the section you want is already closed, you may sign up for an Open Seat Notification list up to two weeks before the term starts. You will receive a notification if a seat becomes available. A notification does NOT mean you are enrolled in the course. When you receive a

notification, it is YOUR responsibility to go to Corsair Connect at smc.edu/cc and enroll in the class. You may also unsubscribe from the Open Seat Notification list up to two weeks before the term starts. Notification lists expire two weeks prior to the start of the term (always on a Monday at 12:01 a.m.).

WAITLISTS

You may be given the opportunity to join a waitlist for a class section, starting two weeks before the term begins (always on a Monday at 12:01 a.m.). You will be able to track your status on the waitlist through Corsair Connect at smc.edu/cc. The waitlist is provided to faculty, who can add students to the class if there are seats available once the class starts. If you are on a waitlist, you will receive a notice by email if a seat has become available, and may enroll in the course on a first-come, first-served basis. Please visit smc.edu/enroll for more details about the waitlist process.

SMC STUDENT I.D. CARD

You may obtain one SMC student I.D. card FREE of charge through the Cashier’s Office. Instructions on how to request your I.D. are available at smc.edu/cashier. If you lose your card, a replacement card may be purchased at the Cashier’s Office for \$20. Your SMC student I.D. provides a convenient way to check out materials from the SMC library and access the campus tutoring labs and learning resource centers, as well as purchase discount tickets for selected student events or activities.

SMC STUDENT EMAIL

Santa Monica College uses Google Gmail to provide each SMC student with a FREE email address. Go to smc.edu/google for more information. CHECK YOUR GMAIL ACCOUNT OFTEN, as this is where SMC will send all official communication from the College to you. SMC email addresses may be restricted at the College’s discretion at any time.

NOTE: Your @student.smc.edu email address is NOT permanent, and will be disabled after a period of nonenrollment. DO NOT link or associate your SMC student email address with personal and non-SMC related services, including Facebook, Twitter, Instagram, etc., as well as your bank account(s) and ATM and credit cards. Also, DO NOT use your SMC student email address for purchased apps/services.

Fees

All fees are subject to change without notice. See smc.edu/fees for the latest details.

If you qualify for the SMC Promise Program, you are exempt from paying enrollment, Student Benefits, Health Services, Student Representation, and A.S. Resource fees. See smc.edu/freetuition for details.

If you are taking only noncredit courses (designated by section numbers of 7000 or above), you are not required to pay the Health Services fee, Student Benefits fee, or A.S. Resource fee. However, you are required to pay the Student Representation fee, or you may opt out of it through Corsair Connect (go to smc.edu/cc, click on “Fees & Payment,” select the relevant term/semester, then click on “Fee Assessment”).

PLEASE NOTE: You may be eligible for financial aid. Work Study funds and the California College Promise Grant (CCPG) **are available** for the winter session. To find out, call the Financial Aid Office at 310-434-4343 as soon as possible. See page 62 for additional information.

CA Resident Fees for Winter Session:

Enrollment Fee	\$46/unit
Upper-Division Courses	\$84/unit
SMC Health Services Fee	\$22
Student Benefits Fee (Optional)	\$22.50
Associated Students Resource Fee (Optional)	\$10
Student Representation Fee (Optional)	\$2

Nonresident Fees for Winter Session:

Enrollment Fee	\$46/unit
Upper-Division Courses	\$84/unit
Nonresident Tuition	\$398/unit
AB 947 Exemption	\$374/unit
SMC Health Services Fee	\$22
Student Benefits Fee (Optional)	\$22.50
Associated Students Resource Fee (Optional)	\$10
Student Representation Fee (Optional)	\$2

Enrollment Fee

All students — resident and nonresident — in graded credit courses must pay an enrollment fee of \$46 per unit.

Upper-Division Coursework Fee (B.S. in Interaction Design)

In ADDITION TO the per-unit enrollment fee of \$46, all students — resident and nonresident — *enrolled in graded upper-division credit courses for the Bachelor of Science degree in Interaction Design* must pay an upper-division coursework fee of \$84 per unit. **This fee is NOT covered by the California College Promise Grant (CCPG).** For nonresident students pursuing the degree, this fee is IN ADDITION to the nonresident tuition fee.

Nonresident Tuition Fee

In ADDITION TO the per-unit enrollment fee of \$46, all nonresident students must pay tuition of \$398 per semester unit (for a total of \$444 per semester unit), or \$374 per semester unit (for a total of \$420 per semester unit) if eligible for AB 947 exemption. For residency information, visit smc.edu/residency or call the residence clerk in the Admissions Office at 310-434-4461 or 310-434-4595.

Health Services Fee

The mandatory Health Services fee of \$22 during the winter session includes free basic health services, information, and referrals by full-time RN; emergency first aid treatment; and free or reduced-cost immunizations.

Student Benefits Fee

The optional \$22.50 Student Benefits fee provides the LiveSafe app and unlimited transit rides on Big Blue Bus, Metro trains and buses, and 13 other transit agencies across Los Angeles through the GoPass. The fee also supports the technology (campus WiFi, computer labs, printing, Chromebook loan program) SMC makes available free to all students. You may opt out of paying the Student Benefits fee through Corsair Connect (Fees & Payments tab) prior to the *earliest* Refund Deadline for a class you are enrolled in during the term.

Associated Students Resource Fee

The optional Associated Students Resource fee of \$10 supports SMC’s many student clubs and other activities that foster academic achievement, campus life and social events, campus sustainability programs, basic needs programs, and Cayton Center renovations. For details, see the A.S. webpage (smc.edu/associated_students) or stop by the Student Life Office (Room 202 of the Cayton Associated Students Center). You may

opt out of paying the A.S. Resource fee through Corsair Connect (Fees & Payments tab) prior to the *earliest* Refund Deadline for a class you are enrolled in during the term.

Student Representation Fee

The optional Student Representation fee of \$2, mandated by Assembly Bill (AB) 1504, provides support for student government representatives who may be presenting positions and viewpoints to representatives, offices, and agencies of local, district, and state governments. The fee is divided, with \$1 going to the Associated Students, and \$1 for use by the Student Senate of the California Community Colleges (SSCCC). You may opt out of paying the Student Representation fee through Corsair Connect (Fees & Payments tab).

Materials and Supplies Fees

Some classes require additional fees for materials and supplies. Consult the class listings in this schedule to determine whether any such fees are required. Please note that these fees are NOT refundable.

ON-CAMPUS AND SATELLITE CAMPUS VIRTUAL PARKING PERMITS

A virtual on-campus parking permit does NOT guarantee you a parking space. What a virtual parking permit does is entitle you to use on-campus student parking areas on a space-available, first-arrival basis. NOTE: Your virtual parking permit is for ON-CAMPUS PARKING ONLY — it is NOT a residential (street) parking permit.

For parking at SMC's main campus, SMC Performing Arts Center (PAC), or the SMC Center for Media and Design (CMD), you MUST purchase a virtual parking permit for \$25 for the winter session. The permit price includes the City of Santa Monica 10% parking facilities tax. The virtual parking permit provides access to parking lots at ALL SMC campuses.

You may purchase virtual parking permits online through Corsair Connect at smc.edu/cc. If you have been awarded a California College Promise Grant for the academic year, you may purchase a virtual parking permit for \$10 (which includes the City of Santa Monica 10% parking facilities tax) at the Cashier's Office.

Parking at SMC Airport Arts, Bundy, and Malibu campuses is FREE, but REQUIRES A VIRTUAL PARKING PERMIT. You may request virtual parking permits online through Corsair Connect at smc.edu/cc.

PLEASE NOTE: Student virtual parking permits are NOT valid for faculty/staff parking areas.

Accessible Parking: The display of a DMV accessible placard AND registration for an SMC virtual parking permit entitles you to park in any accessible, student, or staff parking space.

An important caution: Car alarms are disruptive to other students and our neighbors. Cars with activated alarms in the SMC parking areas will be TOWED IMMEDIATELY at YOUR expense.

BIG BLUE BUS (BBB) AND METRO TAP CARDS

As an SMC student, you can ride ANY Big Blue Bus, Metro bus or train, or buses on 13 other transit agencies across L.A. anytime — at NO EXTRA COST! — if you are currently enrolled and have paid the Student Benefits fee. Visit smc.edu/transportation for details on how to get your TAP card.

WITHDRAWAL REFUND SCHEDULE

See "Academic Policies" on page 56 for information on withdrawal refunds. Withdrawal refund deadlines

appear next to each enrolled class listed in your Corsair Connect account.

Payment Policy

PAYMENT

PLEASE NOTE: You may be eligible to receive some form of financial aid. Call the Financial Aid Office at 310-434-4343 as soon as possible. Work Study funds and the California College Promise Grant (CCPG) are available for the winter session (go to smc.edu/financialaid for details). Please note: The California College Promise Grant and SMC Promise Program do NOT cover upper-division coursework fees.

You can pay your fees by using a MasterCard, Visa, Discover, or American Express credit card at the same site where you enroll. For other payment options, see the "How to Pay" information.

Payments of enrollment and related fees for courses you enroll in are due by the deadline dates published on the fees webpage and in your Corsair Connect account. **The winter 2025 payment deadline is Wednesday, December 11, 2024, at 5 p.m. Starting Thursday, December 12, 2024, you must pay for any new class you add before midnight on the day you add the class, or you will be dropped for nonpayment. Please see smc.edu/fees for payment deadline dates and other related information. It is YOUR responsibility to drop any courses you do not wish to continue. If you do not drop the courses by the refund deadline — even if you never went to class — you will be responsible for paying the fees and will not be able to enroll in future terms until all fees are paid. A hold will also be placed on your records, which prevents you from receiving enrollment verification, diplomas, etc. See smc.edu/fees for the latest details.**

How to Pay

SMC offers students several payment options.

- You may pay fees in cash or by check, money order, cashier's check, Visa, MasterCard, Discover, or American Express.
- Nonresident tuition may be paid in cash or by money order, cashier's check, or a personal check drawn on a California bank.

You may pay:

- By web using a MasterCard, Visa, Discover, or American Express card ONLY (**web enrollment takes place on a certified secured site, and all data transactions are encrypted**); to pay fees online, log onto Corsair Connect at smc.edu/cc and **make sure the correct "school semester" is selected**, then select "Pay Fees Online" from the menu on the left);
- By mailing your check, money order, or cashier's check (no cash) to Santa Monica College, Cashier's Office, 1900 Pico Boulevard, Santa Monica, CA 90405.
- By phone by calling the Cashier's Office during business hours at 310-434-4664.

If you have a credit for any prior transaction(s), the amount will be applied to any owed balance.

Financial Assistance

Santa Monica College provides a variety of resources to assist and encourage students who need financial assistance.

FINANCIAL AID

Financial aid is used to pay for mandatory fees, books, transportation, room and board, and other education-

related costs. Before starting enrollment procedures, contact the Financial Aid Office. The Financial Aid Office is open Monday and Thursday from 8:30 a.m. to 4:30 p.m., Tuesday and Wednesday from 8:30 a.m. to 6 p.m., and Friday from 8 a.m. to 1 p.m. **Hours for the Financial Aid Office's Q-less online phone system are Monday and Thursday from 10 a.m. to 3 p.m., Tuesday and Wednesday from 10 a.m. to 5 p.m., and Friday from 9 a.m. to 12 p.m. Hours are subject to change without notice.** For additional information, please see smc.edu/financialaid or call 310-434-4343.

SMC offers various types of financial aid:

- Grants** (Pell Grant, SEOG, Cal Grant B, C, SSCG): Need-based assistance that does not need to be repaid.
- California College Promise Grant** (CCPG): Need-based enrollment fee waivers for eligible California residents.
- Santa Monica College Promise:** Free enrollment and fee waivers for students who graduate from a California high school or complete a high school equivalency test (e.g., GED® or HiSET® or CPP) and go directly to SMC as full-time students (see smc.edu/freetuition for details).
- Federal Work-Study (FWS) funds:** Federally funded program that provides wages to eligible students for employment.
- Loans:** Federally administered, low-interest funds that must be repaid.
- Scholarships:** Awards from foundations and private endowments or individuals.

Important Dates

FAFSA application available	October 1
FAFSA and Cal Grant priority deadline	March 2
Extended Cal Grant deadline	September 2

Who is Eligible?

- You must be a U.S. citizen or eligible non-citizen
- Possess a Social Security Number (SSN)
- Demonstrate financial need (except for SMC Promise and many scholarships)
- Have a high school diploma, GED®, California High School Proficiency Certificate, or demonstrate an ability to benefit from post-secondary education
- Comply with Selective Service registration (if required)

How to Apply for Federal Financial Aid

You can generally apply as early as October 1, and you do not need to wait to be admitted to SMC to apply.

- Create your FSA ID username and password at fsaid.ed.gov. To expedite the financial aid process, have your parent create one also.
- Once you receive your PIN, go to studentaid.gov/fafsa-app to complete the Free Application for Federal Student Aid (FAFSA). Santa Monica College's Federal School Code is 001286.
- When the FAFSA is sent to the Federal Processor, this information is put through the eligibility-determining formula and an Expected Family Contribution (EFC) is calculated. A Student Aid Report (SAR) on financial aid eligibility will be mailed to you.

How to Receive Your Financial Aid

Santa Monica College has partnered with BankMobile to process financial aid disbursements. For details, see smc.edu/bankmobile.

Accounting

General accountants examine financial records of municipal, county, state, and federal agencies for compliance with laws. They record transactions, such as receivable, payable, payroll, property into a general ledger. Corporate accountants set up and design accounting/bookkeeping systems and procedures, risk management programs, tax law and finance methods, record financial transactions, and analyze and evaluate financial records for businesses. Their duties include interpreting financial information and preparing reports for business executives and government regulatory agencies. Advancement includes senior accountant, controller, treasurer, and chief financial officer positions.

Some of the courses listed in this section are accompanied by Supplemental Instruction. Supplemental Instruction (SI) is an academic assistance program that utilizes free peer-assisted weekly study sessions to help students learn the most difficult course content. For more information, please see the SI website at smc.edu/si.

ACCTG 1, INTRODUCTION TO FINANCIAL ACCOUNTING 5 UNITS

Transfer: UC, CSU

Animation

The Animation program prepares students for careers in the entertainment industry through comprehensive, hands-on training. The program is designed to meet the industry's need for creative professionals who excel in developing ideas and have the technical proficiency to execute them. Our instructors are experienced professionals who bring first-hand knowledge of industry practices to the classroom and work in close collaboration with industry advisors to keep up with trends and changing requirements. In addition, participating companies often provide guest speakers and student internships. We offer day, evening and weekend classes to provide educational opportunities to all students. In addition, select courses are offered online through Distance Education. Students who are interested in the Animation program are strongly encouraged to schedule an appointment with one of the counselors at the Center for Media and Design campus to develop an Educational Plan. This is to ensure that you are taking the necessary courses to meet your educational goals. To learn more, please visit smc.edu/designtech.

Students interested in independent studies or internships for the Animation program may enroll in the Entertainment Technology (ET) 88 or 90 series of courses. Please speak with the Design Technology Department Chair or an Academic Counselor at the CMD for more information.

ANIM 10, QUICK-SKETCH AND RAPID VISUALIZATION 2 UNITS

Transfer: CSU

Formerly ET 93.

The major emphasis in this course will be the ability to draw clear, credible, and simplified representations of complex visual phenomena. These phenomena include the human figure at rest or in motion and the spatial environment for these figures and their actions. Students will use a variety of media, some of which will be applicable spontaneous reactions to action events. Skill development will include the ability to visualize and invent figures and environments from a variety of viewing angles and light conditions.

ANIM 75, CAREER DEVELOPMENT 2 UNITS

Transfer: CSU

Formerly ET 72.

This course provides an overview of the strategies and techniques to develop a career within the entertainment industry, which includes jobs in the production of live action, animation, game, interactive, internet, visual effects, as well as performance and other entertainment fields. Students will learn to identify and research potential career paths in these various industries. They will develop personal marketing tools, such as resume, cover letter and other presentation materials (i.e. demo reels, personal websites, portfolios, etc.), that will help to brand and promote them into the industry. Networking skills and interviewing techniques will prepare them for any entry-level position in the entertainment industry.

Anthropology

Anthropology is a diverse discipline involving the humanities, social sciences and natural sciences that examines various aspects of past and present-day humans. It consists of four fields: Archaeology, Cultural Anthropology, Linguistic Anthropology, and Physical Anthropology. Archaeology examines past human cultures through material culture. Cultural Anthropology focuses on sociocultural variation among humans. Linguistic Anthropology examines how language influences society and culture. Physical Anthropology studies the biological and behavioral aspects of humans within an evolutionary framework.

Some of the courses listed in this section are accompanied by Supplemental Instruction. Supplemental Instruction (SI) is an academic assistance program that utilizes free peer-assisted weekly study sessions to help students learn the most difficult course content. For more information, please see the SI website at smc.edu/si.

• Advisory: Eligibility for English 1.

Cultural Anthropology is the study of human society and culture, analyzing both similarities and differences amongst

cultural groups. This course will introduce students to important socio-cultural concepts used by cultural anthropologists including material culture, social organization, religion, kinship, ritual and symbolic systems, race, ethnicity, and language amongst others. Students will examine how cultural anthropologists understand the notion of culture in the study of human behavior in different regions of the world. The ethnographic method as a key methodology will be stressed throughout this course.

Architecture

See also "Interior Architectural Design."

The Architecture program provides an analytical foundation from which you will explore design innovation through functional, cultural, environmental, and socially conscious design. Learn about the impact of the built environment while developing skills in drafting, rendering, presentations, project collaboration, environmental design, building systems, and code compliance. Explore creative careers in digital production or environmental design for a sustainable future. Our instructors are experienced professionals who bring first-hand knowledge of industry practices to the classroom and work in close collaboration with industry advisors to keep up with trends and changing requirements. In addition, participating companies often provide guest speakers and student internships. We offer day, evening and weekend classes to provide educational opportunities to all students. In addition, selected Architecture courses are offered online through SMC's Distance Education program. Students who are interested in the Architecture program are strongly encouraged to schedule an appointment with one of the counselors at the Center for Media and Design campus to develop an Educational Plan. This is to ensure that you are taking the necessary courses to meet your educational goals. To learn more, please visit smc.edu/designtech.

Art

Artists express their thoughts and feelings by creating fine art works that are primarily intended for aesthetic enjoyment. Related career titles include advertising artist or designer, art administrator, furniture designer, illustrator, courtroom sketcher, medical illustrator, animator and toy designer. Some organizations that typically employ art majors include: studios, museums, auction houses, art councils, educational institutions, hospitals, interior design departments, advertising agencies, and film and media production companies.

Art History

Art History is the study of art created in the past by individuals from various cultures and parts of the world. It is the study of the historical development of art as social and intellectual phenomenon, the analysis of works of art and art conservation. Students study specific periods, cultures, styles and themes. The art historian seeks to interpret and understand works of art of many types, ranging from the monumental to small scale, by learning about artists' lives and their societies. Students are prepared for a wide range of professional careers — in museums, galleries, auction houses or publishing, including antique dealer, art appraiser, art dealer, art restorer and museum curator.

IGETC AREA 3A (Arts and Humanities)

- Satisfies Global Citizenship
- Advisory: Eligibility for English 1.
Formerly ART 79.

An introduction to artistic practices by exploring the myriad manifestations of visual culture in our world through a cross-cultural thematic approach. This course examines themes in art like Religion, Power, Reproduction and Sexuality, and traces them across cultures and time periods. Emphasis will be placed on learning the language of visual culture both in terms of the formal elements of design as well as the content of style and subject matter and finding connections and dif-

ferences. Students will explore the various media of art from drawing, sculpture, fresco, oil, photography, motion pictures, architecture to contemporary advertising and design and investigate how various cultures have used specific media and themes. This course is designed to introduce Fine Art and Art History simultaneously providing a unique opportunity to explore these fields as well as to prepare students for a course of study in Fine Art and Art History.

Astronomy

Astronomers and astrophysicists study the contents of our universe, including planets, stars, galaxies, and even the universe in its entirety. They are essentially physicists who specialize in using the fundamental laws of nature and the techniques of mathematics to understand our place in the cosmos. Astronomers design and build telescopes and other scientific instruments to collect data from astronomical objects. They then apply the techniques of scientific data reduction and analysis to extract the information from the data collected. While many astronomers and astrophysicists end up in academia, their unique skills are in great demand in many other fields including, aerospace, engineering, computer science, software development, information technology, financial services, education, and public outreach.

ASTRON 1, STELLAR ASTRONOMY **3 UNITS**

Transfer: UC*, CSU
 IGETC AREA 5A (Physical Sciences, non-lab)

- *Maximum credit allowed for ASTRON 2 and ASTRON 4 is one course (4 units).

