Black Collegians Umoja Community Orientations for Summer/Fall 2024

Open enrollment for the fall 2024 semester is from June 24 – late September 2024

Students interested in joining our program will need to attend one (1) orientation session to begin the program enrollment process. At the orientation, we will explain our program benefits, requirements and next steps in completing the enrollment process.

Upon registering for a zoom orientation, you will receive a personal meeting link and password you will use to attend the scheduled orientation. For orientations meeting in person on campus, please fill out the rsvp form so that your name will appear on the sign in sheet when you arrive for the orientation.

Please arrive at the orientation on time. Orientations run about one hour in length.

If you have any questions about our program, please reach out to us via email at <u>black_collegians@smc.edu</u>.

We are here to help you succeed here at SMC.
