#### SUBJECT: COVID-19 UPDATE

#### RESOLUTION OF THE SMMCD BOARD OF TRUSTEES TO DIRECT THE SUPERINTENDENT/ PRESIDENT TO REQUIRE EVIDENCE OF COVID-19 VACCINATIONS FOR ALL STUDENTS AND EMPLOYEES

- <u>SUBMITTED BY:</u> Superintendent/President
- <u>REQUESTED ACTION</u> It is recommended that the Board of Trustees approve the following resolution to direct the Superintendent/President to require evicence of COVID-19 vaccinations for all students and employees.

WHEREAS, according to the federal Centers for Disease Control and Prevention (CDC), the California Department of Public Health, and the Los Angeles County Public Health Officer, COVID-19 continues to pose a risk, especially to individuals who are not fully vaccinated, and certain safety measures remain necessary to protect against COVID-19 cases and deaths; and

WHEREAS, COVID-19 vaccines have received Emergency Use Authorization from the U.S. Food and Drug Administration (FDA) and 160 million people have been fully vaccinated in the United States; and

WHEREAS, vaccination is the most effective way to prevent transmission and limit COVID-19 hospitalizations and deaths; and

WHEREAS, the Santa Monica Community College District (District) Board of Trustees and District leaders have regularly communicated with students and District employees to stress the importance of vaccinations and to get vaccinated for COVID-19 as soon as possible; and

WHEREAS, on June 17, 2021, Governor Newsom issued Executive Order No. N-09-21, which implements new State Division of Occupational Safety and Health (Cal/OSHA) rules, effective June 17, 2021. These rules require employers to take specific measures to protect employees from COVID-19, including enforcing masking and quarantine requirements, and offering COVID-19 testing and time off, for employees who are unvaccinated or for whom the employer does not have documentation verifying they are fully vaccinated. Unvaccinated employees are at greater risk of contracting and spreading COVID-19 within the workplace and to the college community; and

WHEREAS, Cal/OSHA's COVID-19 Temporary Emergency Standard, revised June 17, 2021 and effective June 17, 2021 by Governor Newson's Executive Order No. N-09-21, requires employers to verify and document that an employee is fully vaccinated before allowing that employee to discontinue masking indoors (except at certain worksites where a face covering remains required even for fully-vaccinated employees). For unvaccinated employees or employees for whom the District does not have documentation verifying fully vaccinated status, the District must enforce masking, provide COVID-19 testing for employees following a close contact in the workplace or anytime they have COVID-19 symptoms, and exclude these employees from the workplace for at least 10 days after a close contact. Upon request, the District also must provide unvaccinated employees with respirators (N95 masks) and provide education about using that type of mask; and

WHEREAS, although 61% of eligible Los Angeles County residents have already been vaccinated, the pace of vaccination distribution has significantly slowed; and

WHEREAS, the Delta variant is currently increasing infection rates among those individuals who are unvaccinated; and

WHEREAS, the director of the CDC warned on July 16, 2021, that the COVID-19 pandemic "is becoming a pandemic of the unvaccinated"; and

WHEREAS, there is an ample supply of vaccines for Californians 12 years of age and older; and

WHEREAS, the District has and will continue working with state and local health officials to provide access to the COVID-19 vaccines for students, faculty, staff and their families; and

WHEREAS, the University of California and the California State University systems have implemented mandatory COVID-19 vaccination programs for their employees and students effective for the Fall 2021 semester; and

WHEREAS, the Board of Trustees finds that requiring employees and students who enter College buildings to be vaccinated is necessary to ensure the health and safety of the College community,

NOW, THEREFORE, IT IS RESOLVED that Board of Trustees directs the Superintendent/President to take the following actions:

- 1. Require evidence of vaccinations for all students taking on-ground classes beginning in the Fall 2021 semester.
- 2. Require that all employees: (1) report their vaccination status to the District and (2) if unvaccinated, be fully vaccinated and report that vaccination status to the District no later than 60 days after the adoption of this Resolution.
- Provide a process for vaccination exception or deferral in the following situations: (a) medical excuse from receiving COVID-19 vaccine due to medical contraindication or precaution; (b) disability; (c) during the period of any pregnancy; or (d) religious objection based on a person's sincerely held religious beliefs, practice or observance, Whenever an exception or deferral has been made, regular COVID-19 testing with evidence of negative test results will be required prior to any unvaccinated person accessing District campuses or facilities.
- 4. Deploy procedures to track of the vaccination status and test results of students and employees in a secure system designed to protect the privacy of students and employees in accordance with applicable laws.

