CONSENT AGENDA: HUMAN RESOURCES

## RECOMMENDATION NO. 5 EQUAL OPPORTUNITY FUND MULTIPLE METHOD ALLOCATION MODEL CERTIFICATION FORM, FISCAL YEAR 2018-2019

Requested Action:Approval/RatificationReviewed by:Tre'Shawn Hall-Baker, Interim Dean, Human ResourcesApproved by:Sherri Lee-Lewis, Interim Vice-President, Human Resources

It is recommended that the Board of Trustees certify that the Santa Monica Community College District met Multiple Method #1 (Mandatory for Funding): District's EEO Advisory Committee, EEO Plan, and submittal of Expenditure/Performance Reports for prior year; and meet at least of 6 out of 8 of the remaining Multiple Methods:

- SMC's EEO Advisory Committee has met in excess of the minimum required meetings during fiscal year2018-2019.
  - Santa Monica College's current EEO Plan can be found at <u>http://www.smc.edu/HumanResources/HumanResourcesDepartment/Documents/EEO Docum</u> <u>ents/EEO Plan-BOT Approved FINAL 09.05.2017.pdf</u>; The EEO Plan is required to be updated every 3 years; it was approved in September 2017.
- The EEO Expenditure Report for FY 2017-2018 was submitted to the Chancellor's Office on 9/18/2018.
- SMC meets 9 out of 9 Multiple Methods.

## Purpose

The purpose of implementing the Multiple Method model was to increase compliance with legal EEO requirements and provide our students with the educational benefits of a diverse workforce.

## **Background**

Each year the California Community Colleges Chancellor's Office supports EEO and diversity training and education through a state-wide funding mechanism. The funding process requires completion of a certification form from each district requesting funding for EEO and diversity work. The funding can be used for training, publication of EEO/diversity materials, conference attendance, speakers, supplies, job fair exhibition fees, etc. Historically EEO funding for the Office of Human Resources has been approximately \$7,000/year. Based on reported EEO activity for fiscal year 2016-2017, EEO funding for fiscal year 2017-2018 was \$50,000. It is important to note that the Chancellor's Office has notified districts to expect the annual state funding allocation to continue to vary from year to year.

## Regulatory Source and Impact

"Education Code section 87100 and title 5 require the community colleges to have a richly diverse workforce that addresses the needs of our diverse student populations. Attaining a diverse workforce requires focusing on equal employment opportunities to eliminate barriers in employment, such as lack of focused outreach, a non-welcoming culture, and implicit and explicit bias. Eliminating these barriers requires a proactive, intentional effort by colleges. It also requires various institutional disciplines, such as a review of job descriptions to avoid exclusionary effect, analysis of significant underrepresentation and adverse impact to ensure recruitment efforts and hiring processes are not unintentionally discriminatory, and effective training of committee members to self-regulate unconscious bias." 2016 EEO and Diversity Best Practices Handbook. http://extranet.cccco.edu/Divisions/Legal/EEO.aspx

The Chancellor's Office Equal Employment Opportunity and Diversity Advisory Committee and the Legal Affairs Division identified nine best-practice areas for success in promoting EEO. These serve as the multiple methods for reallocating the EEO Fund. In order to qualify for EEO funds, districts are required to demonstrate compliance with Multiple Method #1, and at least 6 of the remaining 8 Multiple Methods.

The certification form requires districts to report the various activities being implemented to promote Equal Employment Opportunity for each of the following 9 Multiple Methods.

## Mandatory for Funding

1. District's EEO Advisory Committee, EEO Plan, and submittal of Expenditure/Performance Reports for prior year.

Pre-Hiring

- 2. Board policies and adopted resolutions
- 3. Incentives for hard-to-hire areas/disciplines
- 4. Focused outreach and publications

<u>Hiring</u>

- 5. Procedures for addressing diversity throughout hiring steps and levels
- 6. Consistent and ongoing training for hiring committees

Post-Hiring

- 7. Professional development focused on diversity
- 8. Diversity incorporated into criteria for employee evaluation and tenure review
- 9. Grow-Your-Own programs

## Summary.

Santa Monica College meets 9 out of 9 Multiple Methods, and therefore would qualify for EEO funding in the next fiscal year.

# SUBJECT: AGREEMENT FOR EARLY CHILDHOOD LAB SCHOOL OPERATIONS BY AND BETWEEN THE SANTA MONICA COMMUNITY COLLEGE DISTRICT AND GROWING PLACE

- SUBMITTED BY: Superintendent/President
- REQUESTED ACTION: It is recommended that the Board of Trustees approve the execution of an Agreement with Growing Place, a nonprofit early childhood development organization accredited by the National Association for the Education of Young Children (NAEYC), to operate the Early Childhood Lab School, intended to provide for up to 110 infants, toddlers and preschoolers, for a term of eight years, with three renewal options of eight years each. Santa Monica College's Early Childhood Education Department will use the Early Childhood Lab School as a training facility for students enrolled in SMC's Early Childhood Education program. Operations are expected to begin in 2020.
- <u>SUMMARY:</u> The Santa Monica Early Childhood Lab School is a joint project of Santa Monica College and the City of Santa Monica. The facility is under construction on property leased from the City within the Santa Monica Civic Center. SMC is funding the building of the Early Childhood Lab School through bond funds, with additional funds provided by the City.

