<b>BOARD OF TRUSTEES</b>	<b>REGULAR MEETING</b>
SANTA MONICA COMMUNITY COLLEGE DISTRICT	March 4, 2014

**IV. SUPERINTENDENT'S REPORT**

Updates:

Spring Semester 2014: The first census for spring 2014 indicates that the target of 8,600 FTES was reached, about 1.29 percent ahead of this time last year. The number of financial aid applications and checks disbursed has increased from last year. Processing of the applications and disbursement of checks have greatly improved with the implementation of Banner Financial Aid software two years ago.

State Budget: The Department of Finance (DOF) reported the following:

- General fund revenues for the first seven months of the fiscal year are \$131 million or 0.2% ahead the Governor's revised budget estimates.
- The unemployment rate in December 2013 was 8.3%, the lowest rate since October 2008. Last year, the unemployment rate was 9.8% for December 2012.
- The median price of a single-family home reached \$438,000, which represents a year over year increase of 20%.

All these numbers indicate that the State's economic recovery is continuing.

The Legislative Analyst's Office (LAO) released an analysis of the Governor's 2014-2015 budget for higher education. Following are some of the LAO's recommendations related to community colleges:

- The 3% augmentation to access/growth/restoration may be too high as a number of districts did not meet their enrollment targets in 2012-2013 and there is anecdotal information that this trend is increasing for the current year.
- That access funding in 2014-2015 be allocated on an across-the-board basis, and that the new allocation formula begin implementation in 2015-2016 to allow better coordination with the new way of funding adult education.
- That the \$200 million for Student Success and Support Program be issued in a block grant to provide flexibility for local districts to design a college-wide and comprehensive program.
- That the legislature reject the intersegmental Innovation Grant Awards and use the funds for priorities within each segment of higher education.

Last week, the Chancellor's Office posted the 2012-13 Recalculation and the 2013-2014 First Principal Apportionment (P1). The 2012-2013 Recalculation showed a final deficit factor of 0.21%. The net result for Santa Monica College is the cancelling out of the operating deficit and the addition of monies to the fund balance. Maintaining this augmented fund balance will depend on keeping expenditures at currently budgeted levels or less

Finally, there is much discussion around SB965, a bill sponsored by Mark Leno, D-San Francisco which would stabilize funding for City College of San Francisco by providing \$23 million in the next year and lesser amounts for the following three years to shield the college from the potential impact of declining enrollments due to the imminent loss of accreditation. However, the bill does not appropriate a special "bail out" fund; the monies will be taken from the State's general apportionment. SB965 is supported by the Chancellor's Office and the Community College League of California.

RECOMMENDATION NO. 1

**SUBJECT:** **CONFIRMATION OF APPOINTMENT TO PERSONNEL COMMISSION**

**SUBMITTED BY:** Superintendent/President

**REQUESTED ACTION:** It is recommended that the Board of Trustees confirm the appointment of Lawrence Leone to the SMC Personnel Commission for a three-year term, December 1, 2013 through December 1, 2016.

**SUMMARY:** The process of filling a position on the Personnel Commission requires that two members be appointed by Board of Trustees; two members be appointed by the classified employees of the District; and the fifth member is appointed by the four appointed commissioners. The Personnel Commission advertised the vacancy created by the retirement of Dolores Press, reviewed applications received and approved the appointment of Mr. Leone to the Personnel Commission for the term December 1, 2013 through December 1, 2016.

**RECOMMENDATION NO. 2**

**SUBJECT:** **PURCHASE OF BROADCAST STATION KDB AND SWAP WITH BROADCAST STATION KQSC**

SUBMITTED BY: Superintendent/President

REQUESTED ACTION: It is recommended that the Board of Trustees authorize the Superintendent/President to negotiate and execute a purchase agreement and other ancillary agreements with the Santa Barbara Foundation for Broadcast Station KDB 93.7 FM, Santa Barbara, California, for a purchase price not to exceed \$1,300,000; and to negotiate and execute a transfer ownership agreement and other ancillary agreements with the University of Southern California and Classical KUSC, of Station KDB 93.7 FM, Santa Barbara for Station KQSC 88.7 FM, Santa Barbara.

SUMMARY: The Santa Barbara Foundation announced its intention to sell classical radio station KDB in September 2013, following a unanimous vote from Foundation board members. KCRW submitted its proposal to acquire KDB to the Santa Barbara Foundation in November 2013. On February 18, 2014, the Santa Barbara Foundation announced their intention to enter a purchase agreement with KCRW for the sale of KDB.

The purchase process includes a three-way arrangement between the Santa Barbara Foundation, KCRW, and KUSC. In order to maintain KDB's classical legacy and service, KCRW will immediately transfer KDB to KUSC. In exchange, KUSC will transfer its full-service Santa Barbara station, KQSC 88.7, to KCRW. The purchase and signal exchange will be done in one FCC (Federal Communications Commission) application at the time of purchase.

