RECOMMENDATION NO. 22

<u>SUBJECT:</u> <u>RESOLUTION TO ADOPT APPROPRIATIONS LIMITS FOR THE 2022-2023 ADOPTED</u> BUDGET (GANN LIMIT)

SUBMITTED BY: Vice President, Business and Administration

<u>REQUESTED ACTION:</u> It is recommended that the Board of Trustees adopt the resolution to adopt appropriations limits for the 2022-2023 Adopted Budget (Gann Limit).

WHEREAS, on November 6, 1979, the People of California passed Proposition 4, a constitutional amendment requiring appropriations limits for state and local government units; and

WHEREAS, Senate Bill 1352, Chapter 1205 of 1980, implements Proposition 4, and requires the Board of Trustees to establish by Resolution an appropriation limit each fiscal year beginning with 1981/1982; and

WHEREAS, the Board of Trustees has directed that the appropriations limit for Fiscal year 2022-2023 Adopted Budget be developed in accordance with the provisions of Senate Bill 1352; and

WHEREAS, California Government Code Section 7910 provides that the governing body of each local jurisdiction shall, by resolution, establish its appropriations limit and make other necessary determinations for the following fiscal year pursuant to Article XIIIB at a regularly scheduled meeting or noticed special meeting; and

WHEREAS, the Government Code 7902.1 provides that school districts may increase their appropriations limit under specified circumstances; and

WHEREAS, the documentation used in determining the appropriations limit for the Fiscal Year 2022-2023 Adopted Budget are made in accordance with applicable constitutional and statutory law;

NOW, THEREFORE, BE IT RESOLVED, that the Board of Trustees hereby establish the Fiscal Year 2022-2023 Adopted Budget appropriations limit of \$149,233,550;

AND, BE IT FURTHER RESOLVED, that this Board does provide public notice that the calculations and documentation of the Gann Limit for the Fiscal Year 2022-2023 Adopted Budget includes an increase of \$21,798,201 to the calculated appropriations limit pursuant to the provisions of the Government Code Section 7902.1;

Comment: Proposition 4 (November 1979, Special Election) added Article XIIIB to the State Constitution to place limitations on the year over year growth of expenditures of State and local governments and is commonly known as the Gann Limit. For Community Colleges, the Gann Limit limits year-to-year expenditure growth from taxpayer funds to changes in inflation and the number of Full-time Equivalent Students served by a District. In 2021 Assembly Bill 130 (Education omnibus budget trailer bill) resulted in changes to the statutes related to the Gann Limit calculation. For Community Colleges, these changes now require that the Board adopt an appropriations limit that is equal to its appropriation subject to limit. This effectively means that if the District has excess appropriations limit the excess is transferred to the State of California and if the District exceeds its appropriations limit the State of California will transfer its excess limit to the District. For the 2022-2023 Adopted Budget the District projects it will exceed its appropriations limit by \$21,798,201.
