Guarantees Admission to CA Community College
students

Participating Campuses

2. UC Irvine
3. UC Merced
4. UC Riverside
5. UC Santa Barbara
6. UC Santa Cruz

WHO CAN SUBMIT A TAG APPLICATION?

Only students transferring directly from a California Community College are considered for a TAG, including international students (those with a visa).

The University of California defines a CCC transfer student as one who has completed 30 semester units at one or more CCC's, and the last college the student attended in a regular session before admission to a UC campus. All UC TAG campuses require students to meet this definition.

Students who have already earned a bachelor's degree, graduate degree, and/or professional degree CANNOT participate in TAG.

Students who have previously enrolled at a UC campus during a regular term (not including summer session) CANNOT submit a TAG application to return to that campus but can use it to attend another campus if they meet the definition of a Community College Student.

FALL 2025 TAG

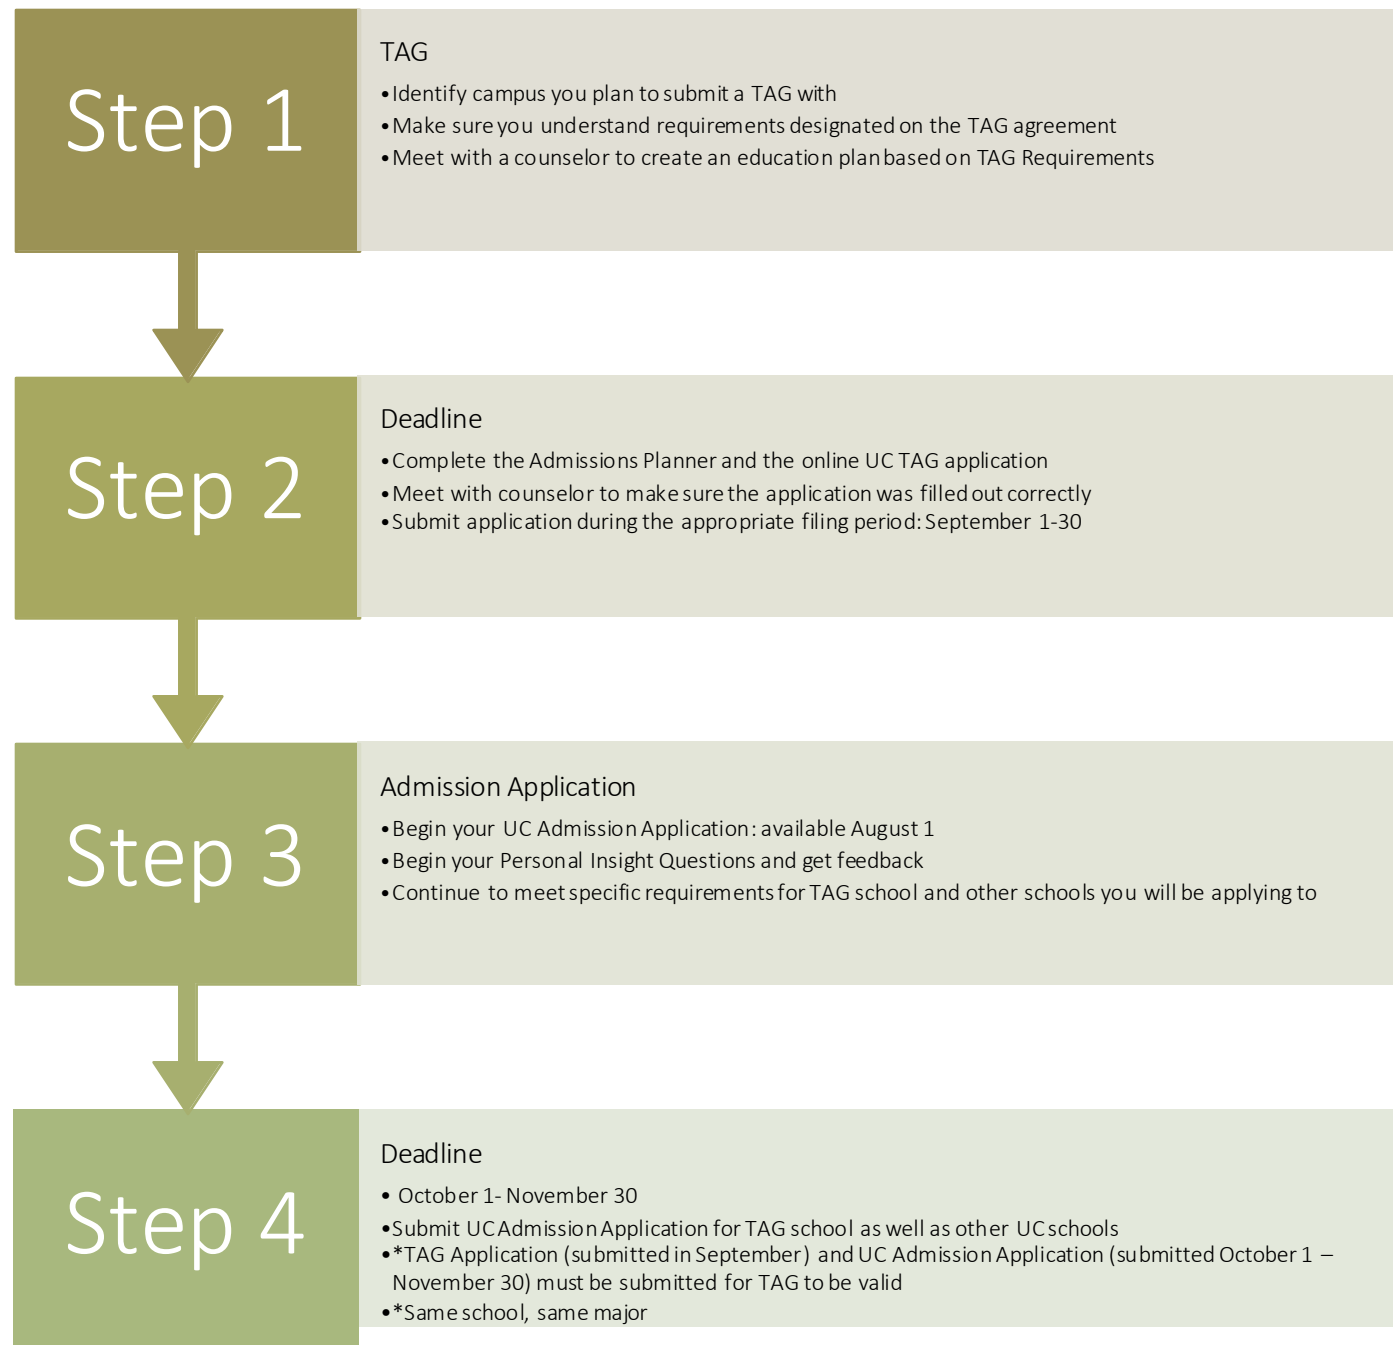

You may submit a UC TAG contract to only ONE of the six participating UC's.

Though limited to 1 UC TAG application, you may apply to any UC's of your choosing when you officially apply October 1 - November 30 using the UC application for Undergraduate Admissions and Scholarships.

TAG is not a binding contract therefore you can sign a TAG with one campus but decide to attend another

Note: A student participating in SMC's Scholars program can apply for both UCLA TAP and TAG