This is a 4-unit introductory level lab course with a similar curricular depth and breadth to its comparable 3-unit lecture course Astronomy 2. In the lab component, students begin by re-creating many historical, first-ever human discoveries and measurements that helped to develop the scientific method: the size of Earth, Moon, and Sun, their relative distances, the scale of planetary orbits, phases, diameters, densities, masses, surface features, atmospheres, and rates of rotation. The labs also engage students in basic observations of the sky, computer simulations, and analysis of archival data from public domain sky surveys and surface maps by robotic NASA rovers and orbiting probes. The course material is a single semester survey of the origin and evolution of planetary systems such as our own Solar System including the latest leading theories of planetary topography, atmospheres, interiors, moons, comets, asteroids, and aurorae produced by the interaction of planetary magnetism and particle outflows from the Sun.

Biological Sciences

See also "Aquaculture."

Coursework and study in the biological sciences provides a foundation for future employment in many of the fastest growing and emerging STEM (Science, Technology, Engineering and Math) fields today. Students of biology are at the front lines of many of the most critical questions our society is facing in the 21st century and beyond, including addressing climate change, the biodiversity crisis, resource management and population growth, emerging/infectious

diseases and public health. Students of biology become lab technicians, nurses, genetic counselors, physicians, environmental scientists, landscape architects, state and national park rangers, researchers in agriculture, pharmaceuticals and biotechnology, teachers and college professors. Logic and critical thinking skills developed as a student of biology are applicable to nearly every field and every discipline and provide a foundation for making informed personal, business and public policy decisions. Students must be present for the first session of biological science classes to be assured of admission to limited laboratory spaces. Students who wish to enroll in a Life Sciences course must demonstrate that they have met the prerequisites for the course prior to enrollment. Continuing students must complete prerequisite courses with a C or better. If currently enrolled in a prerequisite course at SMC at the time of enrollment, students will be admitted to subsequent courses based upon midterm placement results, but will be dropped if the prerequisite course is not completed with a C or better. Students who have successfully completed one or more prerequisite courses (earning a grade of C- or better in both the lecture and lab courses and an average of C (2.0) or better overall) at another institution may be able to verify having met the prerequisites by submitting a transcript and course description and course syllabus for the prerequisite courses.

ANATMY 1, GENERAL HUMAN ANATOMY **4 UNITS**

Transfer: UC, CSU
 C-ID: BIOL 110B.
 IGETC AREA 5B (Biological Sciences, + LAB)

- Prerequisite: ENGL 1.

This course is an intensive study of the gross and microscopic structure of the human body including the four major types of tissue and their subgroups, and the following organ systems: integumentary, skeletal, muscular, circulatory, respiratory, digestive, urinary, reproductive, endocrine, nervous, and sensory. Functions of the organ systems are included at the introductory level to prepare students for a course in Human Physiology. Laboratory assignments develop the skills of observation, investigation, identification, discovery and dissection. The use of actual specimens, including cat dissection and observation of a human cadaver, is emphasized to assure that students learn the relative structure, functions, textures and variations in tissues not incorporated in models. Supplemental materials such as models, photographs, charts, videotapes, and digitized images are also provided. This course is required for students preparing for many Allied Health professions including, but not limited to, Nursing, Respiratory Therapy, Physical Therapy, Physical Education and Kinesiology Training, and Physician's Assistant and is a prerequisite for Human Physiology 3.

NUTR 7, FOOD AND CULTURE IN AMERICA 3 UNITS

Transfer: UC, CSU
IGETC AREA 4 (Social and Behavioral Sciences)

- Satisfies Global Citizenship
- Advisory: NUTR 1.

The evolution of American food culture is examined from a historical, contemporary, economic, political and scientific survey of ethnic groups in America, including Native Americans, European Americans, African Americans, Asian Americans, and Latinos. Immigration, enculturation, acculturation, religion, food availability, food preference, food behavior, food preparation, food beliefs and food-related gender roles are considered. These factors are compared and contrasted across the ethnic groups and regions in America. The impact of "Americanization" on ethnic cuisines and impact of ethnic cuisines on the American economy are explored. Current research on the health- and nutrition-related implications of ethnic groups' food choices/practices is reviewed. Engendering cultural sensitivity and competency is at the core of this course.

Chemistry

Chemists study the properties of matter and make qualitative and quantitative analysis of many substances. They conduct a variety of experiments and tests in laboratories to develop new knowledge or maintain control over the quality of existing products and procedures. Chemists may work in research and development, or production and quality control in the chemical manufacturing industry, and in education or government institutions. Students must be present at the first lab session of a chemistry course to be assured of admission to limited lab spaces. Students who wish to enroll in a chemistry course must demonstrate that they have met the prerequisites for the course prior to enrollment. Continuing students must complete prerequisite courses with a C or better. If currently enrolled in a prerequisite course at SMC at the time of enrollment, students will be admitted to subsequent courses based upon midterm placement results, but will be dropped if the prerequisite course is not completed with a C or better. Students who have successfully completed one or more prerequisite courses (earning a grade of C- or better in both the lecture and lab courses and an average of C (2.0) or better overall) at another institution may be able to verify having met the prerequisites by submitting a transcript and course description and course syllabus for the prerequisite courses.

Some of the courses listed in this section are accompanied by Supplemental Instruction. Supplemental Instruction (SI) is an academic assistance program that utilizes free peer-assisted weekly study sessions to help students learn the most difficult course content. For more information, please see the SI website at smc.edu/si.

CHEM 9, EVERYDAY CHEMISTRY 5 UNITS
 Transfer: UC*, CSU
 IGETC AREA 5A (Physical Sciences + LAB)

• Satisfies Global Citizenship
 *UC gives no credit for CHEM 9 if taken after CHEM 11. Maximum UC credit for CHEM 9 and 10 combined is one course.

This course fulfills the general education requirements for a laboratory science course. Students who successfully complete this course will understand basic chemical principles and how these principles relate to the Earth's natural systems and cycles, with emphasis on humanity's impact on Earth's natural environments. Students will gain a scientific understanding of the impact of human activity on natural systems and sustainability. Students will also learn common laboratory techniques, including the safe handling of chemicals and the proper use of laboratory equipment, as they analyze environmental problems and solutions.

Students enrolling in this course should have math skills equivalent to those entering MATH 31. This course does not fulfill the prerequisite for CHEM 11.

Chemistry 10 is a survey of introductory chemistry topics with a laboratory component. It is intended as preparation for Chemistry major or those planning to go into a STEM major or as a way to fulfill the science general education requirement. It introduces the main concepts and principles of chemistry and serves as a prerequisite for the General Chemistry sequence (CHEM 11 and CHEM 12). Emphasis is placed on understanding basic chemical principles and their quantitative application in various settings. Experimental techniques, including the safe and competent handling of chemicals and laboratory equipment will also be part of the course.

Communication Studies

Communication Studies offers students courses that combine theory and application in many areas of the discipline. These courses encourage our students to apply conceptual material to daily interactions in a variety of communication contexts. In addition, our discipline provides a wide range of course offerings in the Communication Studies major. Oral Communication focuses on the skills and knowledge needed for creating effective and appropriate public communication skills. Courses include public speaking, oral interpretation of literature, persuasion, group communication, argumentation, and competitive speech and debate. Students completing courses in oral communication gain practical skills in researching, developing and presenting ideas and arguments in a variety of contexts preparing them for upper division, workplace, and personal presentations. Communication Theory focuses on human communication theory, especially as it relates to the interpersonal and/or group levels of communication. Courses in this area include interpersonal, group communication, intercultural communication, gender and communication, communication theory and research methodologies. Students completing courses in the communication theory area learn theoretical knowledge to prepare them for transfer into communication studies programs at the university and practical communication skills to improve their own interpersonal effectiveness.

COM ST 9, INTRODUCTION TO COMMUNICATION STUDIES 3 UNITS

Transfer: UC, CSU
IGETC AREA 4 (Social and Behavioral Sciences)

This course is a survey of the discipline of communication studies that emphasizes the history, interest areas, major theories, and contemporary and emerging issues in the field. Computer Information Systems

The Computer Information Systems (CIS) program includes courses in web authoring, desktop publishing, social media, Microsoft Office and Adobe applications. Students focusing on web applications attain the skills to professionally design, develop, and manage websites. The department also offers courses that lead to careers in social media. The office application courses prepare students for positions such as office managers who oversee a variety of administrative, clerical, and accounting functions necessary to efficiently run and maintain business information systems. The CIS program manages industry certification programs for Microsoft, QuickBooks, and Adobe products for students.

Keyboarding skills of 25 words per minute or enrollment in OFTECH 1A or 9 are recommended for computer applications classes.

Cosmetology

Cosmetology is a career technical all-inclusive program that prepares students for a wide range of careers within the beauty industry. The curriculum offers a theoretical and practical component along with a hands-on approach to learning that includes up-to-date interactive demonstrations and training on clients in a salon setting. This prepares the students to possess the knowledge and skills for career opportunities in the beauty industry such as haircutting, hairstyling, colorist, chemical specialist, skin and nail spas, sales and entrepreneurship. Students are coached in the importance of professionalism and creativity in an experiential learning environment with motivated faculty. Upon completion of the courses, students are prepared to take and pass the California State Board of Barbering and Cosmetology exam to become a licensed cosmetologist, esthetician or manicurist. Courses may lead to an associate degree in cosmetology and/or a certificate of achievement. Students may attend the programs on a full or part time basis.

New Student Orientations will be held on Monday, February 10, April 21, June 30, August 11, October 20, and December 8, 2025 on Zoom. More information and the Zoom links are available at smc.edu/cosmetology (select "New Student Orientation")

Digital Media Post-Production

The Digital Media Post-Production program prepares students for careers in the entertainment industry through comprehensive, hands-on training. The program is designed to meet the industry's need for creative professionals who excel in developing ideas and have the technical proficiency to execute them. Our instructors are experienced professionals who bring first-hand knowledge of industry practices to the classroom and work in close collaboration with industry advisors to keep up with trends and changing requirements. In addition, participating companies often provide guest speakers and student internships. We offer day, evening and weekend classes to provide educational opportunities to all students. In addition, select courses are offered online through Distance Education. Students who are interested in the Digital Media Post-Production program are strongly encouraged to schedule an appointment with one of the counselors at the Center for Media and Design campus to develop an Educational Plan. This is to ensure that you are taking the necessary courses to meet your educational goals. To learn more, please visit smc.edu/designtech.

Students interested in independent studies or internships for the Digital Media Post-Production program may enroll in the Entertainment Technology (ET) 88 or 90 series of courses. Please speak with the Design Technology Department Chair or an Academic Counselor at the CMD for more information.

Economics

Economics is the study of how society allocates scarce resources. The goal is to understand the decisions of businesses and consumers as well as the implications and causes of contemporary economic issues by developing a systematic and thorough understanding of precisely how economic systems operate. Courses in the discipline of economics study the structure of markets and economies, the relationship between regions within the global economy, and strive to convey how economists reason and how they analyze models and compare model implications to observations.

Some of the courses listed in this section are accompanied by Supplemental Instruction. Supplemental Instruction (SI) is an academic assistance program that utilizes free peer-assisted weekly study sessions to help students learn the most difficult course content. Engineering

Engineers apply the theories and principles of science and mathematics to research and develop economical solutions to practical technical problems. Their work is the link between scientific discoveries and commercial applications. Engineers design products, the machinery to build those products, the factories in which those products are made, and the systems that ensure the quality of the product and efficiency of the workforce and manufacturing process. There are a variety of engineering fields: electrical, mechanical, civil, industrial, aeronautical, chemical, materials, nuclear, petroleum and mining engineering.

ENGR 11, ENGINEERING GRAPHICS AND DESIGN 3 UNITS
 Transfer: UC, CSU

• *Prerequisite: MATH 2 or (MATH 3 and MATH 4).*

This course covers the principles of engineering drawings to visually communicate engineering designs. The course also serves as an introduction to computer-aided design (CAD). Topics include the development of visualization skills, orthographic projections, dimensioning and tolerancing practices, and an introduction to the engineering design process. Sketching, engineering drawings, and 3D CAD solid modeling skills are developed. The use of CAD software is an integral part of the course.

ESL - English as a Second Language

English for Second Language Speakers courses are designed specifically for students whose first language is not English. SMC offers three different ESL programs: 1) Credit ESL courses focus on academic skills needed for success in college (reading textbooks, listening and notetaking, writing papers with citations, speaking in class in small groups, and making presentations). Faculty assist students in the development of grammar, vocabulary, paraphrasing, and summarizing skills within the context of themes or academic content. ESL 19A and 19B are CSU and UC transferable (up to 8 units). 2) Noncredit ESL courses focus on college and career readiness and developing the skills needed for life and work in the US. Noncredit ESL courses are free to students, except those studying on an F-1 visa. These courses

do not carry any academic credit. 3) Intensive ESL (offered through SMC's Community Services Program in conjunction with International Education) offers multi-skills courses to prepare international students for entry to Santa Monica College. Student work is graded, but courses in the Intensive ESL Program do not receive academic credit. These courses are offered for a fee.

For the following classes, placement is required to determine class placement. See smc.edu/successcenter. Most sections of ESL classes require access to a computer and the Internet.

ESL Writing

ESL 11A, BASIC ENGLISH 1 **6 UNITS**

Ethnic Studies

Ethnic Studies is the interdisciplinary critical and comparative study of race and ethnicity, focusing on the experiences of African American, Native American/Indigenous, Asian American/Pacific Islander, and Chicana/o/x/Latina/o/x populations. Ethnic Studies provides an intersectional and critical lens for studying racial, ethnic, gender and class identities, and for interrogating structural racism, power, knowledge, and racialization in culture, politics, economy, and law. Drawing from the intellectual traditions of BIPOC (Black, Indigenous, People of Color) communities, students of Ethnic Studies attain an understanding of the historical legacies and contemporary manifestations of racism, discrimination, inequity, and movements for social justice. Through culturally responsive pedagogy, students of Ethnic Studies gain cultural competency and are exposed to perspectives and methods informed by a deep commitment to social justice, cross-cultural collaboration, liberation from systems of oppression, and social and institutional transformation.

ETH ST 1, INTRODUCTION TO ETHNIC STUDIES 3 UNITS
 Transfer: UC, CSU
 IGETC AREA 4 (Social & Behavioral Sciences) and 7 (Ethnic Studies). IGETC credit for ETH ST 1 starts effective Fall 2023. Students who took ETH ST 1 prior to Fall 2023 will not receive IGETC credit for Area 4 and/or 7.

Ethnic Studies is the critical and interdisciplinary study of race, ethnicity, and indigeneity with a focus on the experiences and perspectives of Native Americans, African Americans, Asian Americans, Latina/o/x Americans, and other people of color within and beyond the United States. This course explores key theories, scholarly works, and ideas that have formed the basis of the broad multidisciplinary field of Ethnic Studies. Various perspectives are examined to discover the ways in which race and racism have been, and continue to be, powerful social, cultural and political forces, and their connections to other axes of stratification including gender, class, sexuality and legal status. This course examines the effects of institutional racism, coloniality, marginalization, socio-economic and political discrimination, and ethnocentrism on American ethnic and racial groups.

Fashion Design and Merchandising

Fashion design students develop skills in design communication, including preliminary sketching, technical flat sketching, illustration, and usage of Adobe Photoshop, Illustrator and CAD software. Skills in draping, pattern drafting from draping and body measurements, and basic sewing skills to advanced construction are developed in order to create sample garments for production and sales. Fashion merchandisers select, purchase, promote, and sell clothing and accessories. They study fashion trends and visit manufacturers and merchandise markets. They work as part of a team and consult with managers and buyers, advise the advertising and display departments, and organize and coordinate promotional activities such as fashion shows. They may advance to become buyers and purchasing agents, sales representatives, and managers. Clothes designers create new apparel and accessory designs. They may sketch the garment, cut the pattern, select the fabric and materials, and in some cases construct the sample garment. They may arrange for the showing of a line at sales meetings or fashion shows.

Film Studies

Film consists of two areas of concentration: Film Studies and Film Production. Film Studies introduces students to the history and development of cinema/film as an art, an object of philosophical study, and a cultural and social phenomenon. Students examine the theoretical approaches and trends in filmmaking including the contemporary evolution from film to digital media. Film Production provides practical as well as theoretical training in screenwriting, directing, creative producing, cinematography, sound recording, production design, and below-the-line crafts (gaffers, grips, operators, assistants). Students learn all aspects of film production from an academic discipline to hands-on experience that prepares them to earn an Associate degree and/or certificate of achievement in film production; for upper division study at a four-year college or advanced film school; and/or to apply for jobs and internships in the motion picture and television industries.

FILM 1, FILM APPRECIATION: INTRODUCTION TO CINEMA **3 UNITS**

Geographic Information Systems

GIS is a computer system for capturing, storing, managing, analyzing and visualizing geospatial information related to locations on Earth's surface. We use GIS to combine various geospatial information in a digital environment to answer the questions "what is there?" and "why there?" GIS has been widely used in our daily life, government agencies, as well as organizations of sizes in almost every industry. There is a growing interest in and awareness of the economic and strategic values of GIS.

GIS 20, INTRODUCTION TO GEOGRAPHIC INFORMATION SYSTEMS **3 UNITS**
Transfer: UC, CSU

GIS are computer-based systems used to collect, store and analyze geographic information. This course will present the concepts of Geographic Information Systems (GIS) science and its applications to spatial data management. Topics include: Identification and acquisition of GIS data; Assessment of vector and raster data, scale, resolution, map projection, coordinate systems, georeferencing and Global Positioning Systems (GPS). Spatial analysis and modeling with GIS will also be presented.

GIS 20 is the same course as GEOG 20. Students may receive credit for one, but not both.

Geography

Geography is the science of studying human and physical attributes on the surface of the Earth. These attributes may be marks of human occupation, properties of some natural environment, or both. Geographers ask the questions "Where" and "Why there", with an interest in describing and explaining the various ways in which people have made Earth their home at scales ranging from the local to the global. Geography is an integrative discipline whose interests in space and place and whose perspectives from both environmental and social sciences foster a greater understanding of the interrelationships between the human and physical worlds. The use of Geo-Spatial Technologies, including Geographic Information Science (GIS), Remote Sensing (RS), and Global Positioning Systems (GPS), are now widely used in the visualization, measurement and analysis of Earth's physical features and human societies, as well as the interaction between them.

GEOG 5, PHYSICAL GEOGRAPHY WITH LAB **4 UNITS**
Transfer: UC*, CSU
C-ID: GEOG 115.

IGETC AREA 5A (Physical Sciences, + LAB)

*Maximum credit allowed for GEOG 1 and GEOG 5 is one course (4 units).

This course surveys the distribution and relationships of environmental elements in our atmosphere, lithosphere, hydrosphere and biosphere, including weather, climate, water resources, landforms, soils, natural vegetation, and wildlife. Focus is on the systems and cycles of our natural world, including the effects of the sun and moon on environmental processes, and the roles played by humans. Laboratory work emphasizes the practical application of concepts presented in lecture, introduces the student to some of the tools and

methods used in Physical Geography, and may include field study opportunities.

GEOG 8, INTRODUCTION TO URBAN STUDIES 3 UNITS

Transfer: UC, CSU

IGETC AREA 4 (Social and Behavioral Sciences)

This course introduces students to the multi-disciplinary study of urban society and space. Cities are examined both as complex social-economic groupings of people, and as material landscapes of buildings, pathways, and public and private spaces. Attention is paid to what cities are and have been (the evolving urban experience of the past and present) as well as to ever-changing ideas about what cities should be (urban planning and design for the future). While the overall perspective of the course is global, its primary focus is on the cities of North America and, in particular, the Los Angeles metropolitan area. This emphasis is evident both in the classroom and in field trips or other assignments that ask students to apply classroom ideas to our local urban setting.

GEOG 8 is the same course as URBAN 8. Students may earn credit for one, but not both.

Geology

Geology is an interdisciplinary science that integrates the principles of mathematics, physics, chemistry, biology, and the social sciences to explore and understand the Earth. Geology asks and answers questions about the Earth, including its origins, composition, structure, and past and present activity and the impact of these factors on society. As a science with pragmatic applications it is also applied to locate resources and assess their abundance, to mitigate geologic hazards, and to provide critical information about Earth's changing climate and the impact of these changes on our ecosystems. A degree in geology can translate to a number of important and highly valued academic and professional positions, including but not limited to, Earth scientist (e.g. geologist, seismologist, volcanologist, oceanographer, soil scientist, hydrologist, etc.), environmental consultant, environmental lawyer, remediation specialist, climate scientist, and teacher.