Growing Place's Board of Directors approved and signed the Agreement on April 23, 2019.

Growing Place was selected through a Request for Proposal (RFP) process that concluded in 2017, with approval by both SMC and City of Santa Monica staff.

Term of this Agreement is for eight years, with three renewal options of eight years each. The start of the Agreement commences on the date that SMC notifies Growing Place that construction has been substantially completed. The facility is to operate eleven hours a day, Monday through Friday, with a schedule of holidays and breaks.

SMC will participate with Growing Place in the development of job descriptions; Growing Place is responsible for the hiring of all staff. A program of staff development is outlined in the Agreement. SMC will provide a faculty member to act as Instructional Liaison on-site. SMC and Growing Place have agreed upon a curriculum related to the operations of the facility.

SMC is responsible for facility maintenance and repair and grounds upkeep. Growing Place is responsible for supplies and services required for the operation of the child-related parts of the facility.

Growing Place will implement priority enrollment considerations with the objective that a minimum of 30 percent of the total enrollment are Santa Monica residents and a minimum of 15 percent are of low income status. However, in the event there are insufficient applications or funding in any priority group, or insufficient funds to support tuition assistance goals, spaces may be filled with others so that no space remains vacant.

Growing Place is responsible for setting the tuition rates, which will be set to cover costs of operation and not to make a profit. The City and other sources may provide subsidies to Growing Place with the intent to maintain diversity in enrollment.

Growing Place is to maintain insurance as specified at its own cost. Either party may terminate this agreement for convenience with one year's prior notice.

The entire Agreement is available at: <u>http://www.smc.edu/ACG/Documents/Board%20of%20Trustees%20Meetings/Boa</u> <u>rd of Trustees Meetings/2019/ECLS%200perator%20Agreement%20FINAL.pdf</u>

#### **RECOMMENDATION NO. 27**

# SUBJECT:ANNUAL ADOPTION OF EDUCATION PROTECTION ACCOUNT (EPA – PROP 30)FUNDING AND EXPENDITURES

- <u>SUBMITTED BY</u>: Chief Director, Business Services Interim Executive Vice-President
- <u>REQUESTED ACTION</u>: It is recommended that the Board of Trustees approve the plan to expend the 2018-2019 Education Protection Account (EPA) funds of \$18,189,085 on instructional salaries.
- <u>SUMMARY:</u> Proposition 55, The California Children's Education and Health Care Protection Act of 2016, which was an extension of Proposition 30, temporarily raises the income tax rate for upper-income-earners (over \$250,000 for single filers, over \$500,000 for joint filers, and over \$340,000 for heads of households) through 2030-2031 to fund the State's Educational Protection Account which provides funding for local school districts and community colleges.

Under Proposition 55, Districts have sole authority to determine how the moneys received from the EPA are spent, provided that the governing board makes these spending determinations in open session of a public meeting of the governing board. Each entity receiving funds must annually publish on its web site an accounting of how much money was received from the EPA and how that money was spent. Additionally, the annual independent financial and compliance audit required of community colleges shall ascertain and verify whether the funds provided by the EPA have been properly disbursed and expended as required by law.

This annual recommendation is submitted to comply with Proposition 55 provisions requiring the governing board to make the spending determination in an open session of a public meeting of the governing board. The estimated EPA that our District will receive for 2018-2019, as of P1, is \$18,340,237. Accordingly, the amount of EPA funds as of the recalculation of apportionment for 2017-2018 decreased from the P2 amount of \$17,177,447 to \$17,026,295 or a decrease of <\$151,152>. The entire amount for 2018-2019 less the decrease in 2017-2018 funding will be spent on instructional salaries. The EPA funds are <u>NOT</u> additional funds but rather are components of the "computational revenue" calculations and will be offset by a decrease in apportionment funding received by the State.

CONSENT AGENDA: FACILITIES AND FISCAL

#### RECOMMENDATION NO. 31 FACILITIES

#### 31-A RESOLUTION FOR EMERGENCY REPAIRS – MAIN CAMPUS CENTRAL PLANT PIPELINE

The Board of Trustees hereby unanimously resolves that emergency repairs were necessary because of an underground leak near the Media Center.

Comment: On Sunday, April 28<sup>,</sup> 2019, Campus Police notified SMC Maintenance of an underground leak near the Media Center. After investigation, SMC Maintenance determined the leak was from the piping system from the Central Plant equipment that serves essential buildings on the main campus of the College. This emergency repair was necessary to ensure proper cooling for critical equipment and buildings campus wide. The impact for not immediately resolving this leakage, would have caused a significant disruption of services for students as well as potential failure to Information Technology equipment and Fire Life and Safety Systems.

#### 31-B AWARD OF CONTRACT FOR EMERGENCY REPAIRS

Award of contract to Limbach in the amount of \$23,521 to provide emergency repairs to the piping system from the Central Plant equipment that serves essential buildings on the main campus of the college.

This contract awarded pursuant to Emergency Contracting Procedures (PCC 20654).