On February 14, 2014, SMC signed a Letter of Intent on KCRW's behalf to negotiate the purchase arrangement. With this acquisition, KCRW will provide localized programming for the Santa Barbara area, in addition to many of KCRW's signature music, culture, and talk programs. KCRW intends to broadcast localized versions of *Morning Edition* and *All Things Considered*. Local announcers and hosts will do daily and frequent interviews with reporters from three local and well-regarded news sources in Santa Barbara—*The Santa Barbara Independent*, a weekly paper; *Mission & State*, an investigative news organization, and *Noozhawk*, a local news website. The KCRW Foundation will reimburse the District for funds expended for the purchase.

Santa Monica Community College District	March 4, 2014

## MAJOR ITEMS OF BUSINESS

### INFORMATION ITEM 3

**SUBJECT:** UPDATE ON STRATEGIC INITIATIVES

- GRIT (Growth/Resilience/Integrity/Tenacity)
- I<sup>3</sup> (Institutional Imagination Initiative)

**SUBMITTED BY:** Executive Vice-President

#### **GRIT – Spring 2014 Report**

Since the previous report on the [GRIT](#) Initiative was presented to the Board of Trustees in March 2013, the initiative has taken shape around three distinct, but connected components: ILO #5 (Authentic Engagement), Got GRIT? questions for reflection, and the YOU+1 coaching program.

#### **ILO #5: Authentic Engagement**

The Institutional Effectiveness Committee has examined student success, achievement, and SLO/ILO core competency data by student demographic groups. There is an equity gap apparent across all measures of student success, with African-American students faring less well than the rest of the student population and Hispanic students faring only somewhat better. The College GRIT Initiative is designed to address this equity gap as well as help all of our students.

To this end, in May 2013, the Academic Senate approved the Institutional Effectiveness Committee's recommendation that the College adopt a fifth ILO. Both the committee and the senate were persuaded that this new ILO encompasses a component of student learning and engagement that none of the other ILOs address. Both research and practical experience among educators indicates that students who exhibit *authentic engagement* in their education are more likely to succeed in school and in life. We have defined *authentic engagement* to mean that a student demonstrates a level of engagement in the subject matter that enables and motivates the integration of acquired knowledge and skills beyond the classroom.

ILO #5 is measured and assessed along four competencies: Interest (enjoyment of the learning process), valuing the academic task beyond the task itself, self-efficacy/empowerment (belief in one's ability to achieve a goal or an outcome), and Professional Relevance (application of course content to possible professional life).

#### **Got GRIT?: Questions for reflection and campus-wide banners**

Seeking a variety of approaches to help students authentically engage their education and to connect their college experiences to their life-long goals, the Initiative developed the below set of questions to help students with this:

- How can we help you achieve your dream?
- What risks are you willing to take to achieve your dream?
- What inspires you and why?
- Did you do something this week you've never done before?
- Are you a driver or a passenger in your own life?
- If there were no grades, what would motivate you?
- How has this semester changed you?
- What opportunity did you miss? What are you going to do now?

Faculty have been encouraged to use these questions to get to know students or as ice breakers to help students get to know each other. These questions might also be used to inform class assignments, such as prompts for speeches, essays, debates, or class presentations. To prompt students to engage with each other on the topic, students have been encouraged to respond to them on Twitter, Facebook, Instagram (#gotgrit) and at <http://bit.ly/smcgrit>. Some of the best answers will continue to be shared on the [GotGrit page](#) in the hopes of motivating and inspiring all SMC students to achieve their goals.

The GRIT Initiative collaborated with the College's marketing department to create a [Got GRIT? logo](#) and banners to display the questions across the SMC campuses and on light posts in the quad. As the questions are developmental and intended to correspond to students' experiences throughout the semester, the banners displayed in stanchions across the campuses are rotated on a bi-weekly basis. Thus, students see the first question during the first two weeks of the semester. And, by the final two weeks of the semester, they see the final question.

### **YOU+1**: GRIT Coaching Program

This spring the Initiative will pilot with roughly two hundred students a coaching program that have been named "YOU+1". The YOU+1 program is designed to help students tap into the supportive people they already have in their lives and to help those people provide them the best social support possible. Students can choose family members or friends, really anyone to be their +1s. The +1 should be someone who knows and encourages the student. Students are encouraged to think carefully about who they would like as their +1 and to go talk to them about it. If the chosen coach agrees, students will go to the GRIT website at [www.smc.edu/grit](http://www.smc.edu/grit) and click on the Sign Up link. Once students tell the YOU+1 program who they'd like to have as their +1, an email will be sent to the +1. YOU+1 will be sending weekly emails to share suggestions in the forms of videos, articles and helpful messages about how to support the student throughout the semester. The coach won't know anything about students' grades or attendance unless students decide to share that information. The +1s are there to give emotional support and encouragement. Ideally the student and +1 will have contact at least once a week, but that will be left up to the student and the +1. If the coach has any questions or runs into issues, they can go to our [College Resources](#) link on or they can email [you+1@smc.edu](mailto:you+1@smc.edu) and someone from the "You+1" team will respond as soon as possible.