Global Studies

Global Studies is a multi- and interdisciplinary program designed to increase knowledge and understanding of the processes of globalization and their impacts on societies, cultures, and environments around the world. The Global Studies program provides the student with a knowledge of critical issues that affect their lives and community, as well as the affairs of other cultures, societies, and nations. An understanding of the world's social, political, economic, and natural systems and their increasing interdependence, along with an appreciation of the diversity of human culture, will supply the student with a strong background for working in a global economy, for living in a multicultural society, and for making intelligent decisions as global citizens.

Graphic Design

In existence for over 40 years, the Graphic Design Program at Santa Monica College serves both the student who wishes to transfer to a four-year college or art school, as well as the student who wants to obtain the skills necessary for entry into the job market as a production artist in graphic design, illustration, user experience design, or interaction design. The program is designed to meet the industry's need for creative professionals who excel in developing ideas and have the technical proficiency to execute them. Our instructors are experienced professionals who bring first-hand knowledge of industry practices to the classroom and work in close collaboration with industry advisors to keep up with trends and changing requirements. In addition, participating companies often provide guest speakers and student internships. We offer day, evening and weekend classes to provide educational opportunities to all students. In addition, selected Graphic Design courses are offered online through SMC's Distance Education program. To learn more about the program, please visit smc.edu/designtech.

Internships

The Internship Program at Santa Monica College makes it possible for students to enhance their classroom learning and earn college credit by working in on and off campus jobs. Students must arrange an approved internship with an employer prior to enrolling in this class. Each unit of credit requires the student to work a minimum of 60 hour of unpaid (volunteer) work or 75 hours of paid work throughout the semester. F-1 international students must see an International Student Services Specialist at the International Education Center for pre-approval before securing an internship and enrolling in internship courses. Students may enroll in a maximum of 4 units of internship credits per semester, and a total of 8 internship units may be applied toward the Associate degree. See an academic counselor for transfer credit limitations.

Internships are graded on a pass/no pass basis only.

Please see smc.edu/internship for additional information and for the internship orientation schedule.

Go to smc.edu/hiresmc to find jobs and internships or visit the Career Services Center for assistance.

Journalism

Journalism offers instructional and career technical training in reporting and nonfiction story production across multiple platforms, including print, photography, video, audio, social media and digital media. Students are trained to develop story ideas, report them, and produce them in suitable formats. Students also learn about news writing, interviewing, reporting, editing, freelancing, photojournalism, multimedia story production, journalism history, media law and journalism ethics. This program prepares students for transfer to upper division courses, as well as offers practical career technical training in the field of journalism. The skills developed in journalism classes help students think critically and develop storytelling techniques in any career they might pursue. Careers in this field include book editor, copywriter, film critic, foreign correspondent, freelance writing, online editor, multimedia story producer, journalist, magazine editor, news anchor, newspaper editor, publicist, sportswriter, and technical writer.

For Water Aerobics, please see Kinesiology Physical Education Aquatics course listings.

KIN PE 10A, FITNESS LAB **1 UNIT**

Transfer: UC*, CSU

Formerly KIN PE 10.

This is a physical fitness course designed to develop and encourage positive attitudes and habits in a personalized exercise program. This program is designed to work both cardiovascular and muscle endurance components of fitness. The primary training activity is aerobic weight training circuits utilizing a sequence of weight lifting machines and cardiovascular exercise, organized into an "Aerobic Super Circuit". The aerobic super circuit combines low intensity, high repetition weight training with aerobic training (treadmills, steppers, bikes, etc.). Basics of training and flexibility are also covered.

1337 10:15a.m.-12:20p.m. MTWTh **CPC 201** Crusoe D A
Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

1338 2:45p.m.-4:50p.m. MTWTh **CPC 201** Bray M S
Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

KIN PE 11A, BEGINNING WEIGHT TRAINING **1 UNIT**

Transfer: UC*, CSU

As a beginning level weight training course, it covers all of the fundamentals of lifting and safety as well as core training. Students are required to do an assigned program for half of the required hours and design their own program for the other half of the required hours.

1339 12:30p.m.-2:35p.m. MTWTh **CPC 207** Crusoe D A
Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

KIN PE 11B, INTERMEDIATE WEIGHT TRAINING **1 UNIT**

Transfer: UC*, CSU

This course is intermediate level in the various methods of weight training. It is intended to aid the students in evaluating their training and muscular development goals as well as setting up weight training programs to accomplish them.

1340 8:00a.m.-10:05a.m. MTWTh **CPC 207** Silva L
This class is recommended for student athletes interested in participating on the intercollegiate track & field team. Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

1341 12:30p.m.-2:35p.m. MTWTh CPC 207 Crusoe D A
Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

KIN PE 11C, ADVANCED WEIGHT TRAINING **1 UNIT**
Transfer: UC*, CSU

This course further develops students' knowledge of weight training and conditioning at an advanced level. Students learn advanced concepts in strength training and muscle development. Students are introduced to advanced free weight exercises.

1342 8:00a.m.-10:05a.m. MTWTh CPC 207 Silva L
Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

KIN PE 17, BOXING FOR FITNESS **1 UNIT**
Transfer: UC*, CSU

This course will combine basic exercises and techniques from boxing and kickboxing to promote a fun and effective aerobic workout. Instruction will include boxing to music. These exercises will improve cardiovascular endurance, strength development, and flexibility for lifetime fitness.

1346 10:15a.m.-12:20p.m. MTWTh CPC 218 Shickman T D
Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

KIN PE 29A, PILATES MAT EXERCISE **1 UNIT**
Transfer: UC*, CSU

Formerly KIN PE 19E.

This course is designed to introduce the student to Pilates' mat technique of exercise. Pilates is a unique method of body control and conditioning. It consists of stretching and strengthening the muscles, while improving flexibility and balance.

1347 12:30p.m.-2:35p.m. MTWTh CPC 216 Huner K A
Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

4008 5:00p.m.-7:05p.m. MTWTh CPC 216 Huner K A
Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

KIN PE 29B, INTERMEDIATE PILATES **1 UNIT**
Transfer: UC*, CSU

Students should have previous Pilates experience before enrolling in this class.

This course is an intermediate level Pilates class, building on the Basic/Essential Pilates level and applying the principles to an intermediate Matwork class. Students will be introduced to more challenging variations of the 30 Basic Exercises and new intermediate exercises

1348 12:30p.m.-2:35p.m. MTWTh CPC 216 Huner K A
Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

4009 5:00p.m.-7:05p.m. MTWTh CPC 216 Huner K A
Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

KIN PE 29C, ADVANCED PILATES **1 UNIT**
Transfer: UC*, CSU

Students should have previous Pilates experience before enrolling in this class.

This course is an advanced level Pilates class. Students will build on the intermediate level exercises and move into the full Pilates Advanced Repertoire.

1349 12:30p.m.-2:35p.m. MTWTh CPC 216 Huner K A
Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

4010 5:00p.m.-7:05p.m. MTWTh CPC 216 Huner K A
Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

SMC is offering on-ground, online, hybrid, and HyFlex classes for winter 2025. For more information about the section modalities, "On Ground," "Hybrid," "HyFlex," "Scheduled," "Flexible," "Flexible with Scheduled Meetings," and "Flexible with Scheduled Exams," please see page 12 of this schedule and visit smc.edu/searchclasses.

Students with disability-related access needs should contact the Center for Students with Disabilities at 310-434-4265 or send email to dsp@smc.edu.

KIN PE 58A, BEGINNING YOGA **1 UNIT**
Transfer: UC*, CSU

Basic yoga positions and exercises, control breathing, relaxation, meditation techniques, and stretching postures are addressed in the class.

All yoga classes require that students provide their own yoga mats.

1366 10:15a.m.-12:20p.m. MTWTh CPC 216 Bennett J L
Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

1367 Arrange-9 Hours ONLINE Bennett J L
This section is Flexible and will be taught primarily through Canvas and other learning platforms that are flexible for the student's schedule.

KIN PE 58B, INTERMEDIATE YOGA **1 UNIT**
Transfer: UC*, CSU

Exposure to intermediate and advanced postures, relaxation, meditation, pranayama and concentration exercises are covered in the class.

All yoga classes require that students provide their own yoga mats.

1368 10:15a.m.-12:20p.m. MTWTh CPC 216 Bennett J L
Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

1369 Arrange-9 Hours ONLINE Bennett J L
This section is Flexible and will be taught primarily through Canvas and other learning platforms that are flexible for the student's schedule.

1370 Arrange-9 Hours ONLINE Hotsinpiller S S
This section is Flexible and will be taught primarily through Canvas and other learning platforms that are flexible for the student's schedule.

KIN PE 58C, ADVANCED YOGA **1 UNIT**
Transfer: UC*, CSU

This is an in-depth yoga course for the advanced student who has previous yoga experience resulting in knowledge of 25 basic poses. Deeper and expanded study of the standing poses and basic posture, shoulder hand variations, and back bends.

All yoga classes require that students provide their own yoga mats.

1371 Arrange-9 Hours ONLINE Hotsinpiller S S
This section is Flexible and will be taught primarily through Canvas and other learning platforms that are flexible for the student's schedule.

KIN PE 88A, INDEPENDENT STUDIES IN PHYSICAL EDUCATION **1 UNIT**
Transfer: CSU

Please see "Independent Studies" section.

1374 Arrange-3 Hours Roque E M

Kinesiology/Physical Education: Individual Sports

See also "Professional Courses in Kinesiology/Physical Education" (PRO CR) and "Varsity Intercollegiate Athletics" (VAR/PE). *Maximum UC transfer credit for any or all KIN PE courses combined is four units unless otherwise noted.

KIN PE 14A, BEGINNING DISTANCE RUNNING/CROSS COUNTRY **1 UNIT**
Transfer: UC*, CSU

This course is designed to teach proper running biomechanics, stretching and other basic injury prevention techniques, and the rules and scoring for cross country races. The course will also help students develop the cardiovascular endurance necessary for distance running.

1343 Arrange-9 Hours ONLINE Barron E A
This section is Flexible and will be taught primarily through Canvas and other learning platforms that are flexible for the student's schedule.

KIN PE 14B, INTERMEDIATE DISTANCE RUNNING/CROSS COUNTRY **1 UNIT**
Transfer: UC*, CSU

This course is designed to develop the mental and physical techniques necessary for distance running. Topics include aerobic and anaerobic training, physiological mechanics, as well as mental competitive strategies as they relate to distance running.

1344 Arrange-9 Hours ONLINE Barron E A
This section is Flexible and will be taught primarily through Canvas and other learning platforms that are flexible for the student's schedule.

KIN PE 14C, ADVANCED DISTANCE RUNNING/CROSS COUNTRY **1 UNIT**
Transfer: UC*, CSU

This course is designed for students to take the knowledge gained in the intermediate course and learn to prepare their own training regimen for a competitive cross country season. The class will also focus on the psychological aspects and physiological effects of competitive endurance running.

1345 Arrange-9 Hours ONLINE Barron E A
This section is Flexible and will be taught primarily through Canvas and other learning platforms that are flexible for the student's schedule.

KIN PE 54C, INTERMEDIATE TENNIS **1 UNIT**
Transfer: UC*, CSU

Conditioning and advanced drills designed to improve placement and consistency during match play are offered. Students must have some tennis experience to enroll in this course.

1360 12:30p.m.-2:35p.m. MTWTh MEMOR PK Goldenson R M
Above section 1360 meets at Memorial Park, 1401 Olympic Blvd., Santa Monica CA 90404. Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

KIN PE 54D, ADVANCED TENNIS **1 UNIT**
Transfer: UC*, CSU

This course is designed to improve play for competition in singles and doubles contests outside of school. Students must have experience playing the sport.

1361 12:30p.m.-2:35p.m. MTWTh MEMOR PK Goldenson R M
Above section 1361 meets at Memorial Park, 1401 Olympic Blvd., Santa Monica CA 90404. Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

KIN PE 56A, BEGINNING TRACK AND FIELD **1 UNIT**
Transfer: UC*, CSU

Students will learn the fundamentals of sprinting, hurdling and some long distance races. The shot put and jump will also be covered. Students will be presented with a history of the sport and the rules of competition.

1362 10:15a.m.-12:20p.m. MTWTh TRACK Silva L
Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

KIN PE 56B, INTERMEDIATE TRACK AND FIELD **1 UNIT**
Transfer: UC*, CSU

This course is designed for students with prior experience in the sport of track and field. Students will learn about middle distance and long distance events as well as the discus and high jump. Students will continue to work on running mechanics and learn about planning and organizing workouts.

1363 10:15a.m.-12:20p.m. MTWTh TRACK Silva L
Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

Kinesiology/Physical Education: Team Sports

KIN PE 9B, INTERMEDIATE BASKETBALL **1 UNIT**
Transfer: UC*, CSU

• Advisory: KIN PE 9A or equivalent experience.
This course is designed to introduce the student to the strategies of team defensive basketball. Topics include the skills required to play defense, drills to improve on those skills, development of defensive strategies and drills to improve in the execution of those strategies.

1335 12:30p.m.-2:35p.m. MTWTh GYM 100 Strong L M
Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

4006 5:00p.m.-7:05p.m. MTWTh GYM 100 Bray M S
This class is recommended for male student athletes interested in participating on the men's intercollegiate basketball team. Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

KIN PE 9C, ADVANCED BASKETBALL 1 UNIT
 Transfer: UC*, CSU

• *Advisory: KIN PE 9B or equivalent experience.*
 This is an activity course designed with an emphasis on high level competition among students with previous experience. The course stresses advanced fundamentals and strategies.

1336 12:30p.m.-2:35p.m. MTWTh GYM 100 Strong L M
This class is recommended for female student athletes interested in participating on the women's intercollegiate basketball team. Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

4007 5:00p.m.-7:05p.m. MTWTh GYM 100 Bray M S
This class is recommended for male student athletes interested in participating on the men's intercollegiate basketball team. Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

KIN PE 43B, INTERMEDIATE SOCCER 1 UNIT
 Transfer: UC*, CSU

This course is designed to build on the skills developed in beginning soccer. It will review and improve the basic skills of the sport as well as introduce more technical skills and intricacies of the game. Students will participate in soccer drilling, training and play with an emphasis on the technical side of the game.

1350 8:00a.m.-10:05a.m. MTWTh GYM 100 Pierce T L
This class will incorporate futsal as it will meet indoors. Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

1351 12:30p.m.-2:35p.m. MTWTh FIELD Benditson A
Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

KIN PE 43C, ADVANCED SOCCER 1 UNIT
 Transfer: UC*, CSU

This course is a continuation of the introductory soccer course with an emphasis placed on advanced technical skills and an introduction to team tactics and systems of play.

1352 8:00a.m.-10:05a.m. MTWTh GYM 100 Pierce T L
This class will incorporate futsal as it will meet indoors. Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

1353 12:30p.m.-2:35p.m. MTWTh FIELD Benditson A
Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

KIN PE 43D, COMPETITIVE SOCCER 1 UNIT
 Transfer: UC*, CSU

This course offers competitive soccer for the most advanced students. Students will be able to improve their technical skills as well as improve their team play. Classes will be run similar to team practices with physical training and competitive drilling and play.

1354 8:00a.m.-10:05a.m. MTWTh GYM 100 Pierce T L
This class will incorporate futsal as it will meet indoors. Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

1355 12:30p.m.-2:35p.m. MTWTh FIELD Benditson A
Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

KIN PE 45C, ADVANCED SOFTBALL 1 UNIT
 Transfer: UC*, CSU

This course is designed for individuals with above average skills. Activities are centered around skills learned in KIN PE 45A game situations.

1356 3:00p.m.-5:05p.m. MTWTh JA FIELD Druckman C J
 3:00p.m.-5:05p.m. MTWTh JA FIELD Gonzalez F

This class is recommended for experienced players interested in participating on the women's intercollegiate softball team. Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

KIN PE 45D, COMPETITIVE SOFTBALL 1 UNIT
 Transfer: UC*, CSU

This course is for experienced fastpitch softball players. Emphasis will be on individual positions, team play/strate-

gies and situational plays and motor development for the advanced player to prepare for competitive play.

1357 3:00p.m.-5:05p.m. MTWTh JA FIELD Druckman C J
 3:00p.m.-5:05p.m. MTWTh JA FIELD Gonzalez F

This class is recommended for experienced players interested in participating on the women's intercollegiate softball team. Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

KIN PE 57B, INTERMEDIATE VOLLEYBALL 1 UNIT
 Transfer: UC*, CSU

• *Advisory: KIN PE 57A.*
 This course covers techniques and strategies in playing six-person, four-person and two-person volleyball. The continuing development of high level skills is emphasized.

1364 2:45p.m.-4:50p.m. MTWTh GYM 100 Chown C M
This class is recommended for male student athletes interested in participating on the men's intercollegiate volleyball team. Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

KIN PE 57C, ADVANCED VOLLEYBALL 1 UNIT
 Transfer: UC*, CSU

• *Advisory: KIN PE 57B.*
 This course covers advanced techniques and strategies of the game in a competitive class situation. The continuing development of high level skills is emphasized.

1365 2:45p.m.-4:50p.m. MTWTh GYM 100 Chown C M
This class is recommended for male student athletes interested in participating on the men's intercollegiate volleyball team. Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

KIN PE 59B, INTERMEDIATE BEACH VOLLEYBALL 1 UNIT
 Transfer: UC*, CSU

This course covers techniques and strategies in playing power beach volleyball at the four and two-person level. The continuing development of high level skills is emphasized.

1372 10:15a.m.-12:20p.m. MTWTh BEACH Cammayo C
Above section 1372 meets at Santa Monica Beach, just south of where Ocean Park Boulevard runs into the beach. This class is recommended for female student athletes interested in participating on the women's intercollegiate beach volleyball team. Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

KIN PE 59C, ADVANCED BEACH VOLLEYBALL 1 UNIT
 Transfer: UC*, CSU

This course covers advanced techniques and strategies of beach volleyball in a competitive class situation. The continuing development of high level skills is emphasized.

1373 10:15a.m.-12:20p.m. MTWTh BEACH Cammayo C
Above section 1373 meets at Santa Monica Beach, just south of where Ocean Park Boulevard runs into the beach. This class is recommended for female student athletes interested in participating on the women's intercollegiate beach volleyball team. Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

Library Studies

LIBR 1, LIBRARY RESEARCH METHODS 1 UNIT
 Transfer: UC, CSU

This course is designed to introduce students to library research and resources available in academic libraries. Through effective use of resources in a variety of formats, students learn to access information to meet their research needs. Topics include: finding, evaluating and citing sources. Recommended for all students.

1375 Arrange-3 Hours ONLINE Villanueva F J
This section is Flexible and will be taught primarily through Canvas and other learning platforms that are flexible for the student's schedule.

Mathematics

Mathematicians use symbolic languages to set up and analyze relationships among quantities and qualities of things, events, and places. Pure mathematicians develop the theories to further the science of mathematics. Possible careers include actuary, computer engineer, cryptographer, satellite communications expert, robotics programmer, statistician and teacher. Students new to the Santa Monica

College mathematics program who wish to enroll in a course should see the placement tab in their Corsair connect account. Mathematics placement based on high school GPA and highest math class taken in high school, or through Guided Self Placement (GSP). A student who has successfully completed college level math courses (earned a grade of C or better) at another institution may be able to verify having met prerequisites by submitting an official transcript. Continuing students must complete prerequisite courses with a grade of "C" or better.

MATH 2, PRECALCULUS WITH MATH 2C, CONCURRENT SUPPORT FOR PRECALCULUS 7 UNITS

MATH 2 Transfer: UC*, CSU; MATH 2C Transfer: None
 IGETC AREA 2 (Mathematical Concepts)

- *Prerequisite: Math 20 and Math 32.*
 - *Advisory: Eligibility for English 1.*
- *Maximum UC credit for Math 2, Math 4, and Math 26 is one course.*

Math 2: An intensive preparation for calculus. This course is intended for computer science, engineering, mathematics, and natural science majors. Topics include algebraic, exponential, logarithmic and trigonometric functions and their inverses and identities, conic sections, sequences, series, the binomial theorem and mathematical induction. The corequisite Math 2C: A review of the core prerequisite skills, competencies, and concepts needed in precalculus. Intended for students who are concurrently enrolled in Math 2, Precalculus. Topics include concepts from elementary algebra, geometry, and intermediate algebra that are needed to understand the basics of college-level precalculus. Emphasis is placed on real and complex numbers; fundamental operations on algebraic expressions and functions; algebraic factoring and simplification; introduction to functions, equations and graphs; circles and parabolas; properties of geometric figures, similarity, and special right triangles. Pass/No Pass only.