<u>SUBJECT:</u>	UPDATES: KCRW AND THE BROAD STAGE
SUBMITTED BY:	Senior Director, Government Relations/Institutional Communications
<u>KCRW</u>	

The 2020-2021 year continued to challenge operations at KCRW. With a large projected deficit, we offered a voluntary separation package to KCRW Foundation employees. This, along with cost-cutting allowed KCRW to address the financial uncertainty while still providing essential services.

Our underwriting team pivoted to finding the businesses that were thriving in the new environment and our membership team was also able to raise significant dollars. KCRW's budget performed better than planned. KCRW is in the process of hiring new staff to replace some of the jobs lost due to the voluntary separation.

During this past year, we have held 25 virtual events that ranged from offering help for rent assistance and unemployment assistance to music events that brought together hundreds of people.

In addition to daily COVID updates, political updates, and election information, KCRW created a series of audio vignettes featuring small businesses and how they were faring, plus how the pandemic affected health care, the environment, landlords, tenants, and Southern California's Black and Latino communities.

Our operations continue to be primarily remote. We have a staff of approximately 20 people who come on site in staggered shifts to maintain operations. In June 2021 we returned ten people to working full time in the building on the CMD campus and are following extensive safety protocols.

Here are some initiative highlights:

Morning Becomes Eclectic: New Hosts. KCRW welcomes our first-ever duo as full-time hosts of our signature program Morning Becomes Eclectic. Anthony and Novena bring youthful joy to the airwaves and to our digital offerings and truly reflect Los Angeles. They have increased radio listening and digital streaming since they started in December 2020.

Community Partner Membership Drive. We took the month of May to highlight three community organizations during our fundraiser. The concentrations were on housing, public health, and education. Community partners included HOLA which provides underserved youth with free, exceptional programs in academics, arts, and athletics within a nurturing environment in MacArthur Park. We also highlighted Inner City Law Center who fights for housing and justice for low-income tenants, working-poor families, immigrants, people who are disabled or living with HIV/AIDS, and homeless veterans. HOLA is the only legal services provider located in Skid Row, advocating for equitable housing policies, and providing legal services to prevent and end homelessness. Our other highlighted partner is Kedren Health whose vision is to eliminate health disparities for children, youth, adults, and families in South Los Angeles by creating access to care irrespective of one's ability to pay.

Samaritans. KCRW housing reporter, Anna Scott, updated her four-part documentary series following one neighborhood's attempt to house Christine, a woman living unhoused on their street corner. The original series had over 170,000 downloads and it has been featured on NPR's national broadcast of All Things Considered. The updated pieces followed Christine to her first real home. Listeners sent sheets, food, and housewarming gifts to her after hearing it.

Response to AAPI violence. Greater LA and other programs did special focus on <u>rising anti-Asian violence</u> including a special call-out to the audience. We also featured stories from this call-out on the air and on Instagram.

We also did a story on how to report a hate crime.

Good Food Takeover. In response to the escalating violence against the Asian American and Pacific Islander (AAPI) community, <u>Karen Tongson</u> guest hosted our program Good Food, asking several women to share their stories. Tongson chairs the Department of Gender and Sexuality Studies at USC, where she teaches a Food Culture and Food Politics class.

Tongson led a roundtable discussion with Chef Minh Phan and food writer Esther Tseng on AAPI representation, authenticity, and stereotypes within the hospitality industry. Restaurateur Lien Ta reflected on her childhood in her mother's nail salons and the value of labor following the Atlanta shootings. Saehee Cho shared the story behind her grocery delivery initiative, Soon Mini, which blends her pursuits of food, the arts, and activism. Professor Dorinne Kay Kondo spotlighted the ignorance of representing the AAPI community in cooking competition shows, something she refers to as "discomfort TV."

KCRW Intern Program. We continue to expose students to KCRW and KCRW to excellent students. Each year KCRW has two classes of Santa Monica College students (20 students) who work in all areas of KCRW—from marketing to membership to sales to programming and studio engineering.

Fellowship. Last year, KCRW launched its newest educational opportunity, the Report LA Fellowship. The fellowship was created to address a lack of diverse voices and points of view in public media by employing and training new, diverse voices who can launch their media careers from KCRW. Diversifying public radio and KCRW's workforce is essential to building a system that embodies the diversity of the population that we serve through our reporting, ensuring that KCRW, and public radio, stays a relevant public service.