The hope is that the You+1 Program particularly helps students who have suffered most from the equity gap. But , of course, the Program is scalable and eventually could be used campus wide.

### **Keynote Speaker**

In addition to the above components, the Initiative has collaborated with The Center for Teaching Excellence and Student Success to bring the keynote speaker to Spring Flex Day on March 18<sup>th</sup>. Dr. Ken Bain, author of "What the Best College Teachers Do" and "What the Best College Students Do," will deliver the keynote and lead a follow-up workshop. His work focuses on helping students take what he calls "a deep approach to learning" or what the college "authentic engagement."

Students were limited to 50 seats in the physical lab to fulfill minimum required practicing hours during the lab's set hours of operation. The Sansspace project delivers the same content, language practice functions, and usage tracking capability through web-based technology. The successful implementation of the project enables faculty/students to remotely manage/access the same materials in the physical labs via web tools. This initiative virtually tripled the lab capacity and maximized the flexibility of user access with minimum cost.

**RECOMMENDATION NO. 4**

**SUBJECT:** **SECOND READING AND APPROVAL- BOARD POLICY SECTION 2116, WHISTLEBLOWER PROTECTION**

**SUBMITTED BY:** Superintendent/President

**REQUESTED ACTION:** It is recommended that the Board of Trustees conduct a second reading and approve Board Policy Section 2116, Whistleblower Protection.

**SUMMARY:** Board Policy Section 2116, Whistleblower Protection, following approval by the Academic Senate and the DPAC Human Resources Subcommittee, was forwarded to the District Planning and Advisory Council where it was unanimously approved.

**BP 2116 Whistleblower Protection**

The Superintendent/President shall establish procedures regarding the reporting and investigation of suspected improper activities by District employees and the protection from retaliation of those who make such reports in good faith and/or participate in the investigation of such reports. Good faith is a sincere and reasonable belief or motive that is not characterized by malice or foreknowledge that the report is false.

For the purposes of this policy and any implementing regulations, "improper activity" refers to any activity by the District or one of its employees that (a) violates a state or federal law or regulation, including but not limited to corruption, malfeasance, bribery, theft of government property, fraudulent claims, fraud, coercion, conversion, malicious prosecution, misuse of government property, or willful omission to perform duty, or (b) is economically wasteful or involves gross misconduct, incompetency, or inefficiency.

The regulations established by the Superintendent/President shall provide for the following:

1. Individuals may report suspected incidents of improper activities without fear of retaliation.
2. Reports are investigated thoroughly and promptly.
3. Remedies are applied when allegations regarding improper activities are verified.
4. Protections are provided to and retaliation is prohibited against employees or applicants for employment who, in good faith, report suspected improper activities or participate in the investigation of such reports.
5. Protections are provided to and retaliation is prohibited against employees who refuse to obey an illegal order.
6. District employees shall not directly or indirectly use or attempt to use the official authority or influence of his or her position for the purpose of interfering with the right of an individual or entity to make a report of a suspected improper activity to the District or to other non-District authorities.
7. Employees who violate this policy shall be subject to discipline up to and including termination.

11-A SUBCONTRACTOR SUBSTITUTION – AET CAMPUS AND PARKING STRUCTURE A

Accept C.W. Driver’s Subcontractor Substitution Request on the Academy of Entertainment and Technology Campus and Parking Structure A project.

<u>Listed Subcontractor</u>	<u>Requested Substitution</u>
Monteith Plumbing & Mechanical Contractors, Inc.	Xcel Mechanical, Inc.

Comment: C.W. Driver, the General Contractor for the AET Campus and Parking Structure A, has requested to substitute their listed subcontractor, Monteith Plumbing & Mechanical Contractors, Inc., with Xcel Mechanical, Inc. to perform the plumbing portion of the project. Per the General Conditions of the contract, the District's consent to Contractor's substitution of a listed subcontractor shall not relieve Contractor from its obligation to complete the work within the contract time and for the contract price.

11-B CHANGE ORDER NO. 3 – REFURBISHMENT OF 919 SANTA MONICA BLVD. OFFICES

Change Order No. 3 – CONCEPT CONSULTANT, INC. on the Refurbishment of 919 Santa Monica Blvd. Offices project in the credit amount of (\$1,440).