MATH 3, TRIGONOMETRY WITH APPLICATIONS WITH MATH 3C, CONCURRENT SUPPORT FOR TRIGONOMETRY WITH APPLICATIONS 4 UNITS

Math 3 Transfer: CSU; Math 3C Transfer: None
• Prerequisite: MATH 20 and MATH 32.
• Advisory: MATH 4 and eligibility for English 1.

Math 3: This course is intended for students majoring in Science, Technology, Engineering, or Mathematics (STEM). Math 3 in combination with Math 4 (College Algebra for STEM Majors) serves as a prerequisite for Math 7 (Calculus 1). The course includes a study of the properties and graphs of trigonometric and inverse trigonometric functions, trigonometric identities, solutions of triangles, trigonometric equations, parametric equations, polar coordinates and polar equations, the algebra of vectors in two and three dimensions and topics from analytic geometry and applications. The co-requisite Math 3C is a review of the core prerequisite skills, competencies, and concepts needed in trigonometry. Intended for students who are concurrently enrolled in Math 3, Trigonometry with Applications. Topics include concepts from elementary and intermediate algebra and analytic geometry that are needed to understand the basics of trigonometry. Emphasis is placed on studying angles and their properties; geometric figures including circles and triangles; factoring and simplifying algebraic expressions; equations and graphs of circles; introduction to functions; fundamental operations on algebraic expressions and functions. Pass/No Pass only.

MATH 11, MULTIVARIABLE CALCULUS 5 UNITS

Transfer: UC, CSU
C-ID: MATH 230.
IGETC AREA 2 (Mathematical Concepts)

• Prerequisite: MATH 8.
Topics include vectors and analytic geometry in two and three dimensions, vector functions with applications, partial derivatives, extrema, Lagrange Multipliers, multiple integrals with applications, vector fields. Green's Theorem, the Divergence Theorem, and Stokes' Theorem.

1390 10:15a.m.-1:05p.m. MTWThF MC 66 Rodas B G
Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

MATH 15, ORDINARY DIFFERENTIAL EQUATIONS 3 UNITS

Transfer: UC, CSU
C-ID: MATH 240.
IGETC AREA 2 (Mathematical Concepts)

• Prerequisite: MATH 8.
This course is an introduction to ordinary differential equations. Topics include first order equations, linear equations, reduction of order, variation of parameters, spring motion and other applications, Cauchy-Euler equations, power series solutions, Laplace transform, and systems of linear differential equations.

1391 8:00a.m.-10:05a.m. MTWTh MC 11 Lin B
Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

MATH 21, FINITE MATHEMATIC WITH MATH 21C, CONCURRENT SUPPORT FOR FINITE MATHEMATICS 4 UNITS

Math 21 Transfer: UC, CSU; MATH 21C Transfer: None
IGETC AREA 2 (Mathematical Concepts)

• Prerequisite: MATH 18 or MATH 20 or MATH 49 or MATH 50.
Math 21: This is a terminal mathematics course for liberal arts and social science majors. Topics include sets and counting, probability, linear systems, linear programming, statistics, and mathematics of finance, with emphasis on applications. The corequisite Math 21C provides a review of the core prerequisite skills, competencies, and concepts needed for students who are concurrently enrolled in Finite Mathematics. Topics

include theory, procedures, and practices from pre-algebra, beginning algebra, and intermediate algebra. Particular attention is paid to solving and graphing linear equations and inequalities, problem-solving and modeling strategies, translating and interpreting language for the purpose of formulating mathematical phrases and statements, simplifying arithmetic and algebraic expressions, and learning to use the appropriate technology (typically scientific calculators) needed in Math 21. Pass/No Pass only.

MATH 54, ELEMENTARY STATISTICS WITH MATH 54C, CONCURRENT SUPPORT FOR ELEMENTARY STATISTICS 6 UNITS

MATH 54 Transfer: UC, CSU; MATH 54C Transfer: None
IGETC AREA 2 (Mathematical Concepts)

• Prerequisite: MATH 18 or MATH 20 or MATH 49 or MATH 50.
Formerly Math 52.

Math 54 covers concepts and procedures of descriptive statistics, elementary probability theory and inferential statistics. Course content includes: summarizing data; computation and interpretation of descriptive statistics; classical probability theory; probability distributions; binomial, normal, T, Chi-square and F distributions; making inferences; decisions and predictions. This course develops, analyzes, and interprets confidence intervals for population parameters, hypothesis testing for both one and two populations, correlation and regression, ANOVA, and test for independence. This course develops statistical thinking through the study of applications in variety of disciplines. The use of a statistical/graphing calculator and/or statistical analysis software is integrated into the course. Math 54C is a review of the core prerequisite skills, competencies, and concepts needed in statistics. Intended for students who are concurrently enrolled in MATH 54, Elementary Statistics. Topics include: concepts from arithmetic, pre-algebra, elementary and intermediate algebra that are needed to understand the basics of college-level statistics. Concepts are taught through the context of descriptive data analysis. Pass/No Pass only.

Media Studies

Media is a versatile discipline consisting of two areas of study: media studies and media production. Our media studies area focuses on the analysis of the mass media. Media Studies courses use an analytical and historical approach, and students develop skills to assess the role and impact of mass media on society. Students examine the history, values, and structure of media in the US and internationally. Media literacy skills are another fundamental component of Media Studies Courses. Upon successful completion of our Media Studies courses, each student should leave as a media literate individual — a more aware, critical audience member with a well-developed sense of mass media's role in society. There is a wide range of employment

possibilities for students trained in Media Studies, including positions in public relations, business, sales, public and personnel relations, and advertising. Our Media Production courses provide hands-on training in the areas of Television, Radio and Internet Broadcasting, including broadcast news, sports, promotional videos, podcasting, short form and emerging media (360/virtual and augmented reality). Students completing the Broadcasting degrees and/or certificates are prepared for both employment opportunities in the broadcasting industry and transfer into four-year degree programs. The Promo Pathways program provides intensive training and internships for students pursuing promo advertising careers opportunities in the broadcasting industry and transfer into four-year degree programs.

MEDIA 1, SURVEY OF MASS MEDIA COMMUNICATIONS **3 UNITS**
 Transfer: UC, CSU
 C-ID: JOUR 100.
 IGETC AREA 4 (Social & Behavioral Sciences)

Formerly COMM 1.

This course introduces aspects of communications and the impact of mass media on the individual and society. The survey includes newspapers, magazines, radio, television, cable, motion pictures, online media, advertising, public relations, theories of communication, and mass communication modes, processes and effects.

MEDIA 3, GLOBAL MEDIA **3 UNITS**
 Transfer: UC, CSU
 IGETC AREA 4 (Social and Behavioral Sciences)

• Satisfies Global Citizenship

This course provides a detailed introduction to global media systems around the world, examining the main economic and cultural dimensions of the international media environment. Key theoretical approaches to international and global communication will be examined. Consideration will be given to the key issues, main actors, and significant developments in global media.

MEDIA 3 is the same course as GLOBAL 3. Students may earn credit for one, but not both.

Modern Languages

SMC offers courses in American Sign Language, Arabic, Chinese (Mandarin), French, German, Hebrew, Italian, Japanese, Korean, Persian (Farsi), Portuguese, Russian, Spanish, and Turkish. Classes are listed under name of specific language.

Music: Appreciation and History

See also "Music: Theory, Performance, and Application."

This curriculum teaches students how to understand what they hear in different genres of music such as Western European Art Music (Classical Music), Jazz, World Music, Rock, and Popular. In this context, "Appreciation" means understanding the value, characteristics, components, cultural meanings, and historical contexts of various styles of music. Many of the courses are designed for non-music majors. Attendance at one Music department concert for which students may have to purchase a ticket is required. Online classes are exempt.

MUSIC 32, APPRECIATION OF MUSIC **3 UNITS**
 Transfer: UC, CSU
 IGETC AREA 3A (Arts)

• Advisory: Eligibility for English 1.

This course is designed for the non-major. It utilizes a broad approach to musical literature, primarily of the sixteenth through twenty-first centuries, and its place in the cultural development of Western Civilization. It provides the tools for a basic understanding of music, an awareness of the primary

musical styles, comprehension of the building blocks of music, and the development of an attentive level of listening.

MUSIC 33, JAZZ IN AMERICAN CULTURE 3 UNITS

Transfer: UC (meets UC Berkeley American Cultures graduation requirement), CSU
IGETC AREA 3A (Arts)

• Satisfies Global Citizenship

This course concentrates on the origin, development, and major musical styles of jazz music in American culture, with significant emphasis placed on the sociopolitical and economic realities that resulted in shaping the musical decisions of the primary innovators. The course will further illustrate how the multicultural intersection of the African-American, European-American, and Chicano/Latino communities has been and continues to be an essential element for the existence and proliferation of this uniquely American art form. Designed for the non-major but recommended for majors.

1426 10:15a.m.-12:20p.m. MTWTh ONLINE Fiddmont F K

This section is Scheduled and will be taught through Canvas yet also require students to attend Zoom meetings at the scheduled class time.

Music: Theory, Performance, and Application

See also "Music: Appreciation and History."

Studying music is a multifaceted endeavor that requires students to master various theoretical concepts and practical skills. Our courses focus on giving students an understanding of the elements of music such as melody, harmony, rhythm, timbre, and form, with opportunities to apply that understanding to real-world performance activities. Some performance courses require an audition. A maximum of 12 units is allowed in performance courses.

MUSIC 1, FUNDAMENTALS OF MUSIC 3 UNITS

Transfer: UC*, CSU
IGETC AREA 3A (Arts)

*No UC transfer credit for MUSIC 1 if taken after MUSIC 2. See also MUSIC 66.

This course provides the study of the rudiments of music notation, including scales, intervals, triads and seventh chords. Also included are rhythmic drills, sight singing and exercises using computer-assisted-instruction. This course (or the equivalent) is a prerequisite for all other music theory courses.

MUSIC 1 is equivalent to the theory portion of MUSIC 66. Credit may be earned for MUSIC 1 or MUSIC 66 but not both.

1424 10:15a.m.-1:05p.m. TWTh PAC 116 Selvey J D

Above section 1424 meets at the Performing Arts Center, 1310 11th Street. Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

MUSIC 60A, ELEMENTARY PIANO, FIRST LEVEL 2 UNITS

Transfer: UC, CSU

See also MUSIC 66.

Instruction in this course ranges from an introduction to the keyboard to the reading of simple pieces at sight in all major keys. Technical problems, basic music theory, major scales, hand-over-hand arpeggios, simple chording and an introduction to piano literature are stressed.

MUSIC 60A is equivalent to the piano portion of MUSIC 66. Credit may be earned for MUSIC 60A or MUSIC 66 but not both. Access to a piano in good playing condition or a digital piano is required. A limited number of loaner digital pianos are available for use while enrolled in this course.

1427 12:30p.m.-2:35p.m. MTWTh PAC 206 Kozlova Yu V

Above section 1427 meets at the Performing Arts Center, 1310 11th Street. Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

MUSIC 84A, POPULAR GUITAR, FIRST LEVEL 2 UNITS

Transfer: UC, CSU

The study and performance of popular guitar styles in the range of beginning to intermediate skills of music reading, interpretation and performance.

Access to a guitar in good playing condition is required. A limited number of loaner guitars are available for use while enrolled in this course.

1428 2:55p.m.-5:45p.m. TWTh SSC 290 Cheesman J M

Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

Nursing

NURSNG 19, ORIENTATION TO ADVANCED PLACEMENT – ADN PROGRAM 2 UNITS

Transfer: CSU

• Prerequisite: Eligible for Advanced Placement.

The focus of this course is to orient the advanced placement nursing student, the foreign trained nurse, or equivalent, to the philosophy and expectations of the second year of the registered nursing program. Special emphasis is placed on having the student utilize the Orem's Self-Care Model and the nursing process in planning, implementing, and evaluating the nursing care of patients through case studies.

1429 1:00p.m.-4:00p.m. TWTh BUNDY 321 Morrison S

Above section 1429 meets for 4 weeks, Jan 07 to Jan 30, at the Bundy Campus, 3171 South Bundy Drive, Los Angeles CA 90066. Fully on ground and will be taught in person at the time and location listed in the schedule of classes.

Office Technology

The Office Technology Department offers training in general, medical, and legal office skills. Office workers are responsible for a variety of administrative and clerical duties necessary to run and maintain organizations efficiently. They use a variety of software programs, produce correspondence, maintain databases, manage projects — as well as organize meetings, manage records, and perform receptionist duties. Office workers find employment in many settings, such as corporations, government agencies, schools, law offices, hospitals, and clinics. Some related job titles include office assistant, administrative medical assistant, medical billing and coding specialist, electronic health records specialist, and administrative secretary.

OFTECH 1, KEYBOARDING I 3 UNITS

Transfer: CSU

Formerly OIS 1. OFTECH 1 is equivalent to the OFTECH 1A, OFTECH 1B, and OFTECH 1C sequence.

This course is designed to teach keyboard mastery by touch, improve speed and accuracy, and use Microsoft Word to create and revise business documents. Proofreading skill development is also included.

This course uses Microsoft Word 2016 in the PC (windows) environment.

1433 Arrange-15 Hours ONLINE Reed A M

This section is Flexible and will be taught primarily through Canvas and other learning platforms that are flexible for the student's schedule.

Philosophy

Philosophy is a foundation of education in the liberal arts. Philosophy enriches thought, imagination, understanding, and experience. By studying philosophy, students confront questions and problems both theoretical and practical about themselves and their relation to the world. Philosophy courses rigorously examine the basic assumptions of every human endeavor — from seeking knowledge to deciding what is right or wrong — thereby enriching students' understanding of what it means to be human and preparing them to think critically for a lifetime.

PHILOS 1, KNOWLEDGE AND REALITY

3 UNITS

Transfer: UC, CSU

IGETC AREA 3B (Humanities)

• Advisory: Eligibility for English 1.

This course introduces students to the analysis of various metaphysical and epistemological questions and problems in philosophy, typically including, the nature and limits of knowledge, the existence of God, the Mind-Body Problem, the Freedom vs. Determination debate, and the Absolutism vs. Relativism debate. Related topics in ethics may also be included.

Political Science

Political science is the academic discipline dedicated to the study of power and justice. Political science has four well-defined subfields: political theory, international relations, comparative politics, and American politics. Courses focus on topics and pressing problems, among them war, law, local, state, and national politics, voting, mass media, public opinion, poverty, human rights, race, gender, ideology, class, international organizations, revolutions, and failed states in all parts of the world. Students in these courses learn to critically analyze not only the behavior of political actors, but also their respective political institutions and political systems. The main objectives are to enable students to use strong analytical skills and critical thinking in their analysis of theories, institutions, and processes.

Sociology

Sociology is the study of social life. It seeks to understand all aspects of human social behavior, including the behavior of individuals as well as the social dynamics of small groups, large organizations, communities, institutions, and entire societies. Students of sociology study a broad array of topics including social networks, gender roles and relationships, family structure and behavior, interpersonal relationships and processes, urban development, historical societies, social movements, gang violence, current immigration issues, race and ethnic relations, and crime and incarceration. Sociology looks for what is universal as well as what varies across societies and groups and courses explore social change and provide a lens into the complexity of the causes and consequences of human behavior.

Urban Studies

Urban Studies is an interdisciplinary investigation of our dynamic world of cities and their suburbs. From points of view ranging from the local to the global, students in this field examine cities as complex social groupings of people and institutions, as well as cultural landscapes of buildings, pathways, and public and private spaces. Urban Studies is concerned with what cities are and have been, as well as with ever-changing ideas about what cities could and should be. Urban Studies prepares students for careers in fields such as urban planning, architecture, public policy, and real-estate development, and it informs discussions of issues such as housing, transportation, urban renewal, segregation, sustainability, and suburban sprawl.

URBAN 8, INTRODUCTION TO URBAN STUDIES 3 UNITS

Transfer: UC, CSU
IGETC AREA 4 (Social and Behavioral Sciences)

This course introduces students to the multi-disciplinary study of urban society and space. Cities are examined both as complex social-economic groupings of people, and as material landscapes of buildings, pathways, and public and private spaces. Attention is paid to what cities are and have been (the evolving urban experience of the past and present) as well as to ever-changing ideas about what cities should be (urban planning and design for the future). While the overall perspective of the course is global, its primary focus is on the cities of North America and, in particular, the Los Angeles metropolitan area. This emphasis is evident both in the classroom and in field trips or other assignments that ask students to apply classroom ideas to our local urban setting.

URBAN 8 is the same course as GEOG 8. Students may earn credit for one, but not both.

Women's, Gender, and Sexuality Studies

Women's, Gender, and Sexuality Studies is an interdisciplinary field of inquiry analyzing structures of power, especially as they are grounded in gender, race, sexuality, ethnicity, nationality, ability, and other sources of inequalities. The students who enroll in these courses gain the opportunity to understand how social forces, organized around the central concept of gender, shape both themselves as individuals and the world around them. Students have the opportunity to attain a fuller understanding of human behavior, culture, and society made possible by investigating women's lives, as well as the lives of other marginalized groups, and acquaint themselves with the experience of subordinate genders of various economic, ethnic, and racial backgrounds.

Transfer: UC, CSU
 IGETC AREA 4 (Social & Behavioral Sciences)

- Satisfies Global Citizenship
- Advisory: Eligibility for English 1.
 Formerly WOM ST 30.

This course utilizes the lens of feminist theories to critically analyze how popular culture constructs gender and sexuality and how these constructions become cultural norms and values. Employing feminist theories and feminist analysis, this course examines the relationship between women, gender, sexuality and popular culture. Students will examine historical and contemporary images and roles of women in popular culture (including print, film, television, music, advertising, and consumerism) and situate these images and roles within changing socio-historical, political, and economic contexts. The intersection of gender, race, class, and sexual orientation is examined throughout the course and the relationship between popular culture and feminist movements is emphasized.

Dual Enrollment Program

The Santa Monica College Dual Enrollment program offers college classes at local high school sites. These classes are open to all SMC students.

For more information about the program, please visit the Dual Enrollment website (smc.edu/dualenrollment).

Center for Students with Disabilities (DSPS)

The Center for Students with Disabilities (DSPS) is designed to assist students with disabilities, so they may have equal access to all programs and activities on campus. Our primary goal is to encourage and promote independence in students so they may achieve their full potential. We strive to provide the highest quality programs and services to our students with disabilities.

To join our program, make an appointment to see a DSPS counselor by calling us at 310-434-4265. To reach a Learning Disabilities (LD) specialist, call 310-434-4684.

Santa Monica College provides access to its services, classes, and programs without regard to race, religious creed, color, national origin, ancestry, handicap, or gender. All students are eligible to apply for special programs. Please see program coordinator or attend orientation for additional information.

Adelante Program/ Latino Center

The Latino Center Adelante Program is a success-oriented program focusing on academic achievement, transfer, cultural awareness, and personal growth. Adelante classes are offered each semester and emphasize verbal, written, and critical thinking skills essential to college success. The classes accentuate the Latino experience within the context of a course's subject, and most classes offer credits that are transferable to the UC and CSU systems.

Students who join Adelante:

- Receive priority for enrolling in Adelante classes;
- Participate in classes with a large Latino enrollment;
- Join a network of Latino students and faculty;
- Become eligible for specially designated Latino Center scholarships; and
- Take classes with professors who have a special interest in promoting Latino student success.

The Adelante Program helps participants stay on track as they work toward meeting their education goals. The support network offered by Adelante includes one-on-one bilingual counseling, peer mentoring, and the opportunity to develop supportive relationships with students, faculty, and staff.

For more information about the Adelante Program, please contact counselor Maria Martinez, or visit the Latino Center, located in Student Services Center S201. You may also visit the Latino Center webpage (smc.edu/latino).

Black Collegians Program Umoja Community

The Santa Monica College Black Collegians Umoja Community is an academic-transfer program that promotes academic excellence and guides students through the transfer process. Students are assisted in examining their options for transfer and in completing an education plan that will lead to transfer to the institution of their choice.

Hundreds of SMC Black Collegians have transferred to four-year colleges and universities since the program started in 1990. Our transfer students are currently attending or have graduated from institutions such as Spelman College, Howard University, CSU Long Beach, USC, Stanford University, UCLA, and UC Berkeley.

Some of the special benefits that students receive from the Black Collegians Umoja Community include a personal counselor who will support and guide students throughout their stay at SMC; a special "College Success" course that will help students strengthen skills to enhance academic success; innovative academic and personal growth forums; a mentor who will advise and direct; access to a network of supportive peers, teachers and staff members; and scholastic recognition and monetary awards.

If you feel you can benefit from the opportunities offered by the Black Collegians Umoja Community, please apply in Counseling & Transfer Services or the African American Collegian Centers in Student Services Center S201. For more information, contact Counselor Sherri Bradford at 310-434-3635.