Weekly Coronavirus Features on-air during Morning Edition and online created a space to hear the latest news and trends in battling the pandemic and navigating the changes in county and state health requirements.

#### THE BROAD STAGE

This was a year and a half like no other. Those who are still engaged and believing in a bright future for the performing arts, those who are still here and working hard, approaching each day with an open heart, have shown exceptional fortitude amidst the greatest public health crisis to hit the global population in a century. The performing arts have effectively been shut down and put in a state of planned non-operation with virtually no attention, until very recently, from county public health, state, or federal government as to how to return to work. Now that we have preliminary guidelines and can tentatively begin to return indoors this fall, the industry is acknowledging what can be described as a significant and yet unresolved degree of infrastructure collapse. Throughout, The Broad Stage, along with many organizations in LA and across the field at large, has done everything possible to deliver on our promise of providing a safe place and an inspiring set of reasons for our community to gather (even if virtually), offering experiences that drive us to our best and celebrate the shared human potential of our community.

Pandemic response. In March 2020, we closed our venues and offices, and began remote work via zoom. We scaled the size of the organization to a sustainable infrastructure in response to reduced activity and revenue, taking a hard line on not allowing rolling deficits, seeking to reserve a strong cash position for the return to live performance in 2021-22. We accessed the resources available through federal, state, and local relief funds (including two rounds of Paycheck Protection Program loans and a Shuttered Venues Operators Grant, totaling \$1.1 million, supporting our ability to sustain the core team of employees and alternative programming streams through an extended period.

Our work. We took this time to get "under the hood," identifying five areas, in alignment with our current strategic plan, where we could continue working at an organizational level without a public audience or open venues:

- EDI / equity work engaged ArtEquity consulting for a year-long training over multiple workshops for entire staff and established a core equity team on the staff to support ongoing evolution of the work in our practices both on and off the stage. We have just begun a similar process with our Board of Directors.
- Cultivating /expanding our donor base Solicited a spirited response from annual donors through a new, digital fundraising campaign called Drive to Go Live that helped secure anticipated annual gifts, brought in new members, and saw a return of lapsed members as we requested support specifically for our return to live performance.
- Growing our Board elected two new Directors, meeting newly established guidelines for the diversification of our Board of Directors.
- Deepening our value to SMC new, year-long collaboration with the Art Department and "Birds in the Moon"; ongoing masterclasses in the Dance Department; and deepening collaborations with the Public Policy Institute, among many others.
- Establishing clear and focused artistic vision Launched a successful digital platform to replace live performance when the theater venues closed for pandemic some highlights include:
  - a. multi-week run of illusionist Scott Silven's acclaimed livestream: The Journey
  - b. live concert from Arturo Sandoval and his band filmed live on The Broad Stage mid-pandemic in Nov 2020
  - c. annual Holiday Party which we did via zoom with Broad Stage favorites Hiromi, Storm Large, Lil Buck, Lucia Micarelli, and Impro Theater
  - d. multi-week run of a gem from our archives, Sandra Tsing Loh's hilarious show The B@#\$ Is Back – filmed some years back live in The Edye.

We launched new commissioning initiative – the commissioned works will have world or Los Angeles Premieres at the Broad Stage – the artistic projects / partners include:

- Reconstruction (Still Working but the Devil Might Be Inside), a musical feast for the soul exploring intimacy between white and Black people amid lasting anti-Black racism by the TEAM, co-directed by Rachel Chavkin (Hadestown) and Zhailon Levingston (Tina: The Tina Turner Musical)
- Iphigenia, Greek myth and opera itself are re-imagined to raise up social justice for a modern time, by Wayne Shorter and Esperanza Spalding, and directed by Lilian Blaine Cruz with sets by architect Frank Gehry
- Universal Child Care, part concert, part play this multinational cast explores family and cultural norms of childcare, by Quote Unquote Collective's co-artistic directors Amy Nostbakken and Norah Sadava
- Being Future Being, First Nation creation myths inspire a new path toward community stewardship of our lands, from award-winning choreographer and Catalyst Dance artistic director Emily Johnson
- Yemandja, the African Goddess of the Sea inspires this theatricalization about love, injustice and free will, from Beninoise superstar Angélique Kidjo with visuals by artist Kerry James Marshall

In support of each project, The Broad Stage launches REVEAL, (mostly) digital artist residencies with public programming beginning May 6, 2021, which gets to the heart of the five commissions and charts the journey from idea to fully staged work. Audiences will be connected to this array of groundbreaking artists, their ideas and transformational practices through exclusive footage, demonstrations, discussions, performances and more. Following each broadcast, REVEAL programs will be available on demand for the foreseeable future at thebroadstage.org/reveal.