Scholars Program

The Scholars Program at Santa Monica College provides supportive counseling, intimate classroom settings, and interactive and intellectually challenging academic experiences that are designed to prepare students for transfer to a four-year college or university, and to help them succeed after transfer. Students completing the Scholars Program are recognized as well-prepared and are **guaranteed priority consideration** at the junior level in many majors at a number of transfer schools, including:

- University of California, Los Angeles (UCLA)
- University of California, Irvine (UCI)
- Loyola Marymount University (LMU)
- Pomona College
- Chapman University

Scholars Program students receive benefits including:

- Priority registration at Santa Monica College
- A designated Scholars Counselor to help during their semesters at Santa Monica College
- Scholars Classes limited to 25 students
- Workshops and other assistance in registration financial aid, and housing at their transfer institutions
- Special invitations to a variety of programs at Santa Monica College and the participating universities

To be eligible for the Scholars Program, students must first apply through the Scholars Program Office and meet the following requirements:

First-year Students:

- Must have a minimum 3.0 GPA in high school
- Must be eligible to take English 1

Continuing Students:

- Must have a minimum 3.0 GPA in at least 12 units of UC/CSU transferable courses
- Must have successfully completed or be eligible to take English 1 at SMC

Once accepted into the program, students are required to:

- Maintain a minimum overall grade point average (GPA) of 3.0
- Complete special Scholars Program courses
- Complete all pre-major and general education requirements set by their transfer institution

The Scholars Program courses are specialized, university-level sections that satisfy general education requirements in the following areas:

- English Composition and Critical Thinking
- Life Science
- Mathematics
- Physical Science
- Social Science

For further information, please contact the Scholars Program Office at 310-434-4371 or scholars@smc.edu.

STEM/MÁS Program

Maximizing Achievement in STEM (MÁS) is an academic support program designed to assist students interested in pursuing Science, Technology, Engineering, or Mathematics (STEM) majors/careers. The MÁS program helps participants successfully complete their studies at SMC, transfer to ANY baccalaureate program, and/or enter the STEM workforce.

STEM/MÁS-designated classes are intended to assist SRI participants in identifying sections that will fulfill program requirements (i.e. Supplemental Instruction) and connect them with STEM/MÁS program faculty.

STEM/MÁS sections do not require any additional coursework or special add codes. Sections are open to ALL SMC students who meet the existing course prerequisites. For more information, visit smc.edu/stem.

The following sections are part of the STEM/MÁS program and enrollment is temporarily limited to program participants.

Global Citizenship Degree Requirement

An SMC student meeting the Global Citizenship degree requirement will develop an awareness of the diversity of cultures within the United States and/or an appreciation for the interconnectedness of cultural, ecological, economic, political, social, and technological systems of the contemporary world. This prepares the student to make a responsible contribution to a rapidly changing global society. The student must take a minimum of three (3) units in one of the following areas: American Cultures, Ecological Literacy, Global Studies, Service Learning, or a Santa Monica College Study Abroad Experience.

Please visit the searchable class schedule at smc.edu/searchclasses for more detailed information about the modality of a section.

Study Abroad

Studying abroad is an enriching, life-changing experience! There is no substitute for the experience of living in another culture and learning — first-hand — how others think, live, and work.

Santa Monica College offers faculty-led Study Abroad programs designed to take students to another country and immerse them in an exciting and engaging learning program. Each program gives students the opportunity to earn SMC credit as they expand their own intercultural awareness and foster a more global experience. Students who successfully complete a minimum of three (3) semester units while attending a Study Abroad program will fulfill SMC's Global Citizenship graduation requirement for the Associate degree.

For program information, please visit the IEC's Study Abroad website (smc.edu/studyabroad).

Promo Pathway Program

Promo Pathway is an innovative partnership between Santa Monica College and the industry trade organization PromaxBDA, formed to increase diversity in the entertainment promotions workforce. The program provides students with the knowledge, skills, and professional relationships necessary for entry-level employment in the Digital Media Industry. Students prepare for careers as writers/producers/editors of on-air promotions, commercial advertisements, and public service announcements; and also for employment in related areas, including social media marketing, media strategy and planning, public relations, publicity, advertising, and interactive media marketing. Students can complete both a Certificate of Achievement and an Associate degree in Entertainment Marketing/Promotion Production. For more information, visit the Promo Pathway website at smc.edu/promo or call 310-434-4182.

Internship Program

An internship is an off-campus or on-campus work experience that is designed to enhance student learning in the classroom. Through internships, students achieve “Learning Objectives” designed to help expand career options, learn about the ‘work culture,’ and develop new job skills.

Students interested in becoming interns can go to smc.edu/internship to find out how to get involved in SMC’s Internship Program, and to smc.edu/hiresmc to find out about the many kinds of internships that are available.

To be eligible for an internship class, a student must be a ‘continuing student’ at Santa Monica College. A continuing student is one who attended SMC the previous fall or spring semester and completed at least 6 units. For example, a fall semester or summer session intern is required to have attended SMC the previous spring semester and completed at least 6 units. A spring semester intern is required to have attended SMC the previous fall semester and completed at least 6 units.

To enroll in an internship, students are required to attend a one-hour **Internship Orientation** meeting at the beginning of the semester. Visit our website (smc.edu/internship) or call the Career Services Center for the orientation meeting schedule.

Students earn college credit based on the number of internship hours worked. Each unit of college credit requires **60 hours of unpaid** (volunteer), or **75 hours of paid** work per semester. The General Internship classes are listed in this schedule of classes under Counseling and Testing. The classes are Counseling 90A, B, C, and D, and range from 1 to 4 units of credit. **General Internships** need not be related to the student’s education or career goals.

F-1 students must see the immigration coordinator at the International Educational Center before enrolling in an internship.

Several departments at SMC also offer **Specific Internships** that are related to a student’s major or career goal. These internships combine on-the-job learning experiences with college curriculum, and are for students who are beginning, changing, or advancing in a career, or who are moving ahead in a major. Students can call the Career Services Center at 310-434-4337 to find out which departments offer internships.

SMC’s Career Services Center hosts internship events throughout the year, offering students the opportunity to meet potential employers and ask questions about the internships being offered. Visit our website (smc.edu/internship) to find out when the next Internship Fair will be held.

For further information or for help in finding an internship, call the Career Services Center at 310-434-4337, or visit our website (smc.edu/internship).

SMC STUDENT PERKS

BODEGA

Bodega, SMC’s on-campus pantry, provides free groceries and other essential items to all currently enrolled students. Students can also access free healthy snacks on the go at one of the 15 Bodega Bites sites available on all SMC campuses. Additionally, students can acquire gently used clothing at Bodega Rack during Bodega operational hours.

For info, visit: smc.edu/bodega

smc.edu/moc-mentoring 310-434-4496
Email: jimenez_paul@smc.edu
The Men of Color Mentoring Program is a student success program that pairs up male students in the Black Collegians Umoja Community and Adelante Program with mentors who are men of color on SMC's faculty and staff. Mentors — who can relate to experiences their mentees encounter as they pursue their education goals — provide consistent support, interaction, and guidance through one-on-one meetings and group activities. See the program's website or send email for details.

NONCREDIT INITIATIVES/ PROGRAMS

smc.edu/noncredit
Bundy Campus, Room 112
3171 S. Bundy Dr., Los Angeles 310-434-3399
Email: noncreditregistration@smc.edu
SMC Noncredit (Adult Education) Initiatives/Programs offer free noncredit certificate programs and courses, along with student support services to students in the areas of:

- Short-term vocational and workforce preparation courses and certificates for students seeking entry-level employment.
- English as a second language (ESL) courses for individuals who wish to develop their English reading, writing, and conversational skills before gaining employment or entering college programs that earn credit; and
- Citizenship preparation classes for adults seeking US citizenship.

The free short-term vocational certificates can be earned in as little as one semester, and the free noncredit ESL and citizenship preparation classes are repeatable and have open entry/open exit enrollment, giving students the freedom and flexibility they need.

The program also provides counselors to assist students with questions regarding ESL placement, career readiness, financial aid, and education planning, as well as services to help students transition to credit programs and the workforce.

ONLINE PROGRAMS

smc.edu/online
Santa Monica College is committed to providing education programs, degrees, and certificates to students who are at sites away from the SMC campus, and to students who need to choose alternatives to the fixed schedule, place, program, and structure of traditional classroom-based education. For details, students should visit smc.edu/online.

PEER NAVIGATOR PROGRAM

Student Services Center S145 310-434-4055
Email: peernavigator@smc.edu
The Peer Navigator Program — a students-helping-students program — connects first-year SMC students with student leaders trained to provide one-on-one support and direction to help you navigate college and make the most of your SMC experience.

Peer Navigators are knowledgeable about SMC and offer guidance, listen to your concerns and experiences, suggest resources, and answer questions. Through mentoring, frequent communication, workshops, and social and education events, Peer Navigators serve as mentors, allies, and advocates to help you build positive relationships and enhance your college experience beyond the classroom.

For more information, please visit our website or send email. To be connected to a Peer Navigator, please visit our website and fill out a Peer Navigator Request Form.

PICO PARTNERSHIP PROGRAM

smc.edu/picopartnership
Student Services Center S238 310-434-4926
The Pico Partnership Program is a collaboration between Santa Monica College and the City of Santa Monica. The program meets the needs of the underserved, under-represented youth who live in close proximity to the College. Pico Partnership motivates and assists young adults to attend SMC and work toward their career and education goals. Each student in the program works one-on-one with a counselor. See the Pico Partnership webpage for information on how to apply for the program.

Center for Media and Design 130 310-434-4340

The Corsair, Santa Monica College's award-winning student-run newspaper and media company, has an online news site and publishes a print edition every other Wednesday during the fall and spring semesters. The Corsair welcomes all students to help create the newspaper, which is a lifeline of news and entertainment for the entire SMC community. Experience on The Corsair can lead to internships with major media companies.

COUNSELING & TRANSFER SERVICES

smc.edu/generalcounseling
Student Services Center S256 310-434-4210

SMC's General Counseling & Transfer Services assists and advises ALL students on developing their education plans, helps smooth the enrollment process for you, provides information on degrees and professional and career certificates, helps you select classes that meet requirements for a particular academic or career path, and facilitates your successful transfer to four-year institutions. Counseling services are also available online at smc.edu/onlinecounseling for students enrolled in on-campus courses (students enrolled in online courses should consult the information available at smc.edu/OnlineEd).

EDUCATION AND EARLY CHILDHOOD COUNSELING

smc.edu/ece
Early Childhood Lab School,
2nd Floor 310-434-8109

The Education and Early Childhood program provides academic and professional preparation, as well as transfer assistance, for students interested in teaching careers (infant through grade 12) or related work with children and families. Students receive individualized academic support, counseling, and professional growth advisement, including assistance with permit applications for students seeking employment in early childhood education.

FOOD SERVICES

Santa Monica College offers a variety of on-campus food services. Services and hours are subject to change without notice.

- **The Cafeteria** is centrally located on SMC's main campus. Service is provided indoors, with seating available inside and on outdoor patio areas. The Cafeteria houses a food court, where a selection of meals, salads, snacks, desserts, and beverages may be purchased at reasonable prices. Currently, the Cafeteria's food services are provided by the **Corsair Café** (menu at corsaircafe.com) and **TCBY**. The Cafeteria is open Monday through Friday, 8 a.m. to 5 p.m.
- **The Coffee Spot**, located by the Theatre Arts Complex, serves hot and cold coffee beverages and pre-wrapped sandwiches and salads. The Coffee Spot is open Monday through Friday, 6 a.m. to 1 p.m.
- **Vending machines** can also be found at various locations on the main and other SMC campuses. An **Everytable** refrigerated vending machine is located in the Cafeteria on the main SMC campus, as well as at the SMC Center for Media and Design.
- **Bodega**, SMC's centralized food pantry located by the east side of the Cafeteria, offers free non-perishable food items, fresh produce, and toiletries to any currently enrolled student. See smc.edu/foodsecurity for details and operating hours.

GATEWAY TO PERSISTENCE AND SUCCESS (GPS)

smc.edu/gps
SMC's Gateway to Persistence and Success (GPS) — an online tool that connects students with their instructors, counselors, and student support services — acts as an 'early warning' system to help you address issues affecting or interfering with your education. Through GPS, instructors can alert Counseling or other services when you are struggling, and you can receive feedback that gives you a solid idea of how you are doing in class. GPS also offers access to rapid referrals to support services, as well as positive reinforcement and encouragement.

HEALTH SCIENCES COUNSELING

smc.edu/ncc
Nursing: smc.edu/nursing
Respiratory Care: smc.edu/rtlink
Bundy Campus, 3rd Floor 310-434-3453
The Health Sciences Counseling program provides SMC Nursing and Respiratory Care students with academic counseling, education planning services, and other education and counseling services specific to health sciences.

HEALTH SERVICES CENTER

smc.edu/healthcenter
Cayton Center 112 (next to Cafeteria)
310-434-4262

SMC's Health Services Center provides health services (with referrals as needed) and first aid to currently enrolled Santa Monica College students. The Center's focus is health promotion, illness prevention, treatment of acute illness, and health education to promote student success. Selected immunizations, screenings, and treatments are offered free or at cost. All services are confidential.

Health Insurance: The Health Services fee paid at time of enrollment is NOT health insurance, and covers ONLY the services offered at the SMC Health Services Center. Any expenses a student incurs for medical services are the sole responsibility of the student. Information about optional health and dental insurance programs is available in the Health Services Center or on the Health Services webpage (smc.edu/healthcenter). International students should consult the International Education Center for information on health insurance.

LIBRARY

smc.edu/library
Information 310-434-4334
Reference Service 310-434-4254

The Santa Monica College Library has an extensive collection of books, online resources, study rooms, computers, and more available for all currently enrolled students. Plus, SMC students can access the library's online resources remotely using their SMC login. The SMC Library also welcomes SMC community members and invites them to learn more about how the library can support their lifelong learning pursuits.

OFFICE OF STUDENT LIFE

smc.edu/OSL
Cayton Center 202 310-434-4250

The Office of Student Life is the hub of student activities at SMC. The **Associated Students (A.S.) Board of Directors**, other A.S. officers, **Inter-Club Council (ICC)**, **Associate Dean of Student Life**, and student activities staff can all be found there, along with information on A.S. and club activities, use of campus public areas, campus student publicity, and other details.

The **Associated Students** — the student-directed organization of the SMC student body and its elected or appointed student officers —

promotes the intellectual, social, and cultural welfare of students through proper, effective government. The A.S. Resource fee supports a rich program of extracurricular activities — including more than 60 student clubs — to foster academic achievement, social interaction, and community involvement.

OMBUDSPERSON

smc.edu/ombuds
Pico Classroom Complex 151 310-434-3986

Students who have complaints, grievances, or personal concerns about Santa Monica College or any of its policies are encouraged to discuss them with the College Ombudsperson. The Ombudsperson provides support and encouragement to students, and attempts to present options and solutions. Complaints are handled confidentially on a case-by-case basis.

SMC JOHN DRESCHER PLANETARIUM

smc.edu/planetarium
Drescher Hall 223 (near elevator) 310-434-3005
NOTE: Until further notice, SMC's John Drescher Planetarium will present its shows online using the Zoom platform (with a few possible exceptions for special telescope viewing sessions). For the time being, the shows are FREE. A link to the shows is available on the date of the show at smc.edu/planetarium.

Santa Monica College presents two highly popular astronomy shows on Friday evenings during the academic year. The Night Sky Show at 7 p.m. presents the wonders of the ever-changing night sky in an interactive 50-minute show updated weekly with the latest news in space exploration and astronomy. The Feature Show at 8 p.m. is generally a multimedia presentation that concentrates on a specific topic.

A new planetarium — with full capabilities for multimedia presentations — is under construction and expected to open in 2025. The planetarium, along with a new observatory also under construction — will be used for SMC astronomy and science classes, local schools, community groups, and the general public.

SMC PETE AND SUSAN BARRETT ART GALLERY

smc.edu/Barrett
Information 310-434-8204
1310 11th St., 1st Floor 310-434-3434

The SMC Pete and Susan Barrett Art Gallery presents exhibits of the best in contemporary art by local, national, and international artists, as well as SMC's annual student and faculty art exhibitions. Each exhibit is free and open to the public and has a free opening reception. Many exhibits include free informative art talks. For details on upcoming gallery events, please call the Gallery, visit our webpage, or browse the SMC Events calendar (smc.edu/events).

SMC PHOTOGRAPHY GALLERY

STUDENT EQUITY CENTER (SEC)

smc.edu/sec
Cayton Center, Lower Level 310-434-4666

Email: studentequitycenter@smc.edu
SMC's Student Equity Center (SEC) is a collaborative and inclusive space consisting of four centers: Gender Equity Center, Racial Justice Center, Pride Center, and Dream Resource

Center. The Student Equity Center empowers students to explore, affirm, and celebrate their individual and intersectional identities and define success for themselves. Each center promotes a sense of belonging and develops student leadership to work toward social change on their campus and in their communities. For more information, please visit the SEC office.

TUTORING SERVICES

smc.edu/tutoring
SMC provides free tutoring services in selected subjects for all students through a number of online and on-ground tutoring centers. For hours and general information, visit the Tutoring Services webpage and click on the link for the center you want. You can schedule a tutoring appointment online through Corsair Connect (smc.edu/cc). Tutoring is offered to support a wide variety of programs, including:

- Accounting
- Business
- Computer Science
- Economics
- ESL
- History
- Humanities
- Logic
- Math
- Modern Languages
- Political Science
- Science
- Writing

Specialized tutoring may also be arranged through the Center for Students with Disabilities (310-434-4265), EOPS/CARE (310-434-4268), the Scholars Program (310-434-4371), and the International Education Center (310-434-4217).

WELCOME CENTER

smc.edu/welcomecenter
Student Services Center S110 310-434-8101

The Welcome Center is a one-stop location to assist first-time SMC students as they begin their journey at the College.

The Center supports students in a nurturing and welcoming environment. Students receive vital new-student information and step-by-step guidance through the enrollment process. As the first point of contact for SMC, the Welcome Center offers campus tours and introduces students, parents, and high school counselors to education counseling and academic programs, student services, and other campus resources.

Financial Assistance

FINANCIAL AID OFFICE

smc.edu/financialaid
Student Services Center S133 310-434-4343

The Financial Aid Office at Santa Monica College strongly encourages students to apply for financial aid by going to studentaid.gov/fafsa-app and completing the Free Application for Federal Student Aid (FAFSA). Students who have been ineligible to receive financial aid in the past should re-apply each year and are encouraged to come in and ask about other resources that may be available to them.

The Financial Aid Office provides several important student services, including:

- Providing information regarding the types of financial aid available;
- Helping collect and complete all necessary financial aid forms and documents; and
- Providing guidance on student loans and debt management.

The Financial Aid Office annually provides more than \$45 million in federal, state, and other assistance to SMC students. The major aid programs at SMC are:

- **Pell Grants** — Federally funded grants of up to \$11,092 per year to eligible undergraduate students;
- **Federal Supplemental Educational Opportunity Grant (FSEOG)** — A Federal grant given to the College for disbursement to eligible students (average Santa Monica College student award is up to \$100 per semester until these funds are completely expended);
- **Cal Grant B** — State-funded award for eligible students from disadvantaged backgrounds or low-income families who have exceptionally high financial need, to provide them assistance with enrollment fees, living expenses, books, supplies, and transportation (the average Santa Monica College student award is \$1,656 per year; *both FAFSA applicants and California Dream applicants may qualify*);
- **Cal Grant C** — State-funded award for eligible students from low- and middle-income backgrounds enrolled in vocational training programs, to provide them assistance with training costs such as tools, books, and equipment (average Santa Monica College student award is \$547 per year; *both FAFSA applicants and California Dream applicants may qualify*);
- **Student Success Completion Grant (SSCG)** — State-funded grant awarded to full-time students and full-time Cal Grant B or C recipients, to provide an additional \$2,596 to students enrolled in 12-14 units per semester, or up to \$8,000 to students enrolled in 15 or more units per semester;
- **California College Promise Grant** — State-funded grant that covers certain enrollment fees for eligible students;
- **Santa Monica College Promise** — Free enrollment and fee waivers for students who graduate from a California high school or complete a high school equivalency test (e.g., GED® or HiSET or CCP) and enroll at SMC as first-year, full-time students (see smc.edu/freetuition for details);
- **Federal Work-Study (FWS) funds** — Federally funded program that provides wages to eligible students for both on-campus and off-campus employment;
- **Stafford Loans (subsidized and unsubsidized)** — Federally administered, low-interest loans to eligible students; and
- **Parent Loans for Undergraduate Students (PLUS Loans)** — Federally administered, low-interest loans to parents of students who are considered dependent according to federal regulations.

Students can apply for federal financial aid and the California College Promise Grant directly through the SMC Financial Aid website (smc.edu/financialaid), where they will find useful links to federal and state agencies.

To be eligible to receive most forms of financial aid, a student must show documented “financial need” as determined by the FAFSA. However, there are a number of other specific federal requirements that must also be met. To be eligible for federal financial aid, you must:

- Be a US citizen, a permanent resident, or an eligible non-citizen (if you do not understand these terms, ask the Financial Aid Office to explain them to you);
- Have a valid Social Security number;
- Have a high school diploma or GED;
- Be enrolled in an eligible program at SMC;
- Make satisfactory academic progress in your coursework;
- Have complied with US Selective Service requirements (male students only);
- Have not been convicted of the possession and/or sale of illegal drugs; and

- Not be in default on a student loan or owe a refund on any state or federal grant you may have received in the past.

Please note: AB540 students can also apply for Cal Grants and California College Promise Grants by completing a California Dream Act application. To receive a Cal Grant, AB540 students need to be enrolled in an eligible program, have a high school diploma/GED, and meet satisfactory academic progress. In addition, male AB540 students are required to comply with US Selective Service requirements.

Santa Monica College has partnered with BankMobile to process financial aid disbursements. See smc.edu/bankmobile for more details.

The Financial Aid Office is open Monday and Thursday 8:30 a.m.-4:30 p.m., Tuesday and Wednesday 8:30 a.m.-6 p.m., and Friday 8 a.m.-12 noon. **Q-less online phone system hours are Monday and Thursday from 10 a.m. to 3 p.m., Tuesday and Wednesday from 10 a.m. to 5 p.m., and Friday from 9 a.m. to 12 p.m.** Hours are subject to change without notice.

SCHOLARSHIP OFFICE

smc.edu/scholarships
Student Services Center S133 310-434-4343

SMC’s Scholarship Office handles a variety of awards from sources such as foundations, private endowments, and private individuals. Scholarships are available to incoming high school students (ask your high school counselors about these scholarships), students continuing at SMC, and students transferring from SMC to a four-year college or university. Awards are offered for a wide range of achievements and student activities, and many do not include financial need in their requirements.

The Scholarship Office:

- Provides a single-application procedure for consideration for more than 500 scholarships available through the program;
- Distributes more than \$450,000 in scholarship funds from the Santa Monica College Foundation (an endowment fund that provides proceeds for about 500 different scholarships), service clubs and local organizations, private individuals, and other organizations, foundations, and corporations;
- Provides informational workshops and application forms for a variety of non-campus-based scholarship sources; and
- Provides support services to get and fill out applications and to collect any required documents.

Scholarships vary from \$250 to \$2,000 per year, and are awarded as a check issued directly to the student.

MATRICULATION

SMC has a planned education process called “matriculation,” which helps you match your interests, abilities, needs, and goals with the College’s courses, programs, and services. The matriculation process includes orientation, placement, and education planning/counseling to design a program of courses that meets your education goals.

To find out how the matriculation process can benefit you, please see the annual SMC catalog (available online at smc.edu/catalog).

PROGRAM CHANGES

Enrollment in classes is done online through Corsair Connect at smc.edu/cc. Beginning the

day of the second class meeting, you will need an Instructor Authorization Code to add courses, even if space is available.

ATTENDANCE AND WITHDRAWALS FROM CLASSES

Regular attendance and participation are obligations assumed by every student at the time of enrollment.

A STUDENT ENROLLED IN ANY CLASS AT SMC MUST ATTEND — OR (IF AN ONLINE CLASS) ACTIVELY PARTICIPATE IN — ALL SESSIONS OF THE CLASS THAT MEET DURING THE FIRST WEEK OF THE CLASS OR RISK BEING DROPPED FROM THE CLASS BY THE INSTRUCTOR. INSTRUCTORS MAY ALSO WITHDRAW YOU LATER FOR EXCESSIVE ABSENCES OR NONPARTICIPATION (IF ENROLLED IN AN ONLINE CLASS).

You may withdraw from classes online through Corsair Connect at smc.edu/cc. **It is the YOUR responsibility to withdraw from a class by the course-specific deadline — informing the instructor is NOT sufficient notice.** Failure to withdraw (officially drop) from a class could result in a grade of F (0.0), and owed fees.

The Admissions Office is not responsible for incomplete online transactions. Please confirm your transactions (including withdrawals), then print and review your revised schedule. You must have this proof to contest any discrepancies.

- **Specific deadlines to request a refund, avoid a W, or receive a guaranteed W are listed in your Corsair Connect account. Add reminders to your calendar.**

- **Late withdrawals with extenuating circumstance:** After the guaranteed “W” deadline has passed, you may request withdrawal from a class by submitting a Special Consideration Petition **ONLY** if there are extenuating circumstances (such as verified cases of an accident, illness, or other circumstances beyond your control) which make the withdrawal necessary. It may take several weeks to review your request, and there is no guarantee it will be approved. If your request is approved, you will receive a W, and units earned in the class will be included in “enrolled units” on your SMC transcript. **PLEASE NOTE:** If you have not withdrawn by this deadline, you will receive a grade of A (4.0), B (3.0), C (2.0), D (1.0), F (0.0), P (Pass), or NP (No Pass) from the instructor. If you do not qualify for late withdrawal or you cease to attend the class, you may receive a grade of F (0.0). The instructor will be asked for feedback on your petition.

NOTE: The instructor issuing an F (0.0) to you may be asked by the Financial Aid Office to verify if the F was the result of ‘nonattendance.’ Nonattendance means your last attendance date — or, if enrolled in an online or hybrid class, the last date of your substantive participation — was prior to the 60% point of completion of the course. Poor performance means you participated after the 60% point in the course and earned an F. Nonattendance may be grounds for return of financial aid funds.

- **If you have completed a course** — including taking the final exam or submitting final projects — you are **not** eligible for a late withdrawal. If you are contesting a grade for a completed course, you should meet with the instructor. See “Grade Appeals – Contesting a Grade,” below, for details.

Requests to withdraw AFTER the class and term has ended must be submitted no later than the deadlines below (without exception) by completing a Petition for Special Consideration available at smc.edu/forms.

- **Excused withdrawals:** You may withdraw from a course due to extenuating or extraordinary circumstances before the 75% point of the

class. You will be asked on Corsair Connect if the drop is due to extenuating circumstances. In such cases, the EW will be granted automatically. If you withdraw after the 75% point and through the last day of instruction for the class, you must submit an Excused Withdrawal Petition to the Admissions and Records Office. The EW will not be counted in (1) progress probation and dismissal calculations, and (2) will not count against the permitted number of withdrawals or enrollment attempts in a given course. As a result, if you have an Excused Withdrawal (EW), you may repeat the course(s) from which you have withdrawn. Enrollment, tuition, Health Services, SMC student I.D., A.S. Resource, and Student Representation fees will not be refunded.

Deadlines to Request Removal of Ws and Refund of Fees

- All requests must be submitted within two (2) calendar years after the last day of the term when you took the class. To initiate your request, you must file a Special Consideration Petition, available at smc.edu/forms.

A complete explanation of how withdrawal deadlines are determined is available online (see smc.edu/AdminRegulations) and in the annual SMC catalog (online at smc.edu/catalog).

PLEASE NOTE: Short-term and open-ended courses have their own deadlines (go to smc.edu/datesdeadlines for details, and review your Corsair Connect class schedule for specific dates).

GRADE APPEALS – CONTESTING A GRADE

- **Informal Resolution:** Students questioning a final grade received in a class must always contact the instructor and department chair to discuss their concerns. If the instructor or chairperson is not responsive, your next step is to contact the College Ombudsperson. The Ombudsperson acts as a source of information, assistance, and referral; encourages informal conciliation between students and instructors; and seeks to resolve the grading dispute informally. If the grade dispute is not resolved to your satisfaction, the Ombudsperson will advise you on how to request a formal grade appeal.
- **Formal Grade Appeal Reasons:** According to State law, a formal grade appeal can only be pursued in cases where the final grade was issued because of instructor fraud, bad faith, incompetency, or a mistake. Before filing a formal grade appeal petition with the Dean of Enrollment Services, a student must first discuss the situation with the College Ombudsperson. The student bears the burden of proof in substantiating their allegation. Instructors are expected to cooperate with the Ombudsperson.
- **Grade Appeal Deadline:** A student who wishes to appeal a grade must file a formal grade appeal petition no later than October 30 for spring semester grades, November 30 for summer session grades, April 30 for fall semester grades, and May 30 for winter session grades. However, students must meet with the College Ombudsperson at least 15 days before the deadline to discuss the grade appeal procedure and attempt to resolve the grade dispute informally.
- **Continuing a Grade Appeal:** After discussing a grade appeal with the College Ombudsperson, if there is no informal resolution satisfactory to the student and the student wishes to continue the appeal, the Ombudsperson will outline the procedure to be followed. The grade appeal petition must include a statement describing how the grade that was awarded was the result of instructor mistake, bad faith, incompetency, or fraud; no other reason is

College Policies

recognized. The Dean of Enrollment Services, who supervises the grade appeal process, may stop a grade appeal when there is no evidence of instructor mistake, fraud, incompetence, or bad faith. Unsubstantiated claims will be dismissed. Students and faculty are expected to provide a true and accurate account of the grade dispute. The Grade Appeal Committee may initiate disciplinary proceedings when in its judgment the information presented to the Committee was deemed to be fraudulent or fabricated. See smc.edu/ombuds for further information. The grade appeal process is lengthy and can frequently take from 4-8 months to resolve.

To schedule an appointment with the Ombudsperson, please send email to ombuds@smc.edu or call 310-434-3986.

See smc.edu/grade-appeals to find out more about the formal grade appeal process.

ENROLLMENT OVERLAP AND TIME CONFLICTS

As a general rule, students cannot enroll in courses that meet at the same or overlapping times. Under some circumstances, however, the College may permit enrollment in limited overlapping schedules. Exceptions may be considered by petition. For specific requirements and restrictions for overlapping schedules, see the annual SMC catalog (available online at smc.edu/catalog). Students may submit a Time Conflict Approval form for consideration. The form is available at smc.edu/forms.

RELIGIOUS OBSERVANCE AND OTHER ACCOMMODATIONS

Observance of religious holidays may have an impact on a student's scheduled assignments, tests, or examinations. California State Education Code section 76121 states that an instructor must make a reasonable attempt to accommodate a student without penalty when there is a conflict between a student's religious creed and a scheduled assignment, test, or examination. Affected students should submit a written request to the instructor during the first two weeks of the academic term, or as soon as possible after a particular assignment, test, or examination date is announced by the instructor.

In matters of absence due to other personal necessity such as jury duty or court appearances, accommodation will be at the discretion of the instructor, subject to verification.

UNIT LOAD LIMIT

Students who are in good standing may take up to sixteen (16) units during the fall or spring semester, and eight (8) units during the summer or winter session. Please consult a counselor for details.

PROBATION AND DISMISSAL STUDENT POLICIES

Santa Monica College students are expected to take responsibility for meeting the SMC Student Success Standards of "Academic Achievement" (maintaining a cumulative GPA of 2.0 or better in all classes taken at Santa Monica College) and "Timely Progress" (not exceeding the allowed percentage of I, W, and NP notations). Failure to meet these standards can lead to:

- Academic probation or progress probation, either one of which will limit how many units you may enroll in, which cannot exceed a maximum of 9 units in a spring or winter session, or 5 units in a winter or summer session;
- Academic dismissal; or
- Progress dismissal.

Both academic and progress dismissal will result in a limit of up to six (6) units maximum during the spring and fall semesters — and up to three (3) units maximum in the winter and summer sessions — if you are reinstated. If you have been dismissed from SMC more than once, you will be asked to take a break from attending SMC for up to a maximum of one year.

If there is ANY possibility that you may be placed on academic or progress probation or be dismissed, you should IMMEDIATELY make arrangements to discuss your situation with a counselor. For details, please visit the SMC Counseling website at smc.edu/counseling and click on the "Dismissal and Probation Policies" link in the menu on the left-hand side of the page, or see a counselor. Additional information on academic and progress probation, academic and progress dismissal, and requirements for reinstatement is also available in the annual SMC catalog (available online at smc.edu/catalog).

PLEASE NOTE: Students who are dismissed for academic and/or progress reasons due to fall 2024 grades will be dropped AUTOMATICALLY from all previously enrolled winter 2025 classes.

CALIFORNIA COLLEGE PROMISE GRANT (CCPG) SATISFACTORY ACADEMIC PROGRESS REQUIREMENT

The State of California requires California College Promise Grant recipients to meet certain minimum academic standards. Please note:

- To remain CCPG-eligible, students must maintain at least a 2.0 GPA and a course completion rate of at least 50%.
- Students who fail to meet the GPA and/or completion rate standards will be placed on CCPG Probation.
- Students on CCPG Probation have one major term (fall or spring semester) to raise their GPA and/or completion rate.
- Students who fail to raise their GPA and/or completion rate up to the minimum standards may become ineligible for a CCPG for the next fall or spring semester unless they (a) have already enrolled in the next fall or spring semester; or (b) have not yet completed 12 units.

For more information about the new CCPG Satisfactory Academic Progress Requirement, including how to appeal the loss of CCPG eligibility, please go to the SMC Financial Aid webpage.

ACADEMIC ADJUSTMENTS AND INFORMATION TECHNOLOGY FOR STUDENTS WITH DISABILITIES

SMC complies with State and Federal law with regard to modifying academic policies and procedures and information technology as needed to ensure that they do not discriminate, or have the effect of discriminating on the basis of disability, against qualified applicants or students with disabilities. For details on adjustments and the procedure for requesting them, please contact the Center for Students with Disabilities by calling 310-434-4265.

PREREQUISITES AND COREQUISITES CHALLENGES

Students who have not completed prerequisite or corequisite courses at Santa Monica College or other colleges may challenge the requirement under certain circumstances by submitting a Prerequisite Challenge Petition to the appropriate academic department. The student bears the initial burden of proof to show that grounds exist for the challenge. Please see the annual SMC

catalog (available online at smc.edu/catalog) for a detailed description of the challenge process.

PASS/NO PASS

Students who wish to take courses on a pass/no pass (P/NP) basis must apply for each course through Corsair Connect. Click on the "Classes & Enrollment" tab, and select "P/NP Grading" option before the class-specific deadline. The decision to take a course on a P/NP basis is irrevocable after the deadline has passed. Students are strongly encouraged to seek the advice of a counselor before making a decision to enroll in a class on a P/NP basis. See smc.edu/admissions and click on "Enrollment & Grading Policy Updates" for the latest details.

AUDITING CLASSES

Santa Monica College does not permit auditing of classes. All students attending credit or noncredit classes at Santa Monica College must be officially enrolled through SMC's Admissions Office. Older adults attending free, noncredit classes on topics of interest to seniors must be enrolled through the SMC Emeritus program. Students attending fee-based not-for-credit classes to explore personal interests or gain professional certification must be enrolled through the SMC Community Education office. Students attending free English as a Second Language (ESL) and other noncredit adult education classes must be enrolled through SMC's Noncredit (Adult Education) Initiatives/Programs.

COURSE REPEATS

California Code of Regulations Title 5 limits the number of times a student may repeat a course in the California Community College system. These regulations also require all current and prior course enrollments, repetitions, and withdrawals in a student's enrollment record to be counted toward the maximum limit.

If you would like — or need — to repeat a course in which you have previously earned an unsatisfactory grade or a W, you may re-enroll ONE TIME without the need to request permission from a counselor. After that, you MUST talk to one of SMC's academic counselors. Check the Santa Monica College catalog (available online at smc.edu/catalog) for details.

GRADUATION REQUIREMENTS

The Associate degrees (AA, AS, AA-T, AS-T) are granted upon completion of sixty (60) degree-applicable units (general education, area of study, and electives) with a cumulative grade point average of C (2.0) or higher, and a minimum of twelve (12) units in residence must be completed at Santa Monica College. The Certificate of Achievement, Certificate of Completion, and Certificate of Competency are granted upon successful completion of required coursework.

To receive your degree or certificate, you must file a Petition for Graduation with the Admissions Office. A link to the form is available at smc.edu/forms, where the form can be filled out and submitted online. Deadlines for filing:

- Spring — Start of spring semester through April 15
- Summer — Start of summer session through July 31
- Fall — Start of fall semester through December 1

Check the Santa Monica College catalog (available online at smc.edu/catalog) for details, including requirements for graduating with honors.

OPEN ENROLLMENT

Unless specifically exempted by statute or regulation, every course, course selection, or class offered and maintained by the Santa Monica Community College District and reported for state aid shall be fully open to enrollment and participation by any person who has been admitted to Santa Monica College and who meets the prerequisites established according to regulations contained in Article 2.5, Subchapter 1, Chapter 6, Division 6 of Title 5 of the California Code of Regulations.

STATEMENT OF NONDISCRIMINATION

The Santa Monica Community College District is committed to building an inclusive and diverse environment and maintains a comprehensive program to ensure that practice reflects these principles. Diversity within the college environment provides opportunity to foster mutual awareness, knowledge, and sensitivity, to challenge ingrained stereotypes, and to promote mutual understanding and respect. The District's equal employment opportunity and nondiscrimination policies are set forth in Board Policies 2405, 2410, 3120-3123, 5220, 5230, and 5530. As set forth in these Board Policies, the District is committed to equal employment opportunity and nondiscrimination in the learning and work environments in accordance with all applicable laws, including, without limitation, California Code of Regulations, Title 5, § 59300 et seq., California Government Code §§ 11135-11139.5, the Sex Equity in Education Act (California Education Code § 66250 et seq.), Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d), Title IX of the Education Amendments of 1972 (20 U.S.C. § 1681), Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794), the Americans with Disabilities Act of 1990 (42 U.S.C. § 12100 et seq.), and the Age Discrimination Act (42 U.S.C. § 6101).

It is important for students, employees, and others associated with the College to report concerns about possible violations of the District's policies regarding equal employment opportunity and nondiscrimination. If you need information about the District's policies or need to report a violation of the laws listed above, you should contact:

- SMC Human Resources Office, 310-434-4415 or hrcomplaints@smc.edu (located on the second floor of the SMC Administration Building, 2714 Pico Blvd), regarding any complaint of unlawful discrimination, including sexual harassment and sexual discrimination; or
- Eric Oifer, ADA/504 Compliance Officer, 310-434-8912 or oifer_eric@smc.edu (office located in Student Services Center S276) regarding disability discrimination complaints.

DECLARACIÓN DE NO DISCRIMINACIÓN

El Distrito de Santa Monica Community College tiene el compromiso de crear un ambiente inclusivo y diverso y de mantener un programa comprensivo para asegurarse de que la practica refleja estos principios. La diversidad entre el ambiente colegial provee oportunidad para fomentar el conocimiento, la erudición, y la sensibilidad mutual, luchar contra los estereotipos arraigados, y promover la comprensión y respeto mutual. Las reglas del Distrito sobre igualdad de oportunidades del empleo y de nondiscriminación se disponen en las polisas 2405, 2410, 3120-3123, 5220, 5230, y 5530. El Distrito está comprometido a la igualdad de oportunidades y nondiscriminación

en los ambientes de la educación y del trabajo en acuerdo con las leyes, incluyendo, sin la limitación, el Código de las Regulaciones de California Título 5, § 59300 y ss.; el Código de Gobierno de California §§ 11135-11139.5; la Ley sobre Equidad de Sexo en la Educación (Código de Educación de California § 66250 y ss.); el Título VI de la Ley de 1964 sobre Derechos Civiles (42 U.S.C. § 2000d); el Título IX de las Enmiendas de Educación de 1972 (20 U.S.C. § 1681), Artículo 504 de la Ley de 1973 sobre Rehabilitación (29 U.S.C. § 794); la Ley de 1990 sobre Americanos con Incapacidades (42 U.S.C. § 12100 y ss.); y la Ley sobre Discriminación por Edad (42 U.S.C. § 6101).

Es importante que los estudiantes, el personal y las demás personas relacionadas con el SMC reportan las inquietudes sobre posibles violaciones de las polizas relacionadas a la igualdad de oportunidades del empleo y de nondiscriminación. Si Ud. necesita información sobre las polizas del Distrito o tiene que reportar una violación de cualquier de estas leyes, debe ponerse en contacto con:

- La oficina de SMC Human Resources 310-434-4415 o hrccomplaints@smc.edu (ubicada en el segundo piso del Edificio Administrativo del SMC en 2714 Pico Blvd.) sobre cualquier reporte de discriminación, incluyendo el acoso sexual o discriminación sexual; o con

STUDENT PRIVACY RIGHTS NOTICE

The Family Educational Rights and Privacy Act (FERPA) gives students certain rights with respect to their education records. For a full explanation of FERPA and its implications for college students, please see the SMC catalog

(available online at smc.edu/catalog) or contact the Admissions Office. What appears below is ONLY a brief summary.