SMMUSD, Global Motion, and the Broad Stage Learning Hub. To continue its relationship with Santa Monica-Malibu Unified School District, The Broad Stage again partnered with Global Motion, the SMC student dance company, to create an online video and Learning Guide for students in grades 6-12. Launched in March 2020, the online Broad Stage Learning Hub features The Education & Community Programs YouTube Channel, which offers filmed workshops, performances, and lessons, as well as a robust library of learning guides. Learning Guides, initially developed for Student Matinees, are divided by grade level: Grades K-2, 3-5, 6-8, and 9-12, and incorporate California Common Core and Visual and Performing Arts (VAPA) content standards. Since its launch in March 2020, The Broad Stage Learning Hub has generated 13,574 page views and 3,913 unique page views.

Some new success. We were awarded a \$378K infrastructure grant from Ahmanson Foundation to re-brand and update all public facing assets of The Broad Stage including logo, website, all visual collateral, etc. With a committee made up of SMC leadership, Broad Stage Board, and Broad Stage Staff, we have selected a design team, branding firm, and website design company and will begin this month (with the committee's input and supervision) on a process to be completed by late spring – we anticipate launching the 2022-23 season in the new brand identity. Throughout the pandemic period, we have received extraordinary press coverage and strong critical acclaim for our digital events, commissioning efforts for future seasons, and other public offerings, including multiple articles in the LA Times, segments on Spectrum TV News, and national coverage in publications like Broadway World and San Francisco Classical Voice among others.

Gratitude. Throughout this period, SMC and The Broad Foundation, while facing significant losses of struggles of their own, have been incredible partners to The Broad Stage, doing everything they could to keep the organization stable and forward-looking while up against never-before-seen hardships. The Broad Foundation forgave \$500K of historical debt that had been sitting on our balance sheet for some years, making us nearly debt free at a time when many of our colleague organizations have taken on substantial debt on top of operating losses. Similarly, SMC has taken this closure to tend to the facility in profound measure – installing brand new seats in the auditorium, new carpeting, as well as a new state of the art sound system, speakers, and mixing board. These are the kind of improvements it is almost impossible to make while in normal operation – deepest gratitude! Our sincere thanks as well to Linda Sullivan, Rob Rudolph, and the entire technical staff at the venue, who have made all of this possible and also have supported our use of the venue for filming digital content, most notably our virtual gala. The collaboration has been essential and is deeply appreciated.

#### **RECOMMENDATION NO. 21**

#### SUBJECT: ADOPTION OF EDUCATION PROTECTION ACCOUNT (EPA-PROP 55, AN EXTENSION OF PROP 30) EXPENDITURE PLAN

- SUBMITTED BY: Vice President, Business and Administration
- <u>REQUESTED ACTION</u> It is recommended that the Board of Trustees approve the plan to expend the 2020-2021 Education Protection Account (EPA) funds of \$32,674,818 on instructional salaries.
- <u>SUMMARY:</u> Proposition 55, The California Children's Education and Health Care Protection Act of 2016, which was an extension of Proposition 30, temporarily raises the income tax rate for upper-income-earners (over \$250,000 for single filers, over \$500,000 for joint filers, and over \$340,000 for heads of households) through 2030-2031 to fund the State's Educational Protection Account which provides funding for local school districts and community colleges.

Under Proposition 55, Districts have sole authority to determine how the moneys received from the EPA are spent, provided that the governing board makes these spending determinations in open session of a public meeting of the governing board. Each entity receiving funds must annually publish on its web site an accounting of how much money was received from the EPA and how that money was spent. Additionally, the annual independent financial and compliance audit required of community colleges shall ascertain and verify whether the funds provided by the EPA have been properly disbursed and expended as required by law.

This recommendation is submitted to comply with Proposition 55 provisions requiring the governing board to make the spending determination in an open session of a public meeting of the governing board. The estimated EPA that our District will receive for 2020-2021, as of P2, is \$32,739,388. Accordingly, the amount of EPA funds as of the recalculation of apportionment for 2019-2020 decreased from the P2 amount of \$10,071,579 to \$10,007,009 or a decrease of \$64,570. The entire amount for 2020-2021 less the adjustment in 2019-2020 will be spent on instructional salaries. The EPA funds are <u>NOT</u> additional funds but rather are components of the "computational revenue" calculations and will be offset by a decrease in apportionment funding received by the State.