A student's FERPA rights include:

1. The right to inspect and review the student's education records within 45 days of the day the College receives a request for access. California law requires that records be provided within 15 working days.
2. The right to request the amendment of the student's education records that the student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.
3. The right to provide written consent before the College discloses personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure without consent, such as for 'directory' information.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5901

Students may block release of Directory Information to non-SMC third parties by placing a "Directory Information" hold on their Corsair Connect account ("View/Edit Profile" tab).

POLICY ON FEES

ATTENTION: Payment Policy

- ALL fees for winter session courses you enroll in must be paid no later than the fee payment deadline of 5 p.m. on Wednesday, December 11, 2024. Failure to pay your fees by this date will result in your classes being dropped. Fee postponement is not available. Please see the Financial Aid Office to discuss options you might have.
- Starting Thursday, December 12, 2024, you must pay for any new class you add before midnight of the day you add the class, or you will be dropped for nonpayment.
- Enrollment fees will NOT be refunded if a course is dropped after the refund deadline for the course.
- If you do not drop a course by the refund deadline, you will be responsible for paying the fees — even if you did not go to class.
- See smc.edu/fees for the latest details.

Enrollment Fee

This is a state-mandated student enrollment fee of \$46 per unit, and is subject to change without notice.

Student Benefits Fee, Associated Students Resource Fee, and Student Representation Fee

This is an optional fee of \$34.50 that includes the fee of \$22.50, which funds activities such as the LiveSafe app, technology initiatives and programs, and transportation initiatives, including the GoPass, which provides unlimited rides on buses and trains throughout L.A., as well as free bike repair assistance; the Associated Students Resource fee of \$10, which funds services and activities for the entire Santa Monica College student body; and the Student Representation fee of \$2, which helps fund student activities and representatives who may present ideas to local and state government bodies.

The Student Benefits fee, Associated Students Resource fee, and Student Representation fee

are optional. You may opt out of paying the Student Benefits fee and Associated Students Resource fee through Corsair Connect (Fees & Payment tab) prior to the *earliest* Refund Deadline for a class you are enrolled in during the term.

Health Services Fee

This is a mandatory fee of \$26 during the fall and spring semesters (\$22 during winter and summer sessions) that provides a variety of health services. You are exempt from paying the Health Services fee if you:

- Enroll exclusively in noncredit or not-for-credit courses, or
- Declare in a personally signed statement that you depend exclusively on prayer for healing in accordance with the teachings of a bona fide religious sect (documentation of such an affiliation is required). You may submit this declaration and documentation online to Admissions and Records through a Special Consideration Petition available at smc.edu/forms.

Nonresident Tuition Fee

The mandatory tuition fee for students classified as nonresidents (including students who are citizens of a foreign country and hold only temporary resident status in the United States) is \$398 per semester unit (plus \$46 enrollment fee, for a total of \$444 per semester unit), or \$374 per semester unit (plus \$46 enrollment fee, for a total of \$420 per semester unit) for students who qualify for an Assembly Bill 947 exemption. See the residency requirements at smc.edu/residency or contact the residence clerk in the Admissions Office for AB 947 exemption details. Please see the Fees webpage at smc.edu/fees for details. Please note: All nonresident tuition fees are subject to change without notice.

Upper-Division Coursework Fee

The mandatory upper-division coursework fee for students pursuing the Bachelor of Science degree in Interaction Design is \$84 per graded unit. This fee is IN ADDITION TO the \$46 per unit enrollment fee, for a total of \$130 per graded unit for students classified as residents. Students classified as nonresidents must pay the mandatory upper-division coursework fee of \$84 per graded unit IN ADDITION TO the \$46 enrollment fee AND the \$398 tuition fee, for a total of \$528 per graded unit. Students who qualify for an Assembly Bill 947 exemption must pay the mandatory upper-division coursework fee of \$84 per graded unit IN ADDITION TO the \$46 enrollment fee AND the \$374 tuition fee, for a total of \$504 per graded unit.

Materials and Supplies Fees

Some classes require additional fees for materials and supplies. Consult the class listings in the Schedule of Classes to determine whether any such fees are required. Fees for materials and supplies are not refundable.

On-Campus Virtual Parking Permit Fee

The on-campus virtual parking permit fee is required ONLY if you wish to use the on-campus parking facilities at the SMC Main Campus, SMC Performing Arts Center, or the SMC Center for Media and Design. Parking is FREE at other SMC satellite campuses, BUT requires a virtual parking permit (see smc.edu/transportation for details). Regular virtual parking permits — which can be purchased online through Corsair Connect at smc.edu/cc — are \$50 for the fall or spring semester and \$25 for the winter or summer session. The permit prices include the City of Santa Monica 10% parking facilities tax. Funds

from this the virtual parking permit are used to maintain and improve SMC's parking facilities.

Students who qualify for a California College Promise Grant (CCPG) because they or their family currently receive benefits under Temporary Aid to Needy Families (TANF/CalWORKs), or SSI/SSP (Supplemental Security Income), or General Assistance/General Relief are eligible to purchase an on-campus virtual parking permit at a reduced rate of \$18 for the fall or spring semester and \$10 for the winter or summer session. The permit prices include the City of Santa Monica 10% parking facilities tax.

Returned Payments and Outstanding Balances

Returned checks and rejected credit card payments are subject to a fee of up to \$25 and are taken care of at the Auxiliary Services Office, located at 1738 Pearl St. An administrative hold will be placed on your records until the matter is resolved. If you leave SMC owing a balance and do not pay it, you will be responsible for all collection costs and/or attorney's fees. This debt may also be reported to all three major credit bureaus.

WITHDRAWAL REFUND SCHEDULE

If you are eligible for a refund, it will be processed approximately 45 days after the start of the term. Please allow an additional 2-6 weeks for the refund to reach you. If a fee is owed for classes in the next term, the refund will be automatically applied to those fees.

Santa Monica College has partnered with BankMobile to process refunds. See smc.edu/bankmobile for more details.

Enrollment Fee

No refunds of enrollment fees are available to you if you withdraw from fall semester classes after the published refund deadline for enrolled classes. Refund deadlines for enrolled classes can be found in your Corsair Connect account next to your enrolled classes. If you withdraw prior to the deadline date, you will receive a 100% refund of enrollment fees (minus a processing charge of \$10). See smc.edu/fees for more information on withdrawal refund deadlines.

Nonresident Tuition

If you withdraw from fall semester classes at Santa Monica College before the published refund deadlines for the classes in which you are enrolled, you will receive a 100% tuition refund, minus any relevant processing fees.

Student Benefits, A.S. Resource, Representation, and Health Fees

If you withdraw from fall semester classes at Santa Monica College before your term's published refund deadline, you will receive a 100% refund for the Student Benefits fee, the A.S. Resource fee, the Student Representation fee, and the Health Services fee.

STUDENT RIGHT-TO-KNOW AND CAMPUS SECURITY

To comply with the Jeanne Clery Disclosure of Campus Security and Campus Crime Statistics Act (Public Law 101-542), Santa Monica College makes available the completion and transfer rates of first-time, full-time students seeking certificates, degrees, or transfer, as well as statistical information about the types and number of crimes on SMC campuses. The College provides this data to inform all current and prospective students — as "consumers" of higher education — on how well Santa Monica

College compares with other postsecondary institutions.

Completion and Transfer Rates

The completion and transfer rates presented here are derived from the most current data available at the time this schedule of classes went to press.

Completion rates are calculated by tracking a cohort (group) of first-time students seeking a certificate, degree, or transfer. For the cohort of first-time freshmen entering SMC in fall 2017, 35.70% earned a certificate or degree, transferred to a four-year institution, and/or became transfer-prepared (earned 60 or more transferable units with a GPA of 2.0 or higher) within three years of beginning coursework at SMC.

Transfer rates are calculated by tracking a cohort (group) of first-time students intending to transfer to a four-year institution. For the cohort of first-time freshmen entering SMC in fall 2017, 16.09% transferred to a four-year institution within three years of beginning coursework at SMC.

Crime Statistics for the College Community

Campus crime statistics are compiled and reported according to the guidelines specified in the Clery Act (20 USC 1092F), as defined under the FBI Uniform Crime Reporting procedures. SMC's crime statistics are available online at the US Department of Education website (ope.ed.gov/security) and at the SMC Campus Police website (smc.edu/police). Campus crime statistics — along with safety and crime prevention information — can also be found at many locations at SMC, and are available upon request. Contact the SMC Campus Police Office (310-434-4608) for details.

COLLEGE CONDUCT

Santa Monica College has an Honor Code, Code of Academic Conduct, and Rules for Student Conduct, and may discipline students in accordance with code provisions.

Check the annual Santa Monica College catalog (available online at smc.edu/catalog) for additional information.

Student Conduct Code

Students enrolled in the College have an obligation to conduct themselves in a manner compatible with the College's function as an educational institution. A complete copy of the "Rules for Student Conduct" (SMC AR 4410) is available online (see smc.edu/AdminRegulations).

STUDENT COMPLAINTS

Students with complaints, grievances, and personal concerns about Santa Monica College or any of its policies are encouraged to discuss them with the College Ombudsperson. The Ombudsperson provides support and encouragement to students, and attempts to present options and solutions. Complaints are handled confidentially on a case-by-case basis.

Students with complaints about a grade should discuss this with the Ombudsperson in time to meet the deadline to file a formal appeal. The deadlines are:

- October 15 for spring semester grades,
- November 15 for summer session grades,
- April 15 for fall semester grades, and
- May 15 for winter session grades.

For more information, contact the Ombudsperson, or visit the Ombudsperson's webpage (smc.edu/ombuds).

REQUIRED SEXUAL VIOLENCE AND HARASSMENT TRAINING

Assembly Bill 2683 (Postsecondary education: sexual violence and harassment: training and resources) requires that all students attending a California Community College annually complete sexual violence and sexual harassment training. Students must certify completion within six (6) months of the beginning of the academic year. Instructions for completing the training are provided at smc.edu/ab2683 and in Corsair Connect at smc.edu/cc.

SELECTIVE SERVICE NOTICE TO MALE STUDENTS

Federal law requires men age 18-25 to be registered with the Selective Service System (SSS) if they are US citizens or immigrant aliens (international students who hold valid student visas are exempt from this requirement). Men must be registered before they can receive federal or state financial aid (including loans and grants) for their education. Registration forms are available online at sss.gov and at any post office.

Residency

RESIDENCY

The following is a summary of Santa Monica College's residency rules and their exceptions. For more detailed information, please go to smc.edu/residency.

- Each person applying for admission to, or enrolled in, a California Community College is classified for tuition purposes as either a "resident" or a "nonresident" of the State of California.
- A "resident" is defined as a citizen of the United States or a person who holds a status that allows him or her to establish residency in the United States for a minimum of one year and one day, who has proof of physical presence in the State of California for one year and one day PRIOR TO the start of the semester for which California residency is being claimed, and who presents evidence of intention to make California his or her permanent home. Dates on any documentary evidence should correspond to dates of physical presence in California.
- A "nonresident" is a person who does not meet the residency requirements of the State of California or who is a citizen of a foreign country and holds only temporary status in the U.S.
- A student classified as a resident will be admitted to the College and exempt from paying nonresident tuition. Enrollment fees (\$46 per unit; subject to change) still apply.
- A student classified as a nonresident is required to pay a tuition fee of \$331 or \$307 (with AB 947 exemption) per semester unit in addition to enrollment fees of \$46 per unit (subject to change).
- A nonresident continuing student between the ages of 19 and 23 (inclusive) requesting reclassification to resident status must submit a petition for change of residency status (Reclassification Form, obtained from the residence clerk in the Admissions Office), show proof of financial independence, provide documents that show the student was not claimed as a dependent for income tax purposes by parents in the past year, and present evidence of intent to establish California as his or her place of residence. Please see the Residency website at smc.edu/residency for helpful tips on establishing California residency.

RESIDENCE OF AN ADULT

A student who is 19 years of age or older and who has lived in California continuously for the last two years shall be presumed to have the intent to make California his or her home.

A student under 19 years of age shall be presumed to have the intent to make California his or her home if both the student and his or her parent(s) have lived in California continuously for the last two years.

A student who is 19 years of age or older applying for admission who has less than two years, but more than one year, of residence in California should be prepared to show proof of residence. Examples of evidence that aid the College admissions officer in identifying intent include, but are not limited to, the following documents:

- California Form 540 and Federal Form 1040 tax returns evidencing California residency/address (with acceptable dates);
- Paycheck stub OR letter of employment verification on company letterhead (signed by a manager of the personnel department);
- California bank account (checking or savings account statements showing charges in the State of California throughout the period while applying for residency determination);
- Marriage license or divorce decree issued in California (with acceptable dates);
- License or certificate issued by the State (with acceptable issue and expiration dates);
- California utility bill (one ONLY of the following: DWP, gas, telephone, cable, or other utility);
- California State aid or social welfare;
- Vehicle registration and/or vehicle insurance (California company);
- California-based health insurance OR Medi-Cal ID (with relevant dates noted);
- Military discharge papers (DD214) OR Leave and Earnings statement indicating California as State of Record;
- California property taxes (in student's name ONLY);
- Union membership in a California local; and
- California public library membership (verified by letter or printout with letterhead or branch stamp).

Documents are subject to verification, and the Admissions and Records Office reserves the right to ask for more documents when making a residency determination. Dates on documents must correspond with physical presence of one year and one day. Bring documentation to the Admissions Office. Restrictions apply. Please visit smc.edu/residency for further details.

RESIDENCE OF A MINOR

Unmarried minors (those younger than 18 years of age) are, by law, incapable of establishing their own residences, notwithstanding their physical presence within California. Admissions will use the following guidelines for determining a minor's residence:

- A minor's residence is the residence of the parent or legal guardian with whom the minor is living;
- If the minor is not living with a parent or legal guardian, then the residence of the parent or legal guardian with whom the minor last lived will be the residence of the minor.

When the residence of a minor student is derived from the parent or legal guardian, the durational requirement (one year in California) must be met by the parent or guardian, but is not required of the student.

A minor whose parents are not living and who does not have a legal guardian may establish his or her own residence.

EXCEPTIONS

Exceptions to the above guidelines will be made under certain circumstances as prescribed by California law and outlined in Administrative Regulation 4110 Residency Determination. See smc.edu/AdminRegulations for details.

VACA EXCEPTION (VACA H.R. 3230)

According to the Veterans Access, Choice, and Accountability Act (VACA H.R. 3230), a "covered individual" is defined as:

1. A veteran who lives in the state in which the institution of higher learning is located (regardless of his/her formal state of residence) and enrolls at the institution after a period of active-duty service of 90 days or more.
2. An individual who is entitled to rehabilitation under 38 U.S.C. 3102(a).
3. A spouse or child entitled to transferred education benefits who lives in the state in which the institution of higher learning is located (regardless of his/her formal state of residence) and enrolls in the school within 3 years of the transferor's discharge from a period of active-duty service of 90 days or more.
4. A spouse or child using benefits under the Marine Gunnery Sergeant John David Fry Scholarship (provides Post-9/11 GI Bill benefits to the children and surviving spouses of service members who died in the line of duty while on active duty) who lives in the state in which the institution of higher learning is located (regardless of his/her formal state of residence) and enrolls in the school within three years of the Service member's death in the line of duty following a period of active duty service of 90 days or more.
5. A student who initially qualifies under the applicable requirements above will maintain "covered individual" status as long as he or she remains continuously enrolled (other than during regularly scheduled breaks between courses, semesters, or terms) at the institution, even if the student enrolls in multiple programs, and shall continue to be exempt from paying nonresident tuition and other fees.

CALIFORNIA NONRESIDENT TUITION EXEMPTION

Any student, other than one with United States Citizenship and Immigration Services (USCIS) **nonimmigrant** visa status (see exception below for students who have been granted T or U visa status), who meets all of the following requirements, shall be exempt from paying nonresident tuition (this exemption is often referred to "AB 540" after the Assembly Bill which enacted the exemption)

- A student is exempt from paying nonresident tuition if the student meets *all* of the following four requirements:
 1. The student must have:
 - three (3) years of attendance at a California high school, or
 - three (3) or more years of high school coursework and three (3) years of attendance in California elementary schools, California secondary schools, or a combination of California elementary and secondary schools, or
 - attended or attained credits at a combination of a California high school, California adult school, and/or California Community College for the equivalent of three (3) years or more, and
 2. The student must have:
 - graduated from a California high school or attained the equivalent prior to the start

of the term (for example, passing the GED or HiSET or CPP), or

- completed an Associate degree from a California Community College, or
 - completed the minimum requirements at a California Community College for transfer to the California State University or the University of California, and
3. The student must register as an entering student at, or current enrollment at, an accredited institution of higher education in California, and
 4. The student must file an affidavit with the college stating that if the student is a non-citizen without current or valid immigration status, the student has filed an application to legalize immigration status, or will file an application as soon as the student is eligible to do so.
- Students who are nonimmigrants who are victims of trafficking, domestic violence, and other serious crimes who have been granted T or U visa status, under Title 8 of the United States Code, sections 1101(a)(15)(T) or (U) are eligible for this exemption.
 - Students who are nonimmigrants, other than those with T or U visa status as noted above, [for example, those who hold F (student) visas, B (visitor) visas, etc.] are not eligible for this exemption.
 - A year's equivalence at a California Community College is a minimum of 24 semester units of credit or 36 quarter units of credit. For noncredit courses, a year's attendance is a minimum of 420 hours, 210 hours for a semester, and 140 hours a quarter.
 - The accumulation of credit and/or noncredit in any academic year will be calculated in reference to a year's equivalence. Partial completion in an academic year is allowed. (Example: 12 units of credit courses in an academic year is equal to a semester for purposes of determining eligibility.)
 - Attendance in credit courses at a California Community College toward the attendance requirements shall not exceed two years of full-time attendance.
 - The student must file an exemption request including a signed affidavit with the college that indicates the student has met all applicable conditions described above. Student information obtained in this process is strictly confidential unless disclosure is required under law.
 - Students eligible for this exemption who are transferring to another California public college or university must submit a new request (and documentation if required) to each college under consideration.
 - Nonresident students meeting the criteria will be exempted from the payment of nonresident tuition, but they will *not* be classified as California residents. They continue to be "nonresidents."
 - The California Dream Act extends Cal Grant A and B Entitlement awards, Cal Grant C awards, the California Promise Grant, and institutional financial aid to students who meet these criteria as well as the applicable criteria for eligibility for specific types of financial aid.
 - AB540 does not provide federal student financial aid eligibility for undocumented students. These students remain ineligible for federal financial aid.

FINANCIAL AID:

Useful Steps and Information

MAINTAINING PERSPECTIVE

Although the “financial aid process” may sometimes seem complicated — don’t give up. The best way to approach the process is to look at it this way: A student who received funding for the 2022-2023 academic year spent an average of about 6 hours gathering information, making photocopies, filling out forms, making more photocopies, and standing in line waiting to use the computer in order to apply for financial aid. However, since the average financial aid award was approximately \$1,500, this would translate into (at least) \$250 for each hour of effort.

FINANCIAL AID LANGUAGE

As you make your way through the financial aid process, you’ll find that certain acronyms and abbreviations are used regularly. Here’s a list of some you’ll probably encounter:

FAFSA — Free Application for Federal Student Aid. This is the application form that students must complete to apply for financial aid. The information submitted on the FAFSA is processed through the Federal Processing Center and financial aid eligibility information is provided directly to the college. The college then determines a student’s eligibility for financial aid, how much and what types of aid the student is eligible to receive, and how much the student is expected to contribute towards his or her education.

EFC — Expected Family Contribution. The amount of money that the student (and parent, when applicable) is expected to contribute toward covering the costs of the student’s education.

SAR — Student Aid Report. The form students receive, after their FAFSA has been processed, which notifies them of their eligibility status for financial aid.

FSEOG — Federal Supplemental Educational Opportunity Grant (see the box labeled “Types of Financial Aid Available” for information).

FWS — Federal Work-Study (see the box labeled “Types of Financial Aid Available” for information).

PLUS — Parent Loans for Undergraduate Students (see the box labeled “Types of Financial Aid Available” for information).

CCPG — A term that used to refer to the California College Promise Grants (see the box labeled “Types of Financial Aid Available” for information).

SSCG — Student Success Completion Grant (see the box labeled “Types of Financial Aid Available” for information).

Before You Begin

SMC offers a variety of *scholarships* and *financial aid* if you need financial assistance to help you attain your educational goals. However, you need to understand the difference between what is considered a scholarship and what is considered financial aid:

Scholarships come from private donors, foundations, and other non-government sources. Scholarships may or may not require you to have financial need to be eligible — and a surprising number of them don’t!

Financial aid comes from federal and state government sources and usually requires you to have demonstrated “financial need” (as well as meet a number of other requirements) to be eligible.

Visit the Scholarship Office to find out more about scholarships. There are more than 300 different types of scholarships available that you might qualify for — too many to list and describe here, but stop by the Scholarship Office as soon as possible. **In addition, don’t forget to look up additional scholarships at smc.edu/scholarships**

To find out more about financial aid, take a few minutes to read the information below...

If You Need Help

Determining what kind and how much financial aid you might be eligible to receive is often considered a complex process with a lot of variables. However, the process is not impossible to understand and certain application and award calculation procedures have recently been simplified a great deal.

Still, if things seem confusing to you, don’t panic! **At SMC, the Financial Aid Office will help you** apply for federal and state grants, work-study funds, and other financial assistance.

In order to be eligible for most types of financial aid, you must have “financial need” as determined by the federal government. You also need to commit some of your time and effort to working with the Financial Aid Office and **START THE FINANCIAL AID APPLICATION PROCESS AS EARLY AS POSSIBLE**. January is the best time to begin applying for the following academic year (see the timeline below for specific dates and deadlines).

The Financial Aid Office can assist you with your individual situation, answer your questions, sort out information, and help you to apply for financial aid funds.

DEADLINES

Here's How To Apply

When you apply for Federal Financial Aid, you will need to provide information about your personal financial situation. This information is used to determine whether your financial needs meet the requirements for eligibility for financial aid.

STEP 1:

In order to apply for the various types of Federal Financial Aid:

- You (and your parents or spouse, if applicable) need to complete the Free Application for Federal Student Aid (FAFSA) online at studentaid.gov/fafsa-app (be sure to apply for a PIN number BEFORE you submit your FAFSA).
- Be sure to use the IRS Data Retrieval Tool to transfer your financial information from your taxes to your application and also be sure to list the six digit Title IV school code for SMC 001265 – on your FAFSA.

NOTE: To apply for a Cal Grant for use at California colleges in the 2025-2026 award year, you must submit a 2025-2026 FAFSA AND a Cal Grant Grade Point Average (GPA) Verification Form. For "priority consideration," you need to submit both by March 2, 2025. The Cal Grant GPA Verification Form needs to be completed by the high school or college you most recently attended.

STEP 2:

After you have submitted your FAFSA:

- You will receive a Student Aid Report (SAR) in the mail, unless you provided an e-mail address. If you provided an e-mail address, you will receive an acknowledgement by e-mail and be referred back to the FAFSA website, where you can print out your SAR information.
- Check to make sure that all of the information listed on your SAR is correct. Pay particular attention to all comments listed on the SAR and any information in bold print or marked "assumed."
- If you need to make corrections to the SAR, inform the Financial Aid Office. Most corrections can be made electronically by SMC.

Students whose FAFSA information was rejected by the Federal Processing Center will receive a letter informing them that

they need to contact the Financial Aid Office immediately in order to correct and re-submit their information.

- Your Student Aid Report (SAR) will tell you if you are ELIGIBLE to receive a Federal Pell Grant. If you do not qualify for a Pell Grant, don't give up! You may still be eligible for other types of financial assistance, including federal work-study and scholarships.

STEP 3:

After the Financial Aid Office receives an electronic version of your FAFSA information from the Federal Processor, you will receive an email from Santa Monica College. This email will direct you to the Financial Aid Portal within Corsair Connect. In the Financial Aid Portal you can see what documents you need to submit or what actions you need to complete.

Students selected for verification will need to submit specific documents to "verify" certain information (such as income, number in household or number in college) listed on the FAFSA. As such, you may be requested to submit copies of federal tax returns and verification of untaxed income, assets, or number in household or college.

- Some students may have to submit proof of Selective Service Registration or Eligible Non-Citizen Status to the Financial Aid Office.
- After you have completed all of the required forms and have gathered together all of the requested additional documentation, you may either mail the documents or bring them to the Financial Aid Office.
- All of the documents should be returned within 15 working days from the day you received the written request.

STEP 4:

After the Financial Aid Office has received and reviewed all of your paperwork, if you are eligible for federal or state aid, you will be sent a:

"Financial Aid Award Notification Email" which will provide you with your estimated financial aid award package. Be advised that the financial aid award amounts listed in the Financial Aid Award Notification Letter are based on full-time enrollment of 12 units or more for both the fall and spring semesters.

STEP 5:

In addition to the FAFSA, if you are a California resident, be sure to complete and submit a California College Promise Grants (CCPG; formerly Board of Governors Fee Waivers) in order to determine if you are eligible to have certain enrollment fees waived. Eligibility is based on specific income criteria. You can download the CCPG application form from the Financial Aid Office's website at smc.edu/financialaid

NOTE: AB540 student can apply for Cal Grants and California College Promise Grants (CCPG; formerly Board of Governors Fee Waivers) by

completing the California Dream Application at the following: dream.csac.ca.gov

Information regarding the California Dream Act can be found at the SMC Financial Aid webpage: smc.edu/financialaid

Be sure to follow all instructions CAREFULLY. Remember, when applying for financial aid, you are dealing with several government entities. If something doesn't make sense to you, or if you think your information may be unclear, go to the Financial Aid Office and ask the staff to explain it to you. Ask questions until you are sure you understand.

TYPES OF FINANCIAL AID AVAILABLE AT SMC

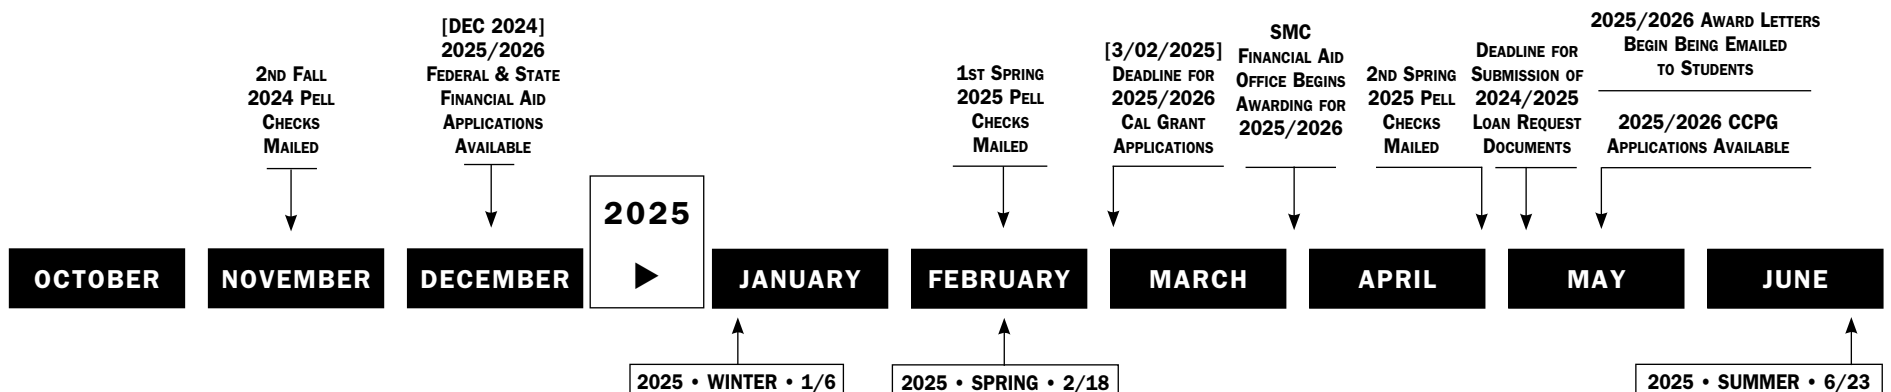

There are a variety of financial aid programs that help students by providing them with assistance for educational costs. SMC students may apply for the following:

GRANTS: Grants are awards that don't need to be repaid.

- **Pell Grants** — Federally funded grants of up to \$11,092 per year to eligible undergraduate students.
- **Federal Supplemental Educational Opportunity Grant (FSEOG)** — A Federal grant of approximately \$500,000 given to the College for disbursement to eligible students that demonstrate high financial need (average Santa Monica College student award up to \$100 per semester until these funds are completely expended).
- **Cal Grant B** — State-funded award for eligible students from disadvantaged backgrounds or low-income families who have exceptionally high financial need, to provide them assistance with enrollment fees, living expenses, books, supplies, and transportation (the average Santa Monica College student award is \$1,656 per year).
- **Cal Grant C** — State-funded award for eligible students from low and middle income backgrounds enrolled in vocational training programs, to provide them assistance with training costs

such as tools, books, and equipment (average Santa Monica College student award is \$547 per year).

- **California College Promise Grants (CCPG)** — State-funded waivers of enrollment fee for eligible students.
 - **Federal Work-Study (FWS) funds** — Federally funded program that provides wages to eligible students for both on-campus and off-campus employment.
 - **Student Success Completion Grant (SSCG)** — State-funded grant awarded to full-time students and full-time Cal Grant B or C recipients, to provide an additional \$2,596 to students enrolled in 12-14 units per semester, or up to \$8,000 to students enrolled in 15 or more units per semester.
- LOANS:** Loans are available to help students meet their educational costs. Loans, plus the interest, MUST be repaid.
- **Stafford Loans (Subsidized or Unsubsidized)** — Federally administered, low-interest loans to eligible students who have remaining need or no unmet need.
 - **Parent Loans for Undergraduate Students (PLUS Loans)** — Federally administered, low-interest loans to parents of students who are considered dependent according to federal regulations.

SMC PARKING & TRANSIT GUIDE

Students attending SMC have many options to get to campus without driving alone. Visit smc.edu/transportation to learn about the transportation services and choices available at SMC. Use SMC's personalized trip planner commute.smc.edu to explore all your options (bike, walk, transit, carpool, and car) on one screen. It includes costs, time, route maps, calories burned, and CO₂.

Parking

PARKING PERMITS

All vehicles parked on SMC property MUST have a valid virtual parking permit, which may be obtained at smc.edu/parking. All vehicles without a valid virtual permit will be ticketed. NOTE: Motorcycles, electric vehicles, and vehicles with handicapped placards/hang tags are NOT exempt.

Please note: Because the permit is VIRTUAL, there is no sticker or printed document required. Officers will scan license plates to verify a vehicle has a valid permit.

Virtual parking permits for the main SMC campus, Center for Media and Design (CMD), and the Performing Arts Center (PAC) can be purchased online at smc.edu/parking. Parking at the Bundy/Airport Arts and Malibu campuses is free, but a virtual permit is REQUIRED and may be obtained at smc.edu/parking.

PARKING LOTS AND STRUCTURES

Paid virtual parking permits are valid at all campuses (main, CMD, PAC, Bundy, and Malibu), but free virtual parking permits are valid ONLY for Bundy and Malibu. Parking is enforced 24/7.

Main SMC Campus

Cost: \$50 fall/spring, \$25 summer/winter
 Directions: Students can park in Structures 2, 3 & 4.
 – Enter structure 2 from Pico at 18th
 – Enter structures 3 and 4 from Pico at 16th

Center for Media and Design (CMD)

Cost: \$50 fall/spring, \$25 summer/winter
 Directions: Enter on Pennsylvania Ave.

Performing Arts Center (PAC)

Cost: \$50 fall/spring, \$25 summer/winter
 Directions: Enter at 1310 11th St. or at Santa Monica Blvd., and 11th St.

Malibu Campus (MALBU)

Cost: Free, but permit required
 Directions: Enter at 23555 Civic Center Way

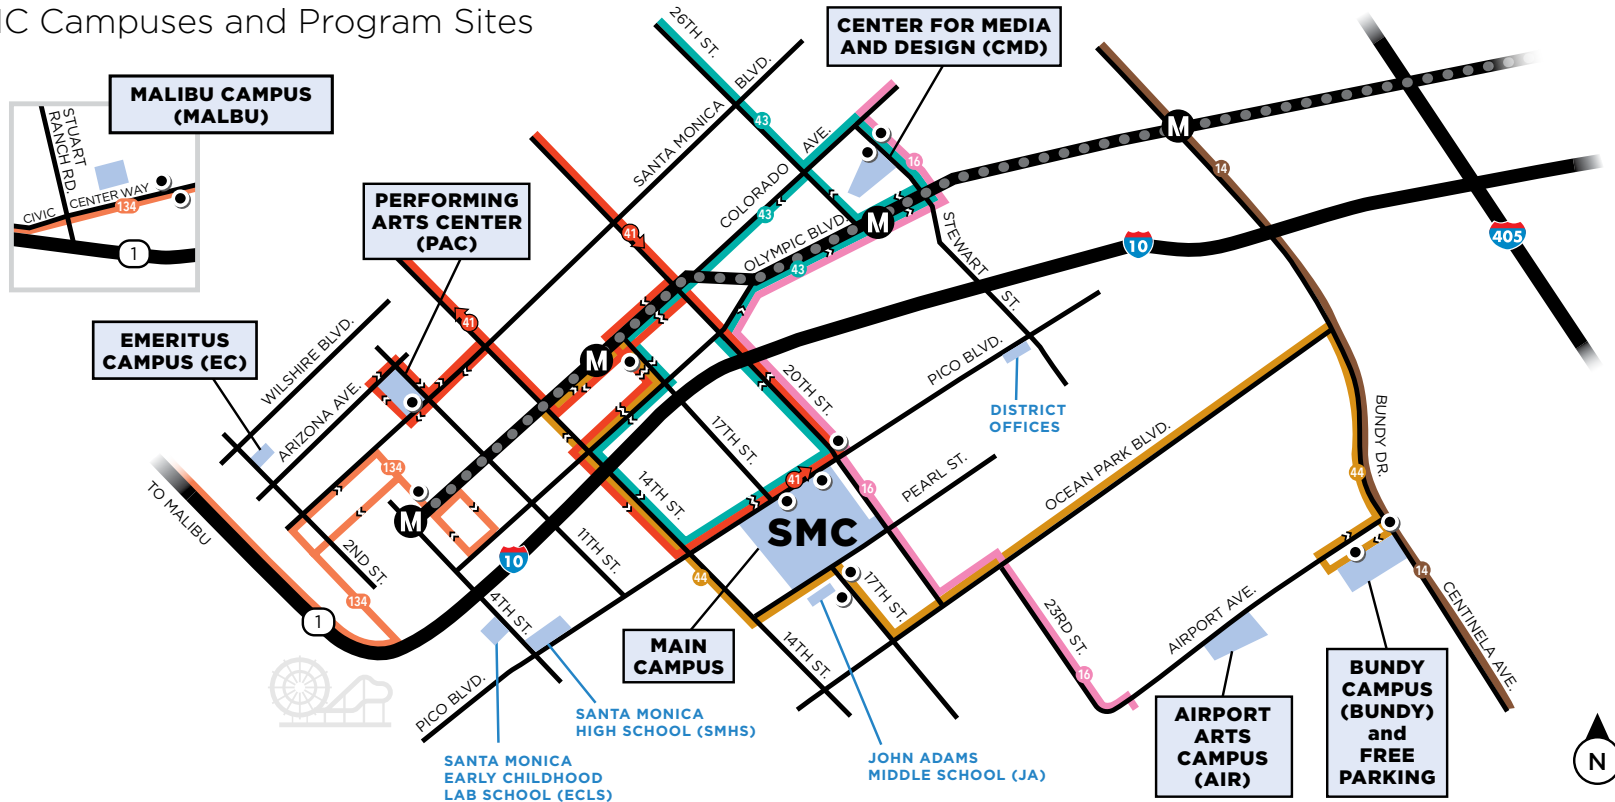

Bundy & Airport Arts Campuses (BUNDY & AIR)

Cost: Free, but permit required
 Directions: Enter at 3171 S. Bundy Dr., Los Angeles
 The Airport Arts campus is within walking distance of the Bundy campus. Additional public transit connecting SMC's Bundy campus and main campus includes the Big Blue Bus Line 14 on Bundy Drive. This line connects to the Bundy Metro E Line Station and Line 7 on Pico Blvd, which stops at SMC's main campus, located at 1900 Pico Blvd.

All satellite campuses are accessible by Big Blue Bus during the day or Lyft in the evenings. Visit smc.edu/shuttles for details.

For more information go to:
smc.edu/transportation

Visitor Parking: Visitor parking for the main campus is available in Parking Structure 2 at the Student Services Center and Parking Structure 3. Request visitor parking passes at the kiosks or the Cashier's Office located at the Student Services Center off of 19th St. and Pico Blvd. All students and visitors are expected to follow SMC's parking rules and regulations.

Street Parking: Residential and street parking is restricted on weekdays, weekends, and evenings. When parking in the area, please read all street signs carefully. PLEASE BE COURTEOUS TO OUR NEIGHBORS at all times by keeping the volume of your sound system, conversations, and other noise to a minimum.

Accessible Parking: The display of a DMV accessible placard (or plate) AND registering your vehicle for an SMC virtual parking permit entitle you to park in any accessible, student, or staff parking space.

Car Alarms: Because car alarms are disruptive to other students and our neighbors, cars with activated alarms in the SMC parking areas will be TOWED IMMEDIATELY at YOUR expense.

Motorcycle and Moped Parking: Students are required to purchase a parking permit each semester at smc.edu/parking. Motorcycles and mopeds may be parked ONLY in specially designated areas of Structure 2, Structure 3, and Lot 5.

Electric Vehicle (EV) Charging is available at the Student Services Center parking garage and Parking Structure 3 on main campus. Center for Media and Design, Bundy, and Malibu satellite campuses also have EV charging options. See smc.edu/transportation for details.

The **SMC Bike Park** on Pearl Street is temporarily closed due to construction in progress. Bike racks are located at the southwest corner of campus, at the library, at both ends of the Science Complex, and near the Business building, Parking Structure 3, Student Services Center, and Art Complex. Bicycles may be parked ONLY in designated areas.

The use of skateboards, e-scooters, hoverboards, roller skates, bikes, or roller blades is prohibited on campus.

Transit Guide

E LINE, BIG BLUE BUS (BBB), METRO BUSES, AND OTHER L.A. TRANSIT AGENCIES

- **Free Transfers to Metro or other transit agency:** If you have paid your Student Benefits fee and have the GoPass, you can transfer between Big Blue Bus, Metro, and any other participating transit agency without additional costs. Go to smc.edu/transportation for updates.

METROLINK

- **MetroLink** — the heavy rail system with lines that run from Union Station in Downtown Los Angeles to Ventura, Lancaster, the Inland Empire, Orange County, and all the way to San Diego — offers a FREE Student Adventure Pass to students with a valid student I.D.
- To get your **Student Adventure Pass**, go to metrolinktrains.com, click the "New Student Adventure Pass" link, and follow the instructions to download and register the MetroLink mobile app.
- From Union Station, you can catch the Metro Expo (E) train and arrive at SMC in about 46 minutes.

RIDES TO SATELLITE CAMPUSES

- **Rides to Performing Arts Center, Center for Media and Design, and Bundy and Airport Arts campuses:** Use the BBB until 6 p.m. In the evenings (from 6 p.m.-10:30 p.m.) use a free Lyft code to get between campuses and to the E Line Metro Station. Click on Lyft Rides to Campuses from smc.edu/transportation for a code.

CARPOOL/VANPOOL & RIDE HAILING

- Pickup / Drop-off at **Pico and 19th ONLY** on main campus.
- Find SMC carpool matches at commute.smc.edu.
- Vanpool matching at vrider.com.

APPS

- Always know when the next bus or train is coming. Real-time arrival data, closest stops, and fastest options.
- Try Transit App, Google Maps, NextBus, Citymapper.

COMMUTE.SMC.EDU

- A free tool to plan your commute and see all the ways to get to campus by bus, train, carpool, bike, or foot.
- Find a carpool match, and figure out what's fastest and how much it costs. Learn how many calories will be burned or CO₂ created.

BIKE REPAIR

- Free bike maintenance support available at bikerowave.org repair shop on Venice and Centinela, thanks to the SMC Associated Students.
- DIY bike repair stands, pumps, and tools available 24/7 at the east side of the Student Services Center.

E-SCOOTERS & E-BIKES

- E-scooters and e-bikes can be rented near each campus.
- Do not ride on sidewalks or on campus.
- Do not park anywhere that blocks access.
